

MEMORANDUM

September 28, 2017

TO: Mark Berman, City Attorney

FROM: Horacio Danovich, CIP Manager

RE: 11.76 Acre Park Remediation – Contract Amendment

Please prepare a Resolution to award Work Authorization #8 to E Sciences, Inc. (company name confirmed with Sunbiz). The purpose of this award is to assist the City with a National Environmental Policy Act (NEPA) analysis, for which the consultant will receive \$45,695.00.

The NEPA study is necessary for eligibility to apply for Federal and State grants. The City plans to apply for Transportation Investment Generating Economic Recovery (TIGER) grant funding in support of proposed streetscape improvements on Dixie Highway from McNab Road to Atlantic Boulevard.

I have reviewed the proposal provided by the consultant for compliance with the Continuing Services Provider agreement approved via RLI E-33-15 (Ordinance 2016-28) and all applicable terms and unit costs have been observed.
