To who this may concern,

We are writing this as concerned owners of the Aristocrat, Unit #1208. Due to the ongoing restoration of the Aristocrat we have been unable to use our deck and the pool for the past 2 years. Consequently, we have not been aware of the Beachcomber using the lot that is within 500 feet of our condo as a dump site for their garbage waste. We have been told that we will finally be getting full use of our decks and pool in the near future. We would like to request that the Beachcomber find an alternate to disposing of their waste where we will not be subjected to the smells and unsightly view.
