In order to ensure that the Office of Housing and Urban Improvement (OHUI) has in place proper procedures and documentation that support funded program eligible activities, the following procedures are to be followed by all sub-recipients of federally funded programs administered by the OHUI to receive payment for submitted invoices.

- 1) Requests for reimbursement of expenses **starting from October 1, 2022** can be submitted on a monthly or quarterly basis. Only items listed on your budget will be considered for reimbursement. Please complete **Request for Reimbursement Form with appropriate back-up documentation** to prevent any payment delays.
- 2) Reimbursement and reports will only be process through the Neighborly Software system. (Participant guidelines - attached)
- 3) Requests for Reimbursement of personnel expenses must include TWO of three following back-up documentations for ALL employees in which you are claiming reimbursement:
  1. Copy of payroll register
  2. Copies of timesheets (**MUST be signed by the employee and the Supervisor**)  
- and/or -
  3. Copies of pay checks

The completed and signed timesheet should clearly indicate the hours AND the percentage of time spent working on the CDBG funded project. If more than one employee's wages are being reimbursed, list each employee by name, title, and amount of reimbursement requested (indicate exact percentage for each employee, if applicable).

- 4) Requests for Reimbursement of paid invoices must include a copy of the Invoice **AND** the sub-recipient has paid a copy of the check showing the invoice. If the invoice has been p aid through more than one source of funding, clearly indicate the amount of City of Pompano Beach CDBG funds applied to that expense on the invoice.
- 5) Complete and sign Request for Reimbursement Form, and submit with all required documentation through the Neighborly Software.

Link: <https://portal.neighborlysoftware.com/copbfl/participant/Login>

- 6) The first payment request will be processed after we have an executed Sub-recipient Contract and a Purchase Order in place.
- 7) Monthly Compliance Reports must be current in order to receive reimbursement payments.
- 8) All reimbursement requests will be reviewed by staff for accuracy, completeness, and compliance with program guidelines. You may be contacted with questions or for requests for additional documentation if needed. **Requests for payment that are complete accurate and in compliance will be processed and paid within 10 days of submission. RUSH PAYMENTS WILL NOT BE ISSUED.**

- 9) If you have questions regarding how to complete the Request for Reimbursement Form or what required documentation needed, please contact the Office of Housing and Urban Improvement at 954-786-4659. We will do our best to assist you with the process.

### **Eligible Activities**

All programs and activities funded CDBG and HOME dollars must meet the criteria of being an eligible activity as defined by HUD. For the CDBG program specifically, the funded programs must meet one of the three national objectives as well as the specific eligible activities to be carried out to meet the objective. Within this context, the OHUI policy on HUD funded programs will be to focus on funding activities that are without question eligible activities under the HUD regulations.

OHUI as a policy will not fund activities that are questionable and will pose a potential audit finding or sanction for the City of Pompano Beach. Activities such as entertainment activities; travel for trips, holiday dinners, awards, etc. It is the policy of Office of Housing and Urban Improvement (OHUI) the funded activities should focus on salaries, administrative cost, equipment and technical assistance for the sub-recipients.

In short, CDBG can be used to pay labor cost, supplies, and materials needed to provide a service. Activities such as the entertainment type as listed above should be supported with other internal/external budget funds or by outside support/sponsorship, donation or partnership with other community organizations or programs. When sub-recipients purchase equipment using CDBG or HOME funds, they are required to keep an inventory log of the purchased items, which should be open to inspection at any given time.

In an effort to ensure that OHUI can meet this policy objective, the OHUI will advise the sub recipients as to whether their activities are eligible through ongoing discussions, meetings, training sessions and onsite monitoring visits.

If you have any questions or need further clarification, do not hesitate to contact me at 954-786-4659.

Sincerely,

Miriam Carrillo  
OHUI Director

**SCOPE OF WORK**

For 47 years, Women In Distress of Broward County, Inc. (WID) has been a place where women, children, men and their pets are able to go for the services needed to heal from the trauma of domestic violence abuse. WID is the only nationally accredited, state-certified, full-service domestic violence agency in Broward County; the largest domestic violence agency in Florida; the only shelter in Southeast Florida to house survivors and pets together; and one of the oldest in the country. All of our free and confidential services are provided regardless of a survivors' age, gender identity, race, sexual orientation, religion, mental or physical disability, veteran or military status, immigration status, language spoken or socio-economic standing. We currently offer services in English, Spanish, Creole, Russian and Portuguese. Last fiscal year, WID served 3,051 survivors of domestic violence.

Funding from the City of Pompano Beach's Community Development Block Grant (CDBG) program will enable Women In Distress to maintain a seamless continuation of emergency shelter and supportive services to City of Pompano Beach residents affected by domestic violence. This funding will help us provide up to 114 nights of safe housing (at \$131.70 per emergency shelter night) and supportive services from October 1, 2022 through September 30, 2023. Pompano Beach survivors and their families will receive services, including the 24-hour crisis hotline, advocacy, counseling, therapy (individual and group for adults, children and families), education and prevention, domestic violence education and safety planning, legal services and economic empowerment assistance.

Last fiscal year, WID provided 372 residents of Pompano Beach with domestic violence services valued at \$521,000 to include:

- 2,495 nights of safe shelter
- 1,260 hours of advocacy
- 2,324 hours of counseling and therapy (individual and group)
- 335 residents participated in group support/family enrichment activities
- 85 calls to the 24-hour crisis hotline

In addition, 42 residents obtained Injunctions for Protection (restraining orders) with the assistance of WID's legal team, and 276 students and adults attended domestic violence education provided by our Education and Prevention team.

WID will provide the following services to meet the needs of Pompano Beach residents affected by domestic violence:

**Emergency Shelter:** Domestic violence survivors are provided safe and secure shelter for up to 90 days including: food, transportation, advocacy, therapy, counseling, food vouchers,

**Our mission is to stop domestic violence abuse for everyone through intervention, education, and advocacy.**

### SCOPE OF WORK (CONTINUED)

and housing relocation assistance. Last fiscal year, more than 60% of our shelter population served were children ranging in ages from newborns to teens. Our doors have remained open throughout the COVID-19 pandemic with social distancing and increased cleaning methods enforced to maintain the safety of shelter residents. Last fiscal year, WID provided 475 survivors with 25,828 nights of safe shelter.

**24-Hour Crisis Hotline:** The Crisis Hotline (954-761-1133) operates 24-hours a day, 7 days a week to provide around-the-clock emergency intervention, counseling, safety planning, advocacy, referrals, and information on available services. Last year, WID answered 15,301 hotline calls, which was the most calls handled by any of the 41 domestic violence shelters in Florida.

**Advocacy and Support:** Advocates serve as a support system for survivors living in our shelter, as well as those living in the community. They develop safety plans that meet their individualized needs, facilitate support groups, provide case management, and identify services and community resources to help survivors transition out of an abusive relationship and into safety. Last fiscal year, WID completed over 5,000 safety plans for survivors and their children.
