I am sending this e-mail expressing my concern (subject 407-419) N Riverside Dr.
N. Riverside Dr .has a large flood area encumbering addresses (401-407-419) no matter how much it rains or when high tides raise and half of 4th street going east.
Should you build on the lot (407-419) it would cause flooding in our Lado de Rio parking lot and pool area.
