

Dear Mayor Hardin,

I'm writing to urge you to support the proposed zoning change that will allow new freestanding emergency departments (FSEDs) in Pompano Beach.

As a resident, I've seen firsthand how our city is growing - more families, more traffic, more development - but our emergency care options haven't kept up. Waiting hours in an overcrowded ER isn't just frustrating, it's dangerous. Seniors, children, and working families deserve access to timely, quality care right here in our own community.

FSEDs are a proven solution. They're quiet, walk-in facilities that provide 24/7 care without the noise or traffic of a hospital. They already operate safely across Florida and are supported by nearly 70% of Pompano voters. Yet outdated zoning laws are blocking them in our city. This isn't just about one location. It's about rolling back a rule that's keeping Pompano families from the care they need. I'm asking you to do the right thing - support the July 8 vote to allow these modern emergency centers where they're needed.

Let's stop being left behind. Now is the time to ensure our residents have access to modern, timely emergency care.

I urge you to support this change for the health and safety of our community.

Sincerely,

Alden Bergeron

1010 SW 46th Ave

Apt 308

Pompano Beach, FL 33069-0992

Dear Mayor Hardin,

Support Better Emergency Care in Pompano. Let's Fix Outdated Rules Blocking Better Healthcare.

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Return this card to add your name and demand better healthcare for our community!

Support Better Emergency Care in Pompano. Let's Fix Outdated Rules Blocking Better Healthcare.

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Support Better Emergency Care in Pompano. Let's Fix Outdated Rules Blocking Better Healthcare.

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Support Better Emergency Care in Pompano. Let's Fix Outdated Rules Blocking Better Healthcare.

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Support Better Emergency Care in Pompano. Let's Fix Outdated Rules Blocking Better Healthcare.

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

P V
Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Return this card to add your name and demand better healthcare for our community!

As a resident of Pompano Beach, I am writing in support of the proposed freestanding emergency department (FSED) at the site of the former Pompano Bowl on Federal Highway.

Our community urgently needs faster, closer emergency care - especially for seniors, families, and residents living far from a hospital. This modern, 24/7 emergency room will bring real care without the traffic or size of a full hospital. **But outdated zoning rules are holding it back.**

☒ Add my name to the list of residents who support fixing the city's outdated zoning rules so we can bring this life-saving facility to our neighborhood.

We deserve better healthcare. Let's move it forward.

Dear Mayor Hardin,

I'm writing to urge you to support the proposed zoning change that will allow new freestanding emergency departments (FSEDs) in Pompano Beach.

As a resident, I've seen firsthand how our city is growing - more families, more traffic, more development - but our emergency care options haven't kept up. Waiting hours in an overcrowded ER isn't just frustrating, it's dangerous. Seniors, children, and working families deserve access to timely, quality care right here in our own community.

FSEDs are a proven solution. They're quiet, walk-in facilities that provide 24/7 care without the noise or traffic of a hospital. They already operate safely across Florida and are supported by nearly 70% of Pompano voters. Yet outdated zoning laws are blocking them in our city. This isn't just about one location. It's about rolling back a rule that's keeping Pompano families from the care they need. I'm asking you to do the right thing - support the July 8 vote to allow these modern emergency centers where they're needed.

Let's stop being left behind. Now is the time to ensure our residents have access to modern, timely emergency care.

I urge you to support this change for the health and safety of our community.

Sincerely,

Phillip Ramsey

1900 S Ocean Blvd

Apt 9P

Pompano Beach, FL 33062-8022
