Jennifer and Jean,

Please be advised that KZ Copans' principal (Jake Zebedee) has requested a postponement of the LUPA and Rezoning matter before the Planning and Zoning Board at its June Meeting. The matter, if the Applicant desires to continue, should be scheduled for the July meeting. Please accept the email below as his first request.

Thanks.

Mr. Saunders,

Subject: KZ Copans - LUPA and Rezoning Application - City PZB June 22nd meeting

Good evening, Mr. Poliakoff.

I have been in conversation, in the past, with your client, KZ Copans regarding their appearance before the City's Planning and Zoning Board. As you are aware, the court has entered an Order in response to the Complaint for Injunctive Relief filed by community members/lawsuit plaintiffs in the matter involving Westview Cemetery. While there was a PZB meeting a few days later, after speaking with Mr. Zebedee and counsel to the community members/lawsuit plaintiffs, each agreed that the LUPA and Rezoning should be postponed to the June PZB meeting, due to the appeal period.

The appeal period ends on Monday. I am not aware of any movements by the plaintiffs to appeal. Nevertheless, the PZB June meeting will be held on June 22, 2022 at 6pm. In an effort to prepare for that agenda, and because Mr. Zebee expressed a reluctance to move forward at this meeting when we spoke by phone last month, I am inquiring whether your client is making a presentation at this June meeting or should we prepare for July?

I also have discussed this matter with the Development Services staff and understand that there are other matters your client is considering.

Please advise as soon as you know. Thanks.
