

MEMORANDUM

Parks and Recreation Department

Memorandum 24-A023

DATE: February 1, 2024

TO: Greg Harrison, City Manager

FROM: Mark A. Beaudreau, Recreation Director *MB*

SUBJECT: Agenda Item Resolution Revocable License Agreement No. 2140 with Broward County

Please place the attached resolution on the February 13, City Commission Agenda. This is the revised agreement with Broward County. The County requested several minor stylistic changes after City Commission approved the agreement in December 2023.

The Revocable License Agreement No. 2140 with Broward County is for the use of the Alsdorf Park property as a staging area for its Deerfield Island Site Improvements construction project. The City entered into Revocable License Agreement No. 1762 with Broward County via Resolution 2023-33 on December 13, 2022, which did not include an extension, and was for a project that is not going to end before the expiration of the existing agreement (December 23, 2023). The term of the new agreement is for one year or through the completion date of the project, whichever comes first.

If you have any questions or concerns please let me know.
