RE: Agenda Item – Application to the U.S Department of Justice, Edward Byrne Memorial Justice Assistance Grant Program (JAG)

BJA released their FY 2019 Local Solicitation for the JAG program on July 25, 2019. The application was due and submitted on August 23, 2019. The timing of this solicitation does not provide enough time for staff to present the application for review and comment by the City Commission and residents.

This Resolution, ratifies the application made to the granting agency which was submitted prior to the deadline of August 23, 2019 and authorizes the Mayor to accept and execute the grant agreement if awarded. The grant specifically requires — (a) the application be made public; and (b) an opportunity to comment on the application be provided to citizens and to neighborhood or community based organizations to the extent applicable law or established procedures make such opportunity available.

The Edward Byrne Memorial Justice Assistant Grant (JAG) Program is a formula grant to counties and municipalities based on crime and statistics. Seventeen (17) jurisdictions within Broward County's borders are eligible to apply for \$501,886. The U.S. Department of Justice, Bureau of Justice Assistance (BJA) has identified Broward County as disparate. As a result of the disparity the seventeen (17) jurisdictions must identify a fiscal agent and submit a joint application.

Upon official notification from the BJA for the award. The City of Pompano Beach, through a Memorandum of Understanding (MOU) will administer the programs and funds as the lead administrative and fiscal agent for each jurisdiction. Below is the list of awards, less the 10% of the Formula-Based Allocation for administrative costs for each of the seventeen jurisdictions:
