

Exhibit G – Revised July 27, 2021

Consistent with City of Pompano Beach Comprehensive Plan

Adopted October 27, 2020

Goal 01:

The attainment of a living environment which provides the maximum physical, economic and social well-being for the City and its residents through the thoughtful and planned use and control of the natural and man-made environments that discourages urban sprawl, is energy efficient and reduces greenhouse gas emissions.

Objective 01.03.00 – Inconsistent Land Uses

Annually review and periodically update adopted land development regulations and established procedures that encourage the elimination or reduction of uses inconsistent with the City's character and Future Land Use Plan.

Policy 01.03.04

Consider the preservation of established single family neighborhoods in all rezonings, land use plan amendments and site plan approvals.

Policy 01.03.09

Discourage Future Land Use Map amendments, rezonings or other methods that would place residential units into or adjoining industrial land use designations.

Policy 01.03.11

Consider the compatibility of adjacent land uses in all Land Use Plan amendments and rezonings.

Policy 01.03.12

The following criteria may be used in evaluating rezoning requests: A. Density;

- B. Design;
- C. Distance to similar development;
- D. Existing adjoining uses;
- E. Proposed adjoining uses;
- F. Readiness for redevelopment of surrounding uses; and
- G. Proximity to mass transit.

Policy 01.03.13

Future industrial land uses shall be located with access to major transportation facilities including highways, airports, railroads, and seaports.

Policy 01.06.01

Consider and minimize the impacts that land use amendments, rezonings or site plan approvals have on natural resources, including wetlands, and culturally, historically, archaeologically and paleontologically significant resources.

Policy 01.06.12

Review all land use plan map amendments, rezonings and site plan applications to ensure that there is sufficient wastewater collection and treatment facilities, potable water resources available and if reuse water is available, require it be used, and that they pose no noxious impacts to the Biscayne Aquifer.

Policy 01.08.01

Follow the recommendation of the Community Redevelopment Plans in all Land Use Plan amendments and rezonings.

Objective 01.14.00 – Smart Growth Initiative

The City will promote “Smart Growth” type initiatives providing for energy efficient development and land use patterns which also account for existing and future electrical power generation and transmission systems in an effort to discourage urban sprawl and reduce greenhouse gasses.

Policy 01.14.01

The City shall emphasize re-development and infill, which concentrates the growth and intensifies the land uses consistent with the availability of existing urban services and infrastructure in order to conserve natural and man-made resources.

Objective 01.23.00 – Economic Development

Expand the economic based by attracting Class A office space and higher education institutional uses, continuing to support the industrial and manufacturing sectors while protecting tourism as well as the quality of life and delivery of services to local residents.

Policy 01.23.05

Discourage rezonings that permit additional self-storage and warehouse uses along the City’s gateway corridors which include Atlantic Boulevard, Dr. Martin Luther King, Jr. Boulevard and NW 31st Avenue.

Policy 06.01.04

The City shall require that all new residential, commercial and industrial development be serviced by centralized wastewater systems.

Policy 06.03.03

Broward County Water and Wastewater Services should require that all new residential, commercial and industrial development be serviced by centralized wastewater systems where financially feasible.

Policy 07A.08.07

Review all land use plan map and text amendments, rezonings and site plan applications to ensure that there is sufficient potable water resources available to serve the proposed development and the land uses are consistent with the wellfield protection zone regulations.

LAND USE IMPLEMENTATION**Section 3. Zoning as to Permitted Uses and Densities**

3.01 City zoning as to permitted uses and densities must be in compliance with or be more restrictive than the requirements of the Land Use Plan. For purposes of this section "more restrictive" means zoning which permits less than all of the uses permitted by the Land Use Plan on a parcel of land, or, for a parcel of land designated residential by the Land Use Plan Map, a lower residential density than permitted by the Land Use Plan.

3.02 City zoning as to permitted uses and densities shall be in compliance with the City's Land Use Plan if the following requirements are met:

F. Industrial Land Use

Each parcel of land within an area designated in an Industrial land use category by the City's Land Use Plan Map must be zoned in an industrial zoning district which excludes electrical power plants but permits one or more of the following uses, but no other uses:

1. Light and heavy industrial uses.
2. Heavy commercial uses including new and used automobile, truck, motorcycle, boat and trailer display, sales, and service which include gas stations with retail stores; newspaper, magazine, and printing plants; bakeries, carpentry, cabinet shops and other trade shops; motion picture studios; ice houses; propane gas sales and repair; and salvage yards.
3. Educational, scientific and industrial research facilities, research laboratories, and medical or dental laboratories.
4. Office uses.
5. Transportation and communication facilities.

6. Recreation and open space, cemeteries, and commercial recreation uses, as long as the location of these uses does not preclude or adversely affect the future use of surrounding areas for industry.
7. Community facilities and utilities.
8. Ancillary commercial uses within buildings devoted to primary industrial uses.
9. Wholesaling uses.
10. The following uses may also be permitted if certified by the Broward County Planning Council in the City land use plan as long as the location of these uses do not preclude or adversely affect the future use of surrounding areas for industrial uses:
 - a. Commercial and retail business uses.
 - b. Hotel, motel and similar lodging.
11. Vocational Schools
12. Residential units within the same structure as industrial uses for the owner, manager or caretaker of the industrial uses are permitted.
