TO: Mary Rivero ,General Services Director

FROM: Anthony Alhashemi, Project Manager

SUBJECT: Lift Station 92 Rehabilitation– Bid Award Recommendation E-06-24

On February 27, 2024 bids were opened for the above referenced project. The lowest bidder was Southern Engineering Contractors, Inc., with a construction cost of \$1,496,789.00.

The references supplied by Southern Engineering Contractors, Inc. have been checked and the above-mentioned contractor has performed multiple successful construction projects with the City of Pompano Beach and other local municipalities.

Being the low bidder, coupled with favorable references, it is my recommendation that the award of this contract be made to Southern Engineering Contractors, Inc., in the amount of \$1,496,789.00.

One Executed Bid Award Recommendation form is attached. Please prepare an agenda package for inclusion on the City Commission agenda for approval for the first meeting on May 14, 2024.

A Budget Adjustment is in progress to address the shortfall in the account.
