Please place the attached resolution on the March 27, 2018, City Commission Agenda to approve a new agreement with Creative City Collaborative of Pompano Beach, Inc. (CCCPB), on a month-to-month basis in an amount not to exceed \$65,000 per month.

Effective March 31, 2018, the City of Pompano Beach is assuming all operations, management and programming at the Pompano Beach Cultural Center. The proposed agreement provides for a final transition as the City's new Cultural Affairs Department assumes this responsibility. Proposed expenditures for this agreement are within the Fiscal Year (FY) 2017-18 approved budget for the new city department.

During this transition period, CCCPB will:

- Support current commitments to operations, management and programming at the Pompano Beach Cultural Center, and
- Continue to work with the City to fully implement an orderly transition to City of Pompano Beach operations, management, and programming of the Cultural Center

Final transition details are still in the planning process, as is the integration into the new department of two PBCRA-owned facilities, namely, Bailey Contemporary Arts (BaCA) and Ali Cultural Arts.

This item is related to Strategic Plan Strategy: Great Places: Goal 2.0, Initiative 2.8- Develop and promote cultural/heritage tourism opportunities and supports the goals and initiatives of the City's Cultural Arts Master Plan (December 2013).
