Sindaco Avv. Massimo Coppola  
Comune di Sorrento (NA) Italy  
Piazza S. Antonio  
80067 Sorrento NA Italy

Caro Sindaco Coppola,

I am reaching out to you to gauge your City's interests in establishing a sister city partnership with the City of Pompano Beach, Florida. I believe our cities share similar interests such as beautiful coastal beaches, boating, tourism and, of course, great people.

As we look to the future of this alliance, we envision a great awareness and appreciation of each other's culture and its people. We hope our partnership will blossom and grow for years in a number of ways such as tourism, education ( student exchange), arts, culture, trade and many other exchanges from our two communities.

Although this partnership must be formed on an official basis between our two cities, it will be the strength of this alliance by our Greater Pompano Beach Sister Cities Organization. Tony Phillips, President and Paul Finizio, Vice President of the Greater Pompano Beach Sister Cities (GPBSC) will be designated to oversee the development of this effort.

On behalf of myself and the residents of Pompano Beach, we look forward to working with you and your representative to establish a sister city relationship between our two communities. Thank you and we look forward to hearing from you soon. If you have any questions feel free to contact Tony Phillips at [tpnjp4@gmail.com](mailto:tpnjp4@gmail.com) or 401-401-439-5238 (whatsapp) or Paul Finizio at [Paul@finiziolawgroup.com](mailto:Paul@finiziolawgroup.com)

Sincerely,

Rex Hardin  
Mayor
