Howard,

For this property, I was not able to find any Surface Water Management Licenses from the County.

Please do not hesitate to contact me if you have any questions.

Sincerely,

JOHANA NARVAEZ, M.S.E.E., ENVIRONMENTAL PROGRAM MANAGER

Subject: Coastal Waste & Recycling of Pompano - 2407 Hammondville Road

PZ23-12000025

Hi Johana:

08/21/2024

I am working on a project located at 2407 Hammondville Road in Pompano Beach. The project is existing and the property owner does not intend to make any improvements, other than to re-pave and re-stripe the parking lot. The City is requesting that the property be upgraded to be in compliance with the site plan that was approved in 2007. Basically replace dead and dying trees, upgrade planting, fix curbs, etc.

In addition, the engineering department has requested the stormwater license approvals.

I checked on Enviro and I cannot find the a license for this property. Back in 2007, a new site plan was submitted and stormwater improvements were made, please see attached. Do you know if a SWM license exists for this property? When I looked on Enviro there were hazardous materials licenses, but no SWM. Maybe I'm not looking in the right place.

I will give you a call to discuss, or you can give me a call at your convenience. I also sent you a request for some information for the property located at 3900 NE 10<sup>th</sup> Way, same client. This property has a license, but the property owner is considering modifying the license.

**Best Regards**
