WHEREAS, the Agency adopted Resolution No. 2026-03 on October 29, 2025 (the “Supplemental Resolution”), which is attached hereto as Exhibit A, supplementing the Master Resolution, pursuant to which, among other matters, it determined that it is necessary, desirable, and in the best interests of the Agency and serves a paramount public purpose to finance (including through reimbursement) all or portion of the Cost of the Additional Redevelopment Project, the components of which are in the Redevelopment Plan. WHEREAS, due to the volatility of the market for instruments such as the Authorized Additional Bonds, and the complexity of the transactions relating to the Authorized Additional Bonds, the Agency determined in the Supplemental Resolution that it is in the best interest of the Agency for each Series of Authorized Additional Bonds to be sold by a delegated, negotiated sale, rather than at a specified advertised date, in order to permit each Series of Authorized Additional Bonds to be sold at the most advantageous time and to obtain the best possible price and interest rates per annum for each Series of Authorized Additional Bonds; and

WHEREAS, the Agency desires for the City Commission to approve the adoption by the Agency of the Supplemental Resolution and the issuance by the Agency of the Authorized Additional Bonds thereunder, subject to the conditions to the issuance of each Series of Authorized Additional Bonds as contemplated by the Master Resolution, as supplemented by the Supplemental Resolution (collectively, the “Bond Resolution”);
