

NOTES:

- Only biodegradable material can be attached to tree trunks.
- No hedges abutting public ROW's are to be higher than 24" & must be maintained at 24".
- All container grown trees to have the periphery of the root ball shaved to prevent circling roots.
- All tree work will require permitting by a Registered Broward County tree trimmer.
- There is NO outdoor storage proposed on this site.
- No development work, or demo activity shall be allowed within the dripline of a tree or tree protection area.
- All hedges abutting City ROW's are to be maintained at a height of no greater than 24".
- A tree permit application for all proposed tree work will be required at the time of permit submittal.

ENGINEERING NOTES:

NOTE 1: Landscaping materials other than sod are not allowed within (5') five feet of any portion of City owned utilities within the public street right-of-way including meters, hydrants, service lines etc. Also, please note that no trees, shrubbery or obstruction shall be placed within a 3' radius of a City-owned sewer lateral cleanout or water 4/or reuse meter.
