“Subcontract” means any agreement, purchase order, or similar legally binding instrument, including amendments or change orders thereto, entered into for the purpose of furnishing labor, supplies, materials, equipment and/or services for the performance of any work required to complete each LBE Project (excluding the Construction Agreement with the General Contractor for each LBE Project).

“Subcontractor” means any contractor, subcontractor, vendor, supplier or materialmen supplying goods or services in connection with the construction of each LBE Project (excluding the General Contractor for such project).

Section 25.2. Local Business Enterprise Participation Goal.

- (a) Incorporate the LBE Participation Goal in all applicable Construction Agreements with General Contractors for the LBE Project.
- (b) Either directly or through its General Contractor and in collaboration with the City, take steps to identify potential LBE General Contractors and Subcontractors, as Developer may deem appropriate to encourage and promote the participation of LBEs, including, without limitation:

 - (iv) Identifying potential small businesses who may qualify for certification by the Broward County OESBD as a potential SBE or CBE, and encouraging those firms to contact the Broward County OESBD to pursue and obtain their certification.

(c) Prior to Commencement of Construction for an LBE Project, cause for its General Contractor to provide the City Contract Administrator with the following information:

(e) Cause for its General Contractor to provide an annual LBE Utilization Report, on a form reasonably approved by the City Contract Administrator. At a minimum, the annual LBE Utilization Report for each LBE Project must specify the amounts paid to each LBE and the cumulative progress made toward satisfaction of the LBE Participation Goal for each LBE Project.

(f) Notwithstanding any provision to the contrary herein, if prior to the execution of the Construction Contract for the Master Infrastructure Project, the City or CRA secures federal or other grant funding for the Master Infrastructure Project which prohibits the use of grant funds for projects with an LBE Participation Goal, the provisions of this Section 25 shall not apply to the Master Infrastructure Project.

(g) Notwithstanding anything contained in this Amendment or the Development Agreement to the contrary, the terms of Section 24.2 and this Article 25 are contained in this Amendment solely for purposes of encouraging workforce housing and local participation in the LBE Projects, and any failure or inability to comply with such terms shall not give rise to a Default or Event of Default by Developer under the Development Agreement or this Amendment.

(h) To the extent it is feasible, Developer will recommend LBE participation by third parties in the development of the private pads.

6. **Community Benefits Trust.** In an effort to provide community benefits to enhance the quality of life in areas surrounding the Master Project and to further promote the general safety and welfare of the neighboring communities and to provide other tangible benefits to the general public including cooperation with local community organizations, Developer has agreed to establish a community benefits trust (the “**CBT**”), to be formed following the Amendment Effective Date, pursuant to and in accordance with a Community Benefits Plan substantially in the form attached hereto as Exhibit A. Notwithstanding anything contained herein to the contrary, in the event Developer’s receipt of its distribution of Net Land Sales Proceeds pursuant to Section 16.3 of the Development Agreement is insufficient to satisfy a

Land Sales Donation in any given year, that portion of the Land Sales Donation which is not donated in such calendar year shall be donated by Developer in subsequent calendar years as and to the extent Developer's receipt of Net Land Sale Proceeds may allow.

7. **Development Agreement Amendments.** For purposes of clarification only and in accordance with Section 4.2 of the Development Agreement, Section 2.5(d) is hereby amended to add the following examples of amendments that are not material amendments under the Development Agreement:

(vii) Amendments to timelines, schedules and Milestone Dates set forth in the Development Agreement, including without limitation, amendments contemplated by Section 13 of this Amendment;

8. **City Hall and Municipal Parking Garage Concept Plans.** In accordance with Section 2.5(e), the Parties hereby acknowledge that the design concepts for the Civic Building Projects associated with the City Hall Project and municipal parking garage have been approved by the City Commission.

9. **Public Financing Election.** Pursuant to Section 2.5(c) of the Development Agreement, the City and/or CRA have elected to obtain public financing for all Civic Building Projects in lieu of the Build to Suit Lease structure contemplated by the Development Agreement. Accordingly, and notwithstanding anything contain in the Development Agreement to the contrary, the City and/or CRA hereby agree to promptly apply for public financing required to pay all costs and expenses in connection with the Master Project and all Civic Building Projects, and thereafter diligently pursue and obtain such public financing in a timely manner such that the Master Project and all Civic Building Projects may be developed within the timeframes agreed to by the Parties.

10. **Performance Payments.** Section 5.5 of the Development Agreement is hereby amended to deleted subsections (d) and (e) and replace such subsections with the following provisions:

(d) The Performance Payment for each Civic Building Project shall be paid to Developer in three (3) installments (each, a “**Performance Payment Installment**”) as follows:

than 1,600,000sf GLA. City and CRA agree to timely cooperate with Developer's completion of the Master Infrastructure Project in a manner that will not result in a delay of the payment of the foregoing Performance Payment to Developer.

- (iii) One third (1/3) of the Performance Payment shall be paid to Developer within ten (10) days following the issuance of a certificate of occupancy, or its functional equivalent, for the Civic Building Project by the applicable governmental authority.

11. (e) **Distribution of Sales Proceeds for RD Property.** The waterfall split for Net Land Sales Proceeds is hereby amended by deleting Exhibit E of the Development Agreement and replacing such exhibit with Exhibit B attached to this Amendment. All references to Exhibit E in the Development Agreement shall hereafter refer to Exhibit B of this Amendment.

12. **Modification of Project Related Administrative Matters.** The parties hereby acknowledge and agree that certain modifications to the timelines, schedules, Milestone Dates, fees and other project related administrative matters set forth in the Development Agreement require adjustment consistent with the terms and conditions of this Amendment. Following the Amendment Effective Date, Developer, City and CRA, by and through the City Contract Administrator, agree to work cooperatively to make such modifications and adjustments to the Development Agreement and will execute an amendment to the Development Agreement to memorialize same.

13. **Priority of Amendment.** Except as amended and modified by this Amendment, all of the terms, covenants, conditions, and agreements of the Development Agreement shall remain in full force and effect. In the event of any conflict between the provisions of the Development Agreement and the provisions of this Amendment, this Amendment shall prevail.

14. **Authority.** Each Party warrants to the other that the person executing this Amendment on behalf of the warranting party has the full right, power and authority to enter into, and execute this Amendment on that party's behalf, and that no consent from any other person or entity is necessary as a condition precedent to the legal effect of this Amendment. City and CRA hereby each affirm that no breach or default by Developer has occurred under the Development Agreement, and no event has occurred which after the giving of notice or the passage of time, or both, would constitute such a breach or default under the Development Agreement by Developer. Developer affirms that as of the Amendment Effective Date, there is no uncured breach or default by City or CRA under the Development Agreement, and no event has occurred which after the giving of notice or the passage of time, or both, would constitute such a breach or default under the Development Agreement by City or CRA.

Signatures to this Amendment, any amendment hereof and any notice given hereunder, delivered electronically via .pdf, .jpeg, .TIF, .TIFF or similar

electronic format shall be deemed an original signature and fully effective as such for all purposes. Each party agrees to deliver promptly an executed original of this Amendment with its actual signature to the other party, but a failure to do so shall not affect the enforceability of this Amendment, it being expressly agreed that each party to this Amendment shall be bound by its own electronically transmitted signature and shall accept the electronically transmitted signature of the other party to this Amendment.

16. **Joint Preparation.** The preparation of this Amendment has been a joint effort of the parties and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

17. **Captions.** The title of this Amendment and the headings of the various articles, sections and subsections have been inserted only for the purpose of convenience, are not part of this Amendment and shall not be deemed in any manner to modify, explain, expand or restrict any of the provisions of this Amendment.

18. **Severability.** If any provisions of this Amendment or the application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this Amendment and the Development Agreement, and the application of such provisions to persons or situations other than those as to which it shall have been held invalid or unenforceable, shall not be affected thereby, and shall continue valid and be enforced to the fullest extent permitted by law.

19. **Entire Agreement.** Except as otherwise expressly provided herein, this Amendment and the Development Agreement constitute the entire agreement of the parties hereto with respect to the matters addressed herein and supersedes all prior or contemporaneous contracts, promises, representations, warranties and statements, whether written or oral, with respect to such matters.
