

Memorandum No. 22-05

DATE: April 27, 2022

TO: Carla Byrd,

FROM: Tammy Good, PMP, CIP Manager
Gary Eagle CGC, Project Manager

SUBJECT: E-11-22 Airpark Parcel Y – Bid Award Recommendation

On April 12, 2022 bids were opened for the above referenced project. The lowest responsible bidder was Lanzo Construction Company Inc in the amount of \$538,427.00.

It is my recommendation to award this contract to the lowest responsive bidder to install an entrance road and utility infrastructure on the west side of the airport on NE 5th Street adjacent the City Sand and Spur Equestrian Park and Goodyear Blimp Base. These improvements will provide direct access to Pompano Aviation and its tenants. The project will include a new 22.0' wide paved roadway, pavement markings, drainage swales, 6" force main and 12" water main. The intent is to provide a new access road and utilities to the Airpark tenant prior to build out of new hangar building.

The references supplied by Lanzo Construction Company Inc. consisted of similar work previously performed at other municipalities, which indicate the contractor is adequately experienced to perform this scope.

For reference, the letter of recommendation provided by the engineer of record and the Bid Award Recommendation form are attached. Please prepare an agenda package to be presented to City Commission for approval at the May 10, 2022 meeting.

Should you have any questions, please do not hesitate to contact me at extension 5512.
