

**Memorandum No. 22-26**

**DATE:** June 29, 2022

**TO:** Mark Berman, Esq., City Attorney

**FROM:** Christopher R. Schlageter, Project Manager

**SUBJECT:** Raw Water Well #3 Design Services (CIP#19-349)  
Tetra Tech Inc. Work Authorization No.1

---

Please prepare a resolution and associated memorandum for commission consideration and approval for engineering design, permitting, bidding assistance, and construction administration services to replace the abandoned Production Well 3 serving the raw water system route to the Lime Softening Water Treatment Plant (WTP).

Please do not hesitate to contact me if any additional information is needed at ext. 4022

Thank you.
