RE: Clarification of File Number Identification Change From File Number 17-102 to File Number 17-444 – GC HILLSBORO SHORES LLC.
P & Z #15-92000004 HILLSBORO SHORES

P&Z # 15-92000004

Please be advised that the Hillsboro Shores Land Use Plan (LUPA) Amendment that went to first reading on December 13, 2016, and was identified as File number 17-102, has now been changed to File number 17-444. The reason for this change is due to the fact that after the LUPA was sent to the Broward County Planning Council, their staff asked that it be amended to exclude the Intracoastal Waterway from the gross acreage. As a result, the Development Services Staff had the request be reheard by the Local Planning Agency (Planning & Zoning Board) on April 26, 2017, and then reheard by the City Commission on May 23, 2017 as File 17-444. This latest file number is the new number that will be used for the Hillsboro Shores LUPA request when it has a second reading after it returns from being heard at the Broward County Commission.

Thank you.
