

**§ 76.06 PARKING METER ZONES AND FEES ESTABLISHED.**

(A) *Designation of spaces; installation of meters; cost of parking or standing vehicle in parking meter space.*

(1) Table 76.06(A) establishes public parking facilities as Parking Meter Zones. The marking off of individual spaces in the parking meter zones and the installation of parking meters in the spaces is authorized, ratified, and confirmed. The placement of the meters shall be in accordance with applicable city ordinances.

(2) The cost of parking or standing a vehicle shall be in conformance with Table 76.06(A). The only coins which the meters accept are United States currency.

(B) *Operation of parking meters.*

(1) Hours of operation.

(a) Parking meters shall be in operation 17 hours a day between the hours of 6:00 a.m. until 11:00 p.m., every day including Sundays and holidays in all parking meter zones.

(b) Unless clearly indicated by signage at the Parking Meter Zone, the hours of operation for all Parking Meter Zones are 17 hours a day, seven days a week, including Sundays and holidays, between the times indicated in subsection (1)(a) above.

(c) Vehicles parked in a parking meter zone outside of the hours of operation are strictly prohibited and subject to a violation per § 76.08(B).

(2) When any vehicle shall be parked in any parking space within one of the parking meter zones as described in Table 76.06(A), the operator of this vehicle shall, upon entering the parking meter space, immediately deposit or cause to be deposited in the parking meter (or utilize the pay by phone app.) the proper coinage or other funds of the United States as is required for the parking meter and as is designated by proper directions on the meter, and when required by the directions on the meter, the operator of the vehicle, after the deposit of the proper coinage or other funds, shall also set in operation the timing mechanism on the meter in accordance with directions properly appearing thereon, and failure to deposit the proper coinage or the proper funds, and to set the timing mechanism in operation when so required, shall constitute a violation of this subchapter. The following are exempted from this requirement:

- (a) Vehicles parked in a period of emergency determined by an officer of the Fire Department or Law Enforcement Agency;
- (b) Vehicles parked in compliance with the directions of a police officer, police aide, or traffic-control sign or signal; or
- (c) Vehicles with a valid decal per §76.06(C).
- (d) Vehicles exempt under F.S. § 316.1964, to the extent set forth therein.

(3) Upon the deposit of the coinage or other funds (and the setting of the timing mechanism in operation when so required), the parking space may be lawfully occupied by the vehicle during the period of time which has been prescribed for the part of the street in which the parking space is located, provided that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit funds so long as his occupancy of the space does not exceed the indicated unused parking time.

(C) *Parking permits for certain zones.*

(1) A "resident parking permit decal" may be purchased from the city's Treasury Division Office, or its designee, by all residents, with proof of residency, which shall authorize the parking of the vehicle for which the permit was acquired in any parking meter space located within the Oceanside Parking Lot as described in Table 76.06(A) without requiring the payment of money into the space's parking meter from 6:00 a.m. until 8:00 p.m. daily. No overnight parking is allowed under this resident parking permit decal.

- (a) The cost of a 12-month decal for the Oceanside Parking Lot shall be \$120.00, including applicable taxes.
- (b) The cost of a 12-month decal for a second vehicle shall be \$60.00, including applicable taxes.
- (c) The cost of a six-month decal shall be \$60.00, including applicable taxes.

(2) A "monthly overnight parking permit hangtag" may be purchased from the city's Treasury Division Office, or its designee, by all residents, nonresidents, and Pompano Beach business owners, which shall authorize the parking of the vehicle for which the permit was acquired in any parking meter space located within the Oceanside Parking Lot as described in Table 76.06(A) without requiring the payment of money into the space's meter from 12:00 a.m. until 11:59 p.m. daily for the period being contracted.

- (a) The cost of the monthly overnight parking permit hangtag shall be \$50.00, including applicable taxes.
- (b) The maximum number of monthly overnight parking permits is one per resident and non-resident and two per business.
- (c) The monthly overnight parking permit hangtag is subject to availability, determined by the City Manager or designee.
- (d) For businesses seeking monthly overnight parking permit hangtags greater than two, the request shall require a license agreement approved by the City Commission.
- (e) Any existing and effective license agreements with businesses shall be null and void and new agreements must be approved.

(3) A "monthly overnight parking permit card" may be purchased from the city's Treasury Division Office, or its designee, by all residents, non-residents, and Pompano

Beach business owners, which shall authorize the parking of the vehicle for which the permit was acquired in any parking meter space located within the Pier Parking Garage as described in Table 76.06(A) and with restrictions described below without requiring the payment of money into the space's meter from 12:00 a.m. until 11:59 p.m. daily for the period being contracted.

- (a) The parking location of the Pier Garage monthly overnight parking permit card shall be restricted to the fifth floor (roof level) of the garage.
- (b) The cost of the monthly overnight parking permit card shall be \$100.00, including applicable taxes.
- (c) The maximum number of monthly overnight parking permit cards is one per resident or non-resident and two per business.
- (d) The monthly overnight parking permit card is subject to availability, a maximum of 100 permits may be issued for

any one-month period.

(e) This permit card is valid during special events.

(4) A "resident annual parking permit decal" may be purchased from the city's Treasury Division Office, or its designee, by all residents and residential property owners, which shall authorize the parking of the permittee's vehicle for which the permit was acquired in specific areas described herein in Exhibit A, without requiring the payment of money into the space's meter from 12:00 a.m. until 11:59 p.m. daily for the annual period being contracted.

(a) The parking locations for the annual overnight parking permit decal shall be restricted to those areas depicted in Exhibit A, including only specific buildings that do not have sufficient private parking to serve their residents.

(b) The cost of the "resident annual parking permit decal" shall be \$120.00, including applicable taxes.

(c) The maximum number of resident annual permit decals is one per property address.

(d) No public parking space under this program is exclusive for a decal purchaser and availability is on the basis of first-come, first-serve basis.

(e) The resident annual parking permit decal is subject to availability.

(f) An application must be made to the city for the permit, stating the address associated with the permit and the license plate tag number of the vehicle to be parked, along with proof of residency.

(5) Pompano Beach business owners including, but not limited to, hotels, restaurants and other businesses such as an office building or bank, who desire to utilize public parking for the storage of customers' vehicles during a valet parking occurrence, may enter into a license agreement between the City of Pompano Beach and the owner of the business or the city's designated valet operator. The license agreement must be approved by the City Commission.

(a) The monthly cost of the license shall be \$50.00 per parking space, including applicable taxes except as amended by a separate agreement. Any public parking spaces utilized for ramping shall be included in the license agreement and be subject to the same fee.

(b) The license shall prohibit overnight parking. Any vehicle left overnight may be removed by the city at the owner's or licensee's expense.

(c) The license will be valid for a period between 5:00 p.m. and midnight. For a period between 11:00 a.m. and midnight, the license shall be \$60.00 per parking space, including applicable taxes.

(6) Parking rate zones are zones where the parking rates are described in Table 76.06(A) and depicted in a map provided herein as Exhibit B.

(a) The rates will vary according to certain three times of the year, defined as off-season, season, and holidays and events as defined herein.

(b) Rates may be altered within each zone from time to time, including daily or hourly times, at the direction of the City Manager or its designee but can never vary more than twenty percent.

(7) Each permit shall cover the specified time period for the permit, from the date of purchase. The application procedure and the form of the permit shall be determined by the City Manager or designee. The monthly overnight parking permit card shall be registered to a specific vehicle and its license plate and may not be transferred to another person or vehicle.

(8) Residential parking permit decals for the Oceanside lot are not valid for special events, as may be determined by the City Manager.

(D) The city may suspend or modify hourly metered parking requirements to a one-time daily parking fee in any city public parking facility or lot for city sponsored or other special events as determined by the City Manager or designee.

(E) *Collection of deposited moneys.* The city administration shall provide for the regular collection of the money deposited in the parking meters. All of the money shall be deposited into the Parking Enterprise Fund of the city.
