> I am a resident of Connor Estates for over 13 years and would like to express my opposition to the proposed rezoning of 2500 NE 19 Street to allow it to operate as a “Community Transitional Residence”. I would like to request that the zoning board deny the variance for a change in zoning. This is a neighborhood with families of all ages, including many children. This rezoning would create an unsafe space for the current and future residents of Connor Estates and negatively impact our property values.
