COMMENTS:

Odyssey has done 7 projects with the  
City of Pompano Beach and the City is pleased  
with the speed and cost. Odyssey is very  
responsive to requests for assistance.

### COMMENTS:

Odyssey has done business with the city of Pompano Beach for several years now and the quality of their work has been excellent. They have very qualified and competent people working for them and can be relied upon to perform quality work on any project they undertake. They also stock a supply of spare parts at their warehouse and they have 24/7 emergency response. Odyssey has staff on hand who perform the electrical part of the projects they undertake. This allows familiarity between the employees of the Treatment Plant and the employees doing the work as they have gotten to know each other over the years. Odyssey has consistently provided high quality service and work on many projects throughout the years.
