I am writing in response to a petition by Turks Capital Acquisitions to change the land use for property on N Ocean Blvd. My husband and I have lived here for 7 years. We love living here - it's a beautiful down-to-earth beach town! Unfortunately, over the past few years, huge buildings have become the norm along A1A changing the landscape. Please, enough is enough! We are a barrier island and there are zoning laws for a reason! Say no to the amendment!

Sincerely
