To indemnify and hold harmless Lessor and the leased premises from all costs, losses, damages, liabilities, expenses, penalties, and fines whatsoever that may arise from or be claimed against Lessor or the leased premises by any person for any injury to person or property or damage of whatever kind or character arising from the use or occupancy of the leased premises by Lessee; from any neglect or fault of Lessee or the agents and the employees of Lessee in using and occupying the premises; or from any failure by Lessee to comply and conform with all laws, statutes, ordinances, and regulations of any governmental body or subdivision or hereafter in force. If any lawsuit or proceeding shall be brought against Lessor or the leased premises on account of any alleged violations or failure to comply and conform or on account of any damage, omission, neglect, or use of the premises by Lessee, the agents and employees of Lessee, or any other person on the premises, Lessee agrees that Lessee or any other person on the premises will defend it, pay whatever judgments may be recovered against Lessor or against the premises on account of it, and pay for all attorneys' fees in connection with it, including attorneys' fees on appeal.

C. In case of damage to glass in the leased premises, to replace it with glass of the same kind, size, and quality as quickly as possible at Lessee's expense.

D. At Lessee's expense, to perform all maintenance and repair required to keep the air-conditioning equipment serving the leased premises in good operating condition during the term of this lease and any renewal term.

E. To make no alterations in or additions or improvements to install any equipment in or maintain signs advertising its business on the premises without, in each case, obtaining the written consent of Lessor. If any alterations, additions, or improvements in or to the premises are made necessary by reason of the special use and occupancy of the premises by Lessee, Lessee agrees that it will make all such alterations, additions, and improvements in or to the premises at its own expense and in compliance with all building codes, ordinances, and governmental regulations pertaining to such work, use, or occupancy. Lessee agrees that it will hold Lessor harmless against all expenses, liens, claims, and damages to either property or person that may or might arise because any repairs, alterations, additions, or improvements are made.

Section XVIII Liens

Lessee shall not have the right or authority to encumber the property or to permit any person to claim or assert any lien for the improvement or repair of the property made by Lessee. Lessee shall notify all parties performing work on the property at Lessee's request that the Lessor does not allow any liens to attach to Lessor's interest.

Section XIX
Miscellaneous

A. Time is of the essence of the Lease.

B. The Lease shall be binding upon and for the benefit of the heirs, personal representatives, successors, and permitted assigns of Lessor and Lessee, subject to the requirements specifically mentioned in the Lease. Whenever used, the singular number shall include the plural or singular and the use of any gender shall include all appropriate genders.

C. The agreements contained in the Lease set forth the complete understanding of the parties and may not be changed or terminated orally.

D. All questions concerning the meaning, execution, construction, effect, validity, and enforcement of the Lease shall be determined pursuant to the laws of Florida.

E. The place for filing any suits or other proceedings with respect to the Lease shall be the county in which the property is located.

Section XX
Radon gas and Lead-Based Paint Notification

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.

Lead-Based Paint Disclosure: Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.

IN WITNESS WHEREOF, Lessor and Lessee have duly executed this Lease Agreement on
September 20, 2011.
