POMPANO BEACH

FY 2025 ANNUAL POMPANO BEACH PUBLIC ART PLAN

RECOMMENDED
FISCAL YEAR

2025

ANNUAL PUBLIC ART PLAN

FY 2025 Annual Public Art Plan

In accordance with Chapter 160.04(F), the Public Art Committee is responsible for submitting an annual report to the City Commission each year at the end of the 12-month term. The report will describe the Committee's accomplishments, give the status of current projects, provide information on future plans, and include an inventory of public art in the city.

Proposed & Current Projects

Proposed Projects Planned for FY 2025

- Underwater Sculpture Round 4 (District 1) (\$42,000; \$35k for project, \$7k for sinking and videography)
- Southern Boating Media Mural (District3) (\$37,000)
- Pompano Beach Cultural Center Entrance Mosaic Mural (District 3) (\$75,000; funding for this project has been re-allocated from other projects)
- Utility Box Rewrapping/Wrapping (All Districts) (\$18,000 funded through Utility Fund)

Operating/Personnel Budgets

- Program Management (\$46,264)
- Professional Education (\$1,000)
- Maintenance (\$20,200)
- Operations (\$5,000)
- Operations Contingency (\$8,000)

Total Appropriations: \$282,464.00

TOTAL APPROPRIATIONS FROM PUBLIC ART FUND: \$189,4649.00

TOTAL RE-APPROPRIATION FROM OTHER PROJECTS IN PUBLIC ART FUND: \$75,000

TOTAL APPROPRIATION FROM THE UTILITY FUND: \$18,000

REMAINING AVAILABLE UNCOMMITTED PUBLIC ART FUND BALANCE: \$156,378.00

= As of October 2024

Proposed Projects Planned for FY 2025 Descriptions

- Underwater Sculpture Garden Round 4 (District 1) (\$42,000): This program takes place every two years. This will be the fourth sculpture as part of this program. An Artist or artist team will be commissioned to design, fabricate, and install an artwork. The sculpture will be installed on-land at the beach for a period of one year before it is sunk and attached to the *Lady Luck* in Shipwreck Park. The artwork itself has a budget of \$35,000 and a \$7,000 budget for installation and other fees concerning installation and documentation.
- Southern Boating Media Mural (District3) (\$37,000): The Committee will commission an artist or artist team to design and install a mural to be located on the west exterior wall of 1591 E. Atlantic Blvd. The wall is approximately 1450 square feet. The theme of the mural has not yet been decided. The City will also enter into a Lease Agreement with Southern Boating Media

for use of the wall space. Southern Boating Media has agreed to prime the wall prior to installation of the mural and will be involved in the mural selection process.

- Pompano Beach Cultural Center Entrance Mosaic Mural (District 3) (\$75,000): The City will commission an artist or artist team to design, fabricate, and install a mosaic mural at the north entrance to the Pompano Beach Cultural Center. The theme of the mural as not yet been decided. The mural can be a square, rectangle, or shape representing the building; the footprint of the mural will be within 22 ft. tall by 10 ft. wide. The funding for the project will be re-allocated from a previously canceled project.
- Utility Box Rewrapping/Wrapping (All Districts) (\$18,000 funded through Utilities Fund): The City has wrapped multiple utility boxes with artistic vinyl wraps over the past nine (9) years. The goal of the program is to reduce blight along the corridors by transforming a utility box into a piece of art. This beautification effort will enhance the experience of all those visiting the corridors and will help to prevent boxes from being vandalized, primarily with posters. Due to wear and tear of the vinyl wraps and the addition of new utility boxes within the City, the Public Art Committee plans on wrapping the new utility boxes as well as rewrapped older utility boxes that are in need of repair.

Administration and Maintenance

- Maintenance (\$20,200): a of the cost of permanent work will be reserved for maintenance and used as needed.
- Professional Education (\$1,000): This funding is set aside for Public Art Conferences and continued education on the Public Art spectrum.
- Program Management (\$46,264): The Public Art Program has grown to a level that requires an individual dedicated to the management as his/her sole responsibility.
- Operations (\$5,000): This funding is set aside to operate the program. Expenses could be used for areas such as permitting, supplies, printing, administrative expenses, minor project needs, etc.

In Progress Projects

- Underwater Sculpture Garden Round 3 (District 1)
- Additional Painted Pompano Sculpture Project (Districts 2 & 3)
- Community Park Sculpture on Federal Highway (District 3)
- Mosaic Team Term 3 (District 4)
- Blanche Ely High School Mural (District 4)
- Powerline Road Sculpture (District 5)
- Herb Skolnick Center (District 5)

Project Descriptions

- **Underwater Sculpture Garden Round 3:** This program takes place every two years. This is the third sculpture part of this program. The City has entered into an Agreement with artist Velvet Anvil. The artist is currently working on fabricating the artwork entitled *Seahorse*. The sculpture will be installed on-land at the beach for a period of one year before it is sunk and attached to the *Lady Luck* in Shipwreck Park. The artwork itself has a budget of \$35,000 and a \$7,000 budget for installation and other fees concerning installation and documentation.
- **Additional Painted Pompano Sculpture Project:** The City will commission two (2) artists from the past and current BaCA Artists in Residence (AiR) classes to paint a prefabricated Painted Pompano sculpture that will be placed at Lyons Park and a location in District 2. A Call to Artists has been posted for the Lyons Park sculpture. The location for the District 2 sculpture is still in discussion.
- **Community Park Sculpture on Federal Highway:** A major outdoor sculpture to be located in Community Park in District 3. The total budget for the project is \$150,000.00. Selected artist will be responsible for the design, fabrication, and installation of the artwork. Staff is currently working on a location and Call to Artists for the project.
- **Mosaic Team Term 3:** The Mosaic Team is a multi-year program that consists of mosaic artworks created and installed by five (5) apprentices, under the leadership of a lead artist. Under Ordinance # 2023-26, Sonata Kazimieraiteine has been approved as the lead artist for the project. She is responsible to pay the apprentices \$3,000.00 each for a total of \$15,000.00 each year. The design for the project has been approved under Resolution # 2023-188. The first phase of the design has been installed, which consists of 27 mural painted columns under the I-95 overpass on Dr. Martin Luther King Jr. Blvd. The second phase, which consists of 100 handmade mosaic tiles to be installed in the sidewalks leading up to the overpass, is set to be installed in the fall of 2024.
- **Blanche Ely High School Mural:** At its September 25, 2018, the Commission directed the Public Art Committee to research and commission a mural at Blanche Ely High School. The Public Art Committee will be placing the mural on an exterior wall located at Blanche Ely High School, as approved under Resolution # 2019-123. The City is in Agreement with Andrew Hayes for the project. The City and the School Board are set to complete their License Agreement for wall usage in December 2024. Once in full execution, the project will begin and will be completed by Summer 2025.
- **Powerline Road Sculpture:** The City is currently working with Innovative Sculpture Design to design, fabricate, and install a free-standing sculpture entitled *Vivacious* to be located on the east side of Powerline Road and McNab Road. This will be an entryway sculpture. The City will also be entering into an Agreement with with Pompano Park JV Land Holdings LLC. to lease the land located on Harrah's Pompano Beach Casino. Pompano Park JV Land Holdings LLC. will be responsible for the foundation and exterior lighting of the sculpture. Project completion is TBD.

- Herb Skolnick Center: The City is currently in Agreement with artist Stacia Goodman Mosaics for a commissioned mosaic mural to be located on the exterior of the Herb Skolnick Center. Mural tentatively set to be completed by April 2025.

12 fish placed throughout the City. (3 Fish have been decommissioned.)
Sculpture Pictured by Magnus Sebastian
Installed 2015.

Grants Awarded

District 4

Community Foundation of Broward Grant
Artistic Acoustic Sound Panels
Awarded 2023.

The City was awarded a Community Foundation of Broward Grant for the *Artistic Acoustic Sound Panels* project. The City's Public Art Manager is working with the Parks and Recreation Department and Artist Team Manzi Lui and Gregory Dirr on the project which involved multiple community engagement activities at the Senior Activity Center and culminated with four (4) artistic acoustic sound panels that will be installed inside the Center located at 2005 NW 9th Street, Pompano Beach.

The project will be completed in FY 2025.

(Photos below are mockups for final designs.)

District 3
Community Foundation of Broward Grant - Art of Community
Asphalt Art - The Crossroads Connection
Awarded 2020.

The City was awarded the Community Foundation of Broward Grant- Art of Community Grant. The City, who's grant is entitled *Asphalt Art; The Crossroads Connection*, commissioned South Florida artist Bill Savarese to hold community engagement activities that served as inspiration in designing the 12 street art murals. This project involved community volunteers, local artists, and various city departments including the Utilities Department in the production of public art in pedestrian space creating street art on asphalt and storm drains. The storm drains, in particular, focused on the importance of keeping our waterways clean and not littering. Whether called street paintings, sidewalk paintings or asphalt art, street art has the ability to turn ordinary pavement into a canvas. The project is located along the City Hall/Cultural Center/Library portion of the Pompano Beach Crossroads Corridor. To date, the Crossroads Corridor Project has created a one-mile trail of public art, performance art, "drop-in" activities, and literary events that help connect our residents, businesses and visitors to each other.

Below pictured an aerial of the 4 Asphalt Murals and one of the Storm Drain Murals. 8 Storm Drain Murals installed in 2021 and 4 asphalt murals installed in 2023. Storm Drain Murals were destroyed during City Roadwork in 2022 and have been reinstalled.

Innovation District
Pompano Beach Crossroads
Awarded 2017

The City received a \$100,000 Our Town “creative placemaking” grant from the National Endowments of the Arts (NEA) for a two-year grant period October 2017 – September 2019. *Pompano Beach Crossroads* is a collaborative project of the City and Community Redevelopment Agency (CRA). Projects associated with the Grant are featured in the City’s Creative Arts District. Public Art Projects completed associated with this Grant to this date are the *Trail of the Honey Bees*, a *Painted Pompano Round 2* sculpture located at the Cultural Arts Plaza, multiple murals located in Artists Alley, and *We Go Together*.

Public Art Video Series

The Cultural Affairs Department and the Public Art Committee understand the need to adapt with these very unique times. The Department and the Committee have begun a Public Art Video series in order to inform and educate the public. These videos help create awareness as well as provide outreach. The videos also serve as a way to archive the Public Art projects and programs.

Paused Projects

- Cultural Center Crosswalk: This project is on hold for funding to be used for possible grant opportunities.
- Modernized Oceanside Sculpture (A.K.A. A1A & Atlantic Boulevard Median Sculpture): An artist/artist team will be commissioned to design, fabricate and install a free-standing sculpture located at the median of the terminus of Atlantic Blvd (intersection of Atlantic Blvd. and A1A). The sculpture's theme is modernizing the Oceanside sculpture that used to be placed near this location. Any necessary engineering and permitting will be the responsibility of the artist. The Call to Artists has been approved by the Public Art Committee. The Committee is currently looking for a location for the project and hopes to work with a developer.
