STIPULATION, SETTLEMENT and
MASTER PLAN AGREEMENT
FOR PALM-AIRE

In consideration of the mutual promises herein contained and in order to resolve and settle all pending litigation between the parties as is more particularly described in Exhibit "A" attached hereto, the City of Pompano Beach, a municipal corporation of the State of Florida, ("City") and FPA Corporation, a Delaware corporation authorized to do business in the State of Florida, ("FPA"), its successors and assigns, agree as follows:

Section 1. Preamble and Intent of the Parties.

1.1 Palm-Aire is a residential and recreation development consisting of approximately 1,750 acres located within the City of Pompano Beach, Florida, as more particularly described on the Pompano Beach Land Use Plan Map as being circumscribed with dotted lines with a maximum density of 7 dwelling units per acre. FPA is the developer of Palm-Aire.

1.2 The maximum number of residential dwelling units permitted to be developed within Palm-Aire under the Broward County Land Use Plan and the City of Pompano Beach Land Use Plan is 10,631.

1.3 The City and FPA wish to enter into a Master Plan agreement to distribute the land uses and residential dwelling units within Palm-Aire in accordance with the requirements of the Broward County Land Use Plan, the Pompano Beach Land Use Plan and the requirements of the City's Zoning Code.

Section 2. Approval of Master Plan and Distribution of Dwelling Units.

FPA and the City agree that distribution of land uses within Palm-Aire shall be as provided in the "Palm-Aire Master Plan" attached as Exhibit "B". FPA and the City further agree that the distribution of dwelling units within Palm-Aire shall be as provided in the "Palm-Aire Unit Summary" attached as Exhibit "C", except as provided in Section 7 below. The City Planning Department shall verify the unit count contained in Exhibit "C" and any discrepancy shall be corrected.

Section 3. Update of Traffic Study. FPA agrees that within ninety (90) days of the execution of this Agreement, that FPA will provide the City with an update of the Palm-Aire Traffic Study performed by Kimley-Horne & Associates. FPA further agrees that it will provide the City with an update

of this traffic study on an annual basis to be performed by an independent traffic engineer acceptable to the City beginning one year from the date of this Agreement and ending when the last site plan completing all development within Palm-Aire has been approved by the City.

Section 4. Transportation Improvements within Palm-Aire. FPA and the City recognize that future development within Palm-Aire may result in the need for additional transportation improvements within Palm-Aire. FPA recognizes that, as the developer of Palm-Aire, FPA is responsible for the development of an internal transportation system sufficient to accommodate all growth within Palm-Aire regardless of the ultimate ownership of the individual parcels within Palm-Aire. Accordingly, FPA agrees to be responsible for the installation of all transportation related improvements indicated to be needed by the Palm-Aire traffic study as updated as provided in Section 3 above, or as determined to be needed by mutual agreement between FPA and the City.

Section 5. Drainage Plan. The City recognizes that FPA has planned and arranged the recreational land within Palm-Aire in such a manner as to provide for the drainage requirements of the residential land and the arrangement of these drainage facilities is unique to Palm-Aire. Accordingly, in recognition of the drainage plan for Palm-Aire, the City agrees that a proper use of the golf courses within Palm-Aire is for the drainage and retention requirements of the residential areas and that this use is consistent with and does not alter the primary recreational use of the golf course and that the utilization of the golf course in this manner is consistent with the requirements of the RZ-1 zoning district, subject, however, to the review and approval by the Planning and Zoning Board of all new drainage facilities except those drainage facilities associated with the development of Palm-Aire North Course Estates Section 4.

Section 6. Zoning Districts. All undeveloped residential property within Palm-Aire shall be developed consistent with the City's existing RC-1 zoning district unless application is made by FPA for a rezoning to another zoning district, and said application is approved by the City. Notwithstanding the above, the residential density within Palm-Aire shall be controlled by the effective land use plan and this Agreement. The City agrees that all existing densities within Palm-Aire were developed in conformance with the City's Land Use Plan and land development regulations in existence at the time of said development and are consistent with all applicable zoning and

land development regulations, and, FPA agrees that the City may rezone developed areas within Palm-Aire to more closely reflect the existing uses and densities.

Section 7. Allocation and Reallocation of Remaining Units.

7.1 As Exhibit "C" indicates, there are 326 permitted dwelling units that are unallocated to a specific parcel within Palm-Aire. The parties agree that the remaining unallocated dwelling units may be utilized by FPA to increase the density on any residential parcel which is subject to this Agreement over and above the density otherwise provided for in this Agreement, subject to the approval by the City of a site plan which includes the increased density and subject to the payment of any additional impact fees that may be required by Broward County.

7.2 The parties further agree that if FPA constructs less than the number of units permitted on any parcel as depicted on Exhibit "C", the unbuilt dwelling units shall be added to the number of remaining dwelling units provided for in 7.1 above, and shall be allocated as provided in Section 7.1 above.

7.3 It is acknowledged that City approval is a condition precedent to any change in land use density from those densities provided in Exhibit "C".

Section 8. Agreement as Order of the Court. The parties agree to submit to the appropriate courts, this Stipulation, Settlement and Master Plan Agreement for approval and adoption into a final order which shall be binding and enforceable as against the parties.

Section 9. Recordation. This Agreement shall be recorded in the Public Records of Broward County, Florida and the terms of this Agreement shall be a covenant running with the land, and shall be binding as to all successors in interest to FPA.
