**SUBJECT: \$200,000 Reuse Grant Agreement Execution with Broward County**

---

This grant is for phase two of the Lighthouse Point contract and will be used to construct reuse transmission and service lines. Phase II which is the Marina area, will be funded through a cost share effort with Broward County and the City's Capital Improvement Plan (CIP). The County will contribute 40%, not to exceed \$200,000.

The reuse expansion is a multiyear and multijurisdictional project. The first phase of the project began on November 7, 2017 and involves construction of a trunk line from the NE portion of Pompano Beach into Lighthouse Point.
