Fire Rescue**

**FIRE ADMINISTRATION  
MEMO # 23-A024**

**To:** Mark Berman, City Attorney  
**From:** Chad Brocato, Fire Chief  
**Date:** 06/12/2023  
**Re:** Ordinance request – Lauderdale-By-The-Sea Agreement

---

I kindly request an Ordinance for the City Commission to enter into an agreement with Lauderdale-By-The-Sea (“LBTS”) that would allow Pompano Beach Fire Rescue to provide fire, EMS and emergency services to said entity on a contractual basis. This agreement would provide a new source of revenue to Pompano Beach in EMS transports, fire inspection and plan review fees, and Chapter 175 funds. It would also expand our fire rescue services to an additional community as we continue to grow as an organization.
