

**Blossman Gas of Louisiana, Inc.
Variance Request for Proposed Propane Storage Facility
261 S. Andrews Avenue**

Exhibits for Variance to Allow Above-Ground Storage Tanks:

1. Before and after S. Andrews Ave Realignment:

2010

2023

2. Examples of how the Andrews realignment along with the horizontal space required for underground versus aboveground tank vessels contributes to the use being less feasible:
