3. If the party receiving written notice of default provides written notice denying same within ten (10) calendar days of receipt or the alleged default has not been remedied within ten (10) calendar days after receipt of written notice and is continuing, either party may appeal in writing to the City Manager for the CITY in accordance with Article 11 herein.

Upon receipt of said written appeal or demand, the City Manager for the CITY may request additional information relating to the dispute from either or both parties which shall be provided within a reasonable time. Upon the City Manager's receipt and timely review of the disputed matter, the City Manager may make a decision regarding the alleged default as he/she deems appropriate under the circumstances. If the City Manager's decision is not implemented within the deadline set forth therein, the forty-five (45) day advance written notice provision set forth in Article 11 herein shall not apply and it shall be lawful for CITY to immediately terminate this Agreement and in addition to any other remedies provided by law, CITY may possess itself of all rights and privileges heretofore enjoyed by LEAD ARTIST.

Upon receipt of such notice, LEAD ARTIST shall use commercially reasonable efforts to discontinue all services hereunder to the extent indicated on the notice of termination. CITY shall be responsible to pay LEAD ARTIST any monies to which LEAD ARTIST is entitled for the WORK satisfactorily completed through the date of termination. LEAD ARTIST acknowledges that LEAD ARTIST has received good, valuable and sufficient consideration from CITY, the receipt and adequacy of which are, hereby acknowledged by LEAD ARTIST, for CITY's right to terminate this Agreement for convenience and LEAD ARTIST hereby waives any and all rights to challenge the adequacy of such consideration or the validity of CITY's right to terminate for convenience.

Further, the acceptance of a single or repeated payment(s) by CITY after it falls due or after knowledge of any breach by LEAD ARTIST shall not be construed as a waiver of any of the CITY's rights hereunder.

CITY and LEAD ARTIST may request changes to modify certain provisions of this Agreement, including increasing or decreasing the scope of services to be provided. DEADLINE: June 30, 2016

INTRODUCTION

The City of Pompano Beach is looking to commission an artist/artist team for the design and fabrication of four (4) separate mosaic mural projects to be completed over two (2) years. This program will connect multiple cultural facilities. The selected artist will be considered the lead artist and is required to select five (5) apprentices to teach and help in the process of fabrication and installation. The mosaic projects include artwork at the following locations:

- Trail of Honey Bees (This will include multiple mosaic murals and ceramic sculptures to stretch from I-95 on MLK Blvd to Bailey on NE 1st St at NW 1st Ave.)*
 - The theme for this project is *Trail of the Honey Bees*. This trail will connect the community through artwork and education. The focus of the mosaics should be on the honey bee and all vegetation it helps pollinate (i.e. beans, starfruit, peppers, cucumbers, mangos, etc.). To United States agriculture alone, the annual value of honey bee pollination can be counted in billions of dollars. Bees pollinate about one-sixth of the world's flowering plant species and some 400 of its agricultural plants. The source of the honey bee image can be seen in the metal railings of the Ali Building's roof parapet. This honey bee railing design will be repeated in the north entrance to the new performance space. The *Trail of the Honey Bees* will encourage a spirit of unity to connect both sides of Dixie Highway and foster the Creative Arts district. This unique sequence of honey bees and their pollination patterns will trigger spectators' curiosity and send visitors looking for the next artwork along the trail;
- Music Leads the Way (Pompano Beach Amphitheater)*
 - The theme for this project is *Music Leads the Way*. This will also be a trail. It will spread throughout the Pompano Beach Amphitheater. The Amphitheater is a 3,000 seat open-air performing arts theatre that hosts exceptional artists and events in North Broward's venue for art, music, and culture. The artist will come up with music themed mosaic murals and ceramic sculptures that will be placed and secured within the amphitheater on the walls, ground, etc.
- I-95 bridge over MLK Blvd; and
- Charlotte Burrie Community Center.

*= to be completed first

Projects may be subject to change.

Additional details on project requirements will be provided once the artist is chosen.

The City will set specific deadlines for the projects and must approve all designs before fabrication. Staff must inspect and approve each project during the following phases of completion: 10%, 25%, 50%, and 90%. After the two year contract is complete, the City has the option to extend the contract on a yearly basis.

The call is open to all artists with experience in creating mosaic artwork who are residents of South Florida. Teaching experience is preferred but not required. Selected artist should demonstrate expertise in knowledge of artistic excellence within the mosaic, tile making and ceramic discipline. Selected artists are also required to have Specialty Insurance Coverage.

Apprentices must be covered under the lead artist's insurance and are required to be covered up to one million dollars and indemnify the City of Pompano Beach. The City will also need to be additionally insured under the artist. A background check on the lead artist will be performed.

REQUIREMENTS FOR APPRENTICES

The lead artist must select five (5) apprentices that will assist the lead artist in the installation and fabrication of the mosaic murals. The selection of the apprentices will take place after the lead artist has been chosen and must be covered under the lead artist's General Liability Insurance. The City must approve the selected apprentices. The lead artist will teach the apprentices about the process of mosaics and tile/ceramic making. The lead artist is required to spend at least five hours a week dedicated to working with the apprentices. Apprentices will also be assisting the lead artist in the fabrication and installation of the projects. It is important to note that the lead artist will be in charge of the over-all design of the murals, scheduling and development of the teaching program and payment schedule. Apprentices must meet these requirements,

- Apprentices must be 18 and over;
- All 5 apprentices selected must be either students, residents or work in Pompano Beach;
- Apprentices are required to assist the lead artist in the creation and installation of all mosaic murals; and
- Apprentices must be enthusiastic about learning the mosaic and ceramic craft.
- Apprentices will be subject to a background check.

The apprentices will be paid by the City a total budget for all five apprentices of \$15,000.00 per year (\$30,000.00 for two years). The City will provide a payment schedule.

MATERIALS

The lead artist is responsible for the purchasing of materials. The City will provide studio space at the Bailey for the lead artist and apprentices to work at. The mosaic discipline includes a wide variety of materials, dimensions, shapes, and sizes. A range of materials includes ceramic mosaic, glass mosaic, cut granite, porcelain enamel, stainless steel, aluminum, faceted or laminated glass or any other material that is durable, maintenance free, impervious to elements and vandalism and is able to retain its form and color. These materials may be used individually or in combination with each other within a wider latitude of possibilities. All materials and fabrication techniques must meet the challenges of the climate, such as heat and rain. The finished panels must be flat on the surface with no sharp edges and all edges are to be sanded down. These mosaic murals will create a sense of continuity and connection. Small ceramic sculptures and objects are also allowed.

ARTWORK PURCHASE BUDGET

The purchase budget established for the project is \$35,000.00 per year; a total of \$70,000.00 for the two year contract. The price will include all insurance, taxes and fees. Within the fee, the artist will make recommendations to the city regarding the permanent sites. A payment schedule will be appointed for the lead artist once the lead artist has been selected.

BACKGROUND ON POMPANO BEACH

Pompano Beach is a city located in Broward County along the coast of the Atlantic Ocean, just north of Ft. Lauderdale. The nearby Hillsboro Inlet forms part of the Atlantic Intracoastal Waterway. In 2013, the City adopted the Pompano Beach Cultural Arts Master Plan. The plan supported cultural arts for the Public Beach Cultural Center at Bailey Contemporary Arts, the Ali Building and the Pompano Beach Amphitheater. The Cultural Arts Master Plan sets as an objective public art projects at all cultural facilities. The Public Art Master Plan proposes public art at a majority of facilities.

BACKGROUND ON POMPANO BEACH PUBLIC ART PROGRAM

In 2012, the Pompano Beach City Commission adopted a public art ordinance to "enhance the aesthetic and cultural value of the city by including works of art on public properties within the city." The City Commission seeks "benefits of public art that are both aesthetic and economic." WITNESSETH

WHEREAS, the CRA is the owner of certain real property located at 41 NE 1st Street, Pompano Beach, Florida, known as the Bailey Contemporary Arts ("BaCA") as more particularly described in Exhibit "A" attached hereto and incorporated herein (the "Premises"); and

WHEREAS, LICENSEE, pursuant to its Public Art Master Plan is completing a multi-year Mosaic Team Project (the "Project"); and

WHEREAS, LICENSEE would like to use studio space at BaCA ("Studio Space") and the BaCA kiln (the "Kiln") for the Project's lead artist and five apprentices to work and fabricate mosaic and ceramic tiles for a period of four years beginning October 2016; and

WHEREAS, the CRA and LICENSEE desire to enter into this Agreement to set forth the duties and obligations relating to the Studio Space, the Kiln, and the Premises.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions contained in this Agreement and other good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties agree as follows:

1. **PREMISES.** CRA licenses to LICENSEE non-exclusive use of the Studio Space delineated in Exhibit "A," attached hereto and made a part hereof, together with non-exclusive use of the kiln (the "Kiln"). Non-exclusive use means that the CRA will use its best efforts to make the Studio Space and the Kiln available to LICENSEE as needed; however, LICENSEE acknowledges that such use is available on a first come, first served basis and may be affected by long-term leases and use of the space by other artists.

2. **PURPOSE.** The Studio Space and the Kiln shall be used for the fabrication of mosaic and ceramic tiles as provided for in the LICENSEE'S Public Art Master Plan and referred to as the Project. Use of the Studio Space and the Kiln for any other purposes by any artist or any apprentice who works on the Project during the Term is strictly prohibited.

3. **TERM.** The term of this Agreement is for the period of four (4) years commencing October 1, 2016. The term may be extended by mutual agreement of the parties.

4. **FEE.** There shall be no fee associated with LICENSEE'S use of the Studio Space.

5. **ACCEPTANCE OF STUDIO SPACE.** LICENSEE acknowledges that it has made a thorough and complete inspection of the Studio Space, is fully advised of the condition, nature of construction and state of repair, and fully accepts the Studio Space, the Kiln, and the Premises in the present "as in" condition.

6. **NO LIENS CREATED.** LICENSEE covenants and agrees that LICENSEE has no power to incur any indebtedness giving a right to a lien of any kind or character upon the right, title or interest of CRA in and to the Studio Space or the Premises. Should any such lien be filed against CRA, LICENSEE shall discharge the same within thirty (30) days thereafter by paying the same or by filing a bond, or otherwise as permitted by law. LICENSEE shall not be deemed to be the agent of CRA under any term, paragraph, condition or covenant of this Agreement.

7. **TAXES AND EXPENSES.** Except as otherwise provided in this License Agreement, LICENSEE shall not be obligated to pay real and personal property taxes, tangible or intangible taxes, sales taxes, assessments, utilities, insurance premiums, occupational licenses and other similar expenses for the Premises.

8. **OPERATION.**

Hours. LICENSEE agrees that the Studio Space will only be used by a lead artist and five apprentices in connection with the Project. Pursuant to the Project terms, the apprentices are required to work a minimum of five hours per week. The lead artist does not have a minimum of required hours.

Project Supervision. At all times, LICENSEE shall be responsible for supervising each artist and all apprentices associated with the Project who will actually be occupying the Studio Space and conducting the Project.

Mosaic Team Project Restrictions. Use of the Studio Space and the Kiln is expressly restricted to the Project on behalf of the City of Pompano Beach. No private use of the Studio Space and the Kiln is permitted by any artist or any apprentices who work on the Project during the Term. LICENSEE shall be responsible for compliance with all terms and conditions of this License Agreement by each artist and each apprentice who works on the Project during the Term.

9. **OPERATING COSTS.**

A. LICENSEE agrees to pay promptly all operating costs incurred as a result of LICENSEE's use of the Studio Space and the Kiln, which are not by this Agreement an expense of CRA.

B. LICENSEE shall deposit all garbage and trash generated by its operations on a daily basis in enclosed containers located on the Premises. LICENSEE shall provide for removal, at LICENSEE's cost, of any garbage and trash that does not fit within the enclosed containers located on the Premises. Said garbage and trash shall be properly disposed and not be left on the Premises.

10. IMPROVEMENTS.

A. Any improvements to the Studio Space by LICENSEE shall only be done by properly licensed persons in accordance with federal, state, and local laws and ordinances.

B. LICENSEE and any subcontractors shall be responsible for obtaining and paying for all required permits.

11. REPAIRS, MAINTENANCE AND SURRENDER.

A. LICENSEE agrees at its expense to keep, maintain, and clean the Studio Space and the Kiln after every use, except as provided otherwise herein, in the same state of repair and condition as existed on the date of commencement of this Agreement, reasonable wear and tear expected. Such maintenance shall include, but not be limited to, cleaning windows, wiping tables, chairs, and equipment and washing floors.

B. LICENSEE shall be responsible for maintaining and repairing all improvements to the Studio Space at its own cost.

C. LICENSEE at its expense agrees to deliver to CRA, upon the termination of this Agreement, the entire Studio Space, including any improvements and non-moveable fixtures, in the same state of repair and condition as existed on the date of commencement of this Agreement, reasonable wear and tear expected.

D. CRA shall make all interior repairs related to CRA's use, exterior repairs, including repairs of the roof and sidewalks, as well as repairs as required because of water entering the Premises from the roof or other parts of the building or from other causes not under the control of LICENSEE. CRA shall maintain the exterior and interior of the building in good condition. CRA shall maintain the exterior of the premises so as to maintain the value of the capital asset in a manner consistent with generally accepted landlord/tenant responsibilities. LICENSEE shall promptly report, in writing, to CRA any defective or dangerous conditions known to LICENSEE.

E. CRA shall not be liable to LICENSEE for damage to property of LICENSEE resulting from CRA's acts, omissions or neglect in the maintenance and operation of the demised premises and facilities. Property of the LICENSEE includes property of each artist and each apprentice who works on the Project during the Term.

12. POSSESSION. As indicated in Paragraph 1 above, use of the Studio Space and the Kiln is non-exclusive. LICENSEE shall give the CRA as much advance notice as possible of its need to use the Studio Space or the Kiln.

13. RETENTION OF RECORDS AND RIGHT TO ACCESS. LICENSEE shall maintain during the term of this Agreement all records relating to use of the Studio Space or the Premises, including records created by each artist and each apprentice during the Term, in accordance with all state and local laws relating to public records.

14. INSURANCE. Throughout the term of this Agreement, LICENSEE shall maintain liability insurance in the type and amounts set forth in Exhibit "C" attached hereto. CRA acknowledges that because LICENSEE is a municipal corporation, LICENSEE may have the option of self-funding the required insurance coverage and providing the CRA with a Certificate of Self-Insurance which meets the required limits.

15. ASSIGNMENT AND SUBLEASING. The LICENSEE shall not, without prior approval of the CRA, assign or transfer this Agreement nor any share, part or interest in it, nor any of the rights or privileges granted by it, nor enter into any contract requiring or permitting the doing of anything under this Agreement by an independent contractor unless otherwise expressly provided in this Agreement. LICENSEE further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at the Premises, with any individual, partnership or corporation without prior approval of CRA, it being understood that the only activity that LICENSEE may conduct directly or indirectly, alone or through others, on, upon or from said demised premises and facilities located there, be they demised to the others or under the control of CRA, is as authorized under the terms of this Agreement.

16. LAWS AND ORDINANCES. LICENSEE agrees to comply with all applicable state statutes, Broward County and City ordinances, and any safety requirements of all federal, state and local governments. LICENSEE shall maintain all required licenses from governmental agencies in full force and effect during the term of this Agreement.

17. INDEMNIFICATION AGAINST CLAIMS AND WAIVER. To the extent permitted by law, the LICENSEE and the CRA shall at all times indemnify, hold harmless and defend, one another, including each other's respective agents and employees from and against all claims, suits, actions, damages or causes of action arising during the term of this Agreement by reason of the service(s) to be performed, including costs, reasonable attorneys' fees and expenses incurred in or by reason of the defense of any such claim, suit or action, and the investigation thereof. LICENSEE's indemnification includes each artist and each apprentice who works on the Project during the Term.

Both parties acknowledge and agree they would not enter into this Agreement but for the foregoing indemnification and that their entering into this Agreement shall constitute good and valuable consideration for this indemnification. These provisions shall survive the expiration or earlier termination of this Agreement.

Nothing in this Agreement shall be deemed to affect the rights, privileges and immunities of either party as set forth in Section 768.28, Florida Statutes.

18. OWNERSHIP AT TERMINATION. All non-moveable fixtures, alterations, improvements, structures, additions and modifications of every kind now existing or later erected, installed or placed within the Studio Space or the Premises shall, at the end of the Term or earlier termination of this Agreement, for any reason, be and become the property of CRA and shall be left in good condition and repair, ordinary wear and tear excepted, unless CRA at its option requires LICENSEE to remove all or a portion of same. In such event, LICENSEE at its sole expense shall promptly remove same. LICENSEE further agrees at its sole expense to promptly repair and restore all portions of the Studio Space or the applicable Premises to good condition upon such removal. A fixture is defined as an article which was a chattel, but which, by being physically annexed or affixed to the Premises by LICENSEE and incapable of being removed without structural or functional damage to the Premises, becomes a part and parcel of them. Non-fixture property personally owned by LICENSEE at the expiration of the Term or earlier termination of this Agreement, for any reason, shall continue to be owned by LICENSEE, and at the time of such expiration or earlier termination, LICENSEE at its option, may remove all such property, provided LICENSEE is not then in default of any covenant or condition of this Agreement; otherwise, all property shall remain on the Premises until the damages suffered by CRA from any such default have been ascertained and compensated. Any damage to the Premises caused by the removal by LICENSEE of any such property shall be repaired by LICENSEE immediately at its expense.

19. DEFAULT. It is agreed that upon any default by LICENSEE in keeping and performing any and all terms and conditions of this Agreement to be kept and performed by LICENSEE, CRA may, at its option, declare this Agreement terminated and may, after thirty (30) days written notice to LICENSEE to cure such default, re-enter and take possession of the Studio Space and terminate this Agreement immediately. The power granted in this paragraph to the CRA is in addition to any other rights or remedies which CRA may have under the existing laws of the State of Florida with regard to the removal of tenants, distress or other legal recourse. All rights and remedies available to CRA may be exercised concurrently or separately.

20. NON-WAIVER. The failure of CRA to insist upon the strict performance of any of the covenants, conditions and agreements of this Agreement in any one or more instances shall not be construed as a waiver or relinquishment in the future of any such covenants, conditions and agreements, or as a waiver of any other covenants, conditions and agreements.

21. DAMAGE TO PREMISES. In the event the Studio Space or the Premises or the building of which the Premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by CRA at its expense as soon as funds are available, but CRA shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by LICENSEE or others pursuant to this Agreement. The CRA will not be liable for damage to the Studio Space, the Kiln or the Premises.

A. CRA may elect, at its sole option, not to repair or reconstruct the Studio Space, the Kiln or the Premises and upon written notice of such election from CRA to LICENSEE the obligation of LICENSEE, shall cease and this Agreement shall thereupon terminate. However, if CRA does not give notice of termination, LICENSEE's obligation shall

abate during the existence of any damage or other casualty which renders the demised premises unsuitable for LICENSEE in continued operation of business.

24. SIGNAGE. LICENSEE, may, at its own expense, erect or place a sign for the advertising of the Project at the Premises so long as same complies with all applicable governmental rules, regulations, and ordinances, including the City's Sign Code and so long as LICENSEE obtains prior written approval from the CRA as to size, location and content. Thereafter, LICENSEE shall maintain said sign in a good state of repair, and shall repair any damage to the sign.

25. INSPECTION. CRA reserves the right to inspect the Studio Space and the Premises at all reasonable hours in order to ensure compliance with this Agreement and with leasing rules and regulations in force from time to time and posted in visible locations or given to LICENSEE. CONTRACTOR shall not commence services under the terms of this Agreement until certification or proof of insurance detailing terms and provisions has been received and approved in writing by the CITY's Risk Manager. If you are responding to a bid and have questions regarding the insurance requirements hereunder, please contact the CITY's Purchasing Department at (954) 786-4098. If the contract has already been awarded, please direct any queries and proof of the requisite insurance coverage to CITY staff responsible for oversight of the subject project/contract.

CONTRACTOR is responsible to deliver to the CITY for timely review and written approval/disapproval Certificates of Insurance which evidence that all insurance required hereunder is in full force and effect and which name on a primary basis, the CITY as an additional insured on all such coverage.

CITY reserves the right, but not the obligation, to review and reject any insurer providing coverage because of poor financial condition or failure to operate legally.

Failure to maintain the required insurance shall be considered an event of default. The requirements herein, as well as CITY's review or acceptance of insurance maintained by CONTRACTOR, are not intended to and shall not in any way limit or qualify the liabilities and obligations assumed by CONTRACTOR under this Agreement.

Throughout the term of this Agreement, CONTRACTOR and all subcontractors or other agents hereunder, shall, at their sole expense, maintain in full force and effect, the following insurance coverages and limits described herein, including endorsements.

A. Worker's Compensation Insurance covering all employees and providing benefits as required by Florida Statute, Chapter 440. CONTRACTOR further agrees to be responsible for employment, control and conduct of its employees and for any injury sustained by such employees in the course of their employment.
