2300 W. Commercial Boulevard • Fort Lauderdale, Florida 33309 • 954-847-2600

March 29, 2018

Mr. Mark Plass, P.E.
District Traffic Operations Engineer
Florida Department of Transportation, District Four
3400 West Commercial Blvd
Fort Lauderdale, FL 33309

Subject: FPID No. 436219-3-72-01
SR-834 (Sample Road) and NW 5th Avenue
Mast-Arm Painting Maintenance by City of Pompano Beach

Dear Mark,

Broward County has no objection to the City of Pompano Beach painting and/or maintaining the paint finish on the traffic signal mast-arms and related structures at the intersection of SR-834 (Sample Road) and NW 5th Avenue as part of FPID No. 436219-3-72-01. The County does not object to the City of Pompano Beach and the Department entering into a maintenance agreement to perform and/or maintain the mast-arm painting in accordance with the District's mast-arm painting procedures and any other applicable paint-over-galvanized steel structure standards and specifications. County staff would appreciate at least seven (7) calendar days notification of any scheduled paint finish maintenance work to avoid any conflicts with any signal equipment maintenance to be performed by our agency.

if you have any questions, please feel free to contact me at (954) 847-2600.

Sincerely,

A handwritten signature in black ink that reads "Andrew G. Sebo".

Andrew G. Sebo, P.E., PTOE
Interim Director, Traffic Engineering Division

cc: Tony Hui, P.E., Deputy Director, Public Works Department
Yves d'Anjou, P.E., Acting Assistant Director, Traffic Engineering Division
