

**Pompano Beach  
Fire Rescue**

**FIRE ADMINISTRATION  
MEMO # 17-A136**

**To:** John Jurgle, Fire Chief  
**From:** Frank Galgano, EMS Division Chief  
**Date:** 10/11/17  
**Re:** Resolution – Health Care Agency Affiliation Agreement

---

As a Fire Department providing emergency paramedic services to the public, it is also a service to the community to be able to provide education and training to enrolled students pursuing a path in Emergency Medical Services (EMS.) This calls for a resolution to enter into a renewed Health Care Agency Affiliation Agreement between the City of Pompano Beach and City College, Inc. This opportunity will allow students to be able to ride with the Fire Department's ambulances as an observer and gain further education and valuable field training.

Please find attached the necessary documents to bring a resolution before the City Commission for their approval.
