B. Recipient acknowledges and agrees that City would not enter into this Contract without this indemnification of City by Recipient. The parties agree that one percent (1%) of the total compensation paid to Recipient hereunder shall constitute specific consideration to Recipient for the indemnification provided under this Paragraph and these provisions shall survive expiration or early termination of this Contract.

As such, the employees of Recipient, its contractors or subcontractors, shall not be subject to any withholding for tax, social security or other purposes by City, nor shall such contractor, subcontractor or employee be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation or the like from City. Furthermore; nothing in this Contract shall be deemed to constitute or create a joint venture, partnership, pooling arrangement or other form of business entity between Recipient and City.

2. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract if Recipient does not transfer the records to the City.

4. Upon completion of this Contract, transfer, at no cost to City, all public records in its possession or keep and maintain public records required by the City as required hereunder. If Recipient transfers all public records to the City upon completion of this Contract, Recipient shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Program description: City of Pompano sponsorship will be able to serve at least 50 of our youth who are from/reside in Pompano. FLITE Center will specifically target this portion of the population that we serve in order to help them attain and retain employment, housing or continue their education. FLITE Center will recruit youth from Pompano to our GED program or link them to post secondary education. FLITE Center serves over 1200 Broward County youth that often face the most difficult struggles transitioning to adulthood successfully. Our youth represent the majority of the aging out foster care population, survivors of human trafficking, displaced LGBT youth and youth who are homeless as defined by HUD definitions 1 thru 4. The drop-in center model calls for triage services to be available at any given time and avoids a duplication of service as our Resource Navigator works to link the youth with the many other organizations we partner with.

About Your Organization

Which Fiscal Year Is Your Organization Applying For? 2020-2021

Full Name of Nonprofit: Fort Lauderdale Independence Training Education (FLITE) Center

Mission of Nonprofit: To guide those aging out of foster care and other vulnerable youth for successful transition to independence through housing, education, employment, and system of care coordination. Our vision is that no youth travels the road to adulthood alone.

Brief Overview of Nonprofit:

The Fort Lauderdale Independence, Training and Education Center (FLITE), created by The Junior League of Greater Fort Lauderdale, The Community Foundation of Broward and the United Way of Broward County, opened its doors in 2009 offering comprehensive and seamless service delivery for youth and young adults ages 13 to 23 involved in the child welfare system. The FLITE Center is the collaborating piece of a comprehensive system of care for transitioning youth. FLITE is the repository of the TIL Database which makes data across more than a dozen service providers available for this population, a concept that is unique to Broward County. Along with our partners, expanded, enhanced, and additional services and supports can now be seen across all domains and are pulled into one convenient location for the youth's access. All of these services are coordinated county wide through the TIL System of Care Steering Committee which is chaired by the FLITE Executive Director. Working in partnership with each other as well as many other service agencies in the community has increased our ability to fully serve and support youth facing any number of barriers, especially homelessness.

Most importantly, FLITE continues to evaluate county and system-wide outcomes for young adults that help to highlight any need for system and process improvements and further program development. In large part, the gaps in services that exist for transitioning youth with special circumstances and limited resources, has inspired FLITE's willingness and desire to take lead in expanding housing opportunities available to them. Because of our many years of experience and our unique collaborative framework, FLITE is well positioned to champion this effort, while drawing in other system supports to avoid duplications in service.

FLITE Center youth are referred directly from ChildNet and from agencies throughout county who encounter transitioning youth in need. ChildNet is Broward County's Community Based Care (CBC) organization that manages all of the youth in our child welfare system. Currently, FLITE Center is co-located with ChildNet, making it easy for our youth to access their Child Advocates with ChildNet as well as the various services and service providers located within our center. The intent was purposeful as it prevents youth from having to travel to various locations, getting bounced from agency to agency, in order to achieve one common goal.

The FLITE Center works jointly with ChildNet's Independent Living and Aftercare Specialists Unit who identifies and refers eligible foster youth that are preparing to transition into young adulthood. This is done collaboratively with all foster youth beginning at age 17 through the process of a transition staffing. In addition to ChildNet's staff, referrals are also received from other partner agencies that serve youth in transition, such as, Camelot Community Care, Memorial HealthCare, SOS Children's Village, HANDY, Gulf Coast Jewish & Community Family Services, Pace Center for Girls, Sunserve, Henderson Behavioral Health Center and many others.

FLITE Center is, quite literally, the emergency room of the TIL System of

Care and, as such, has no filter as to the youth we receive at the center. This includes youth with special and behavioral needs, youth from the LGBT community, victims of human trafficking, youth with or without criminal backgrounds, youth who have no high school diploma, those who are unemployed, homeless or any other unfortunate circumstance. Our primary youth have aged directly out of foster care, however we have also served youth who were once part of the dependency system and aged out of homes with relatives or other caregivers under very distressing circumstances. FLITE is readily able to connect these youth with employment and educational options and, when possible, with safe, affordable housing opportunities.

The FLITE Center participates in all individual staffings that pertain to a youth aging out of foster care and the FLITE Executive Director chairs both the countywide TIL Life Coach meeting and the TIL Steering Committee, which meets to discuss important trends and communal, coordinated approaches for dealing with arising challenges. Over 50 Life Coaches and over 20 agency managers/directors from roughly 15 different agencies throughout Broward participate in both meetings and look to FLITE to steer the ship on system improvements and on filling the gaps for rising needs.

Which Funding Priority Does Your Nonprofit Qualify For:	Workforce Readiness
Type of Organization - select the one that best applies:	Human Services
Executive Summary of How Nonprofit will use City of Pompano Beach Funding:	FLITE Center will use funding from the City of Pompano Beach to help support the youth that we serve via our education, housing and employment programs. Many times, youth come in crisis and we are always in need of emergency funding in order to solve their issues right away. This could mean help with moving into a property, emergency food, work uniforms or supplies for school.
How Does Your Nonprofit/Program Fit the Guidelines and Funding Interests?	FLITE Centers programs fit the guidelines by educating youth and getting them workforce ready. Being Workforce ready means that our youth first have a secure place to live. That is our first priority, then we make sure that our youth have basic necessities such as food, supplies for their children, furniture in the home and only then will youth be ready to enter the workforce. We have employability skills workshops that we conduct. Due to the pandemic, we are conducting them virtually or in person using social distancing measures.

Statement of Need:

Programs provided by FLITE are TIL Housing Coordination, TIL Education Coordination, TIL Employment Coordination and TIL Systems Navigation. FLITE Center's programs operate year-round, Monday-Friday. Housing services and specific group services take place on the evenings and weekends, as needed.

Housing: Our Housing Coordination Team works in the community to secure housing units for the youth we serve. In just under four short years, the number of housing units dedicated for this population has grown from a handful to over 200 with new relationships being developed on an ongoing basis. Well over 250 youth have been served annually, something we are very proud of. Housing supports include picking up and delivering gently used furniture to youth who are moving into a new apartment, providing housing bins with start-up supplies and emergency food/utilities assistance when other sources have been exhausted.

FLITE Center is responsible for Broward County's housing coordination as it pertains to TIL youth and is the ONLY approved agency that can partner with tax credit property owners to acquire, place and manage aged out foster youth in affordable, safe housing units throughout the county.

Employment: Similar to housing, our staff works in the community to identify employers that are willing to employ the youth. The Employment team helps provide viable employment options for youth and provides the support and guidance necessary for youth to be successful within these opportunities. Many of the youth have backgrounds and other circumstances that may keep them from being hired otherwise. We act as an intermediary should problems arise and in many cases they are able to work through issues and keep the youth employed. Resume writing, mock interviews, and other job-related skills fall in this area.

Education: One of the most problematic roadblocks to obtaining employment is education. FLITE offers an on-site GED program and post-secondary education coordination. Youth enrolled in this innovative program are expected to obtain their high school diploma or GED and enroll in a Community College or Technical School within 24 months of admission into the program. The GED program offered through our College Boost program is available Monday - Thursday each week. College Boost programming not only includes GED/HS diploma attainment services but also links youth with post-secondary education options upon graduation/completion, which includes assistance with admissions processes, implementation of tuition waivers and linkage to scholarship and other education supports like that offered by HANDY's Scholars Program. The Education Coordinator also helps to connect youth with childcare for their children so that they can attend GED classes, college and/or work. Our Peer Advocates and TIL Ambassador plan empowerment activities and also help coordinate and plan life skills sessions each week.

Parenting education (offered in partnership with expert providers) and

supportive group sessions that keep youth positively focused on the future and helps develop positive parenting practices are essential in FLITE fulfilling its mission to break the cycle of abuse commonly found when our youth raise their own children. In addition, FLITE prides itself on providing adult supporters and peer support relationships that help youth feel connected to a "family" and to society, as a whole. Our "No Wrong Door" concept assures youth that each person's path is individual and that FLITE is will to "start where the youth is", on a plan that correlates with their goals and life circumstances. This is essential in helping youth to not feel judged and to empower them toward taking charge of the important decisions in their life. Hosting parenting and peer advocacy sessions at FLITE allows youth easy access to the guidance that will, undoubtedly, change the outcome for them and their children.

TIL System Navigation: FLITE Center offers a one-stop model where a Resource Navigator makes referrals to link youth with necessary services throughout the county. As one of the entities that works closest with all of TIL providers, FLITE is able to assist in avoiding a duplication of service. FLITE Center is able to help bridge the gap for youth who are resistant with complying or enrolling in other more traditional programs. Hence, as a team, we work in collaboration with any agency that can further assist these youth either in conjunction with our services or as continuation of community reintegration once the participants have become willing to seek further help, beyond their normal bounds. This collaborative effort allows us to work comprehensively with the entire aged out population.

This level of resource coordination and the availability of core programming in a one-stop center, produces positive changes in our youth and ultimately leads to successful outcomes. Due to enhancements made this past program year, FLITE has experienced many positive changes in the participation and motivation level of youth.

Include a Description of the Geographic Area You Serve:

In Broward County, approximately 50% of residents are considered to be ALICE (Asset Limited Income Constrained Employed). This means individuals and families are one emergency away from being homeless and often have to make the decision between providing some basic needs over others. In addition, studies have shown that the minimum wage would have to be \$25/hour for the average individual to afford to live in Broward. The majority of youth aging out of foster care are still working toward a high school diploma or GED credential and others are struggling to work several minimum wage jobs to survive.

We are currently serving the transitioning youth in Broward County. These transitional youth include those who are aging out of foster care or already have done so, human trafficking survivors, domestic violence victims, LBGTQ+, relative/non-relative care youth and other at-risk youth populations in Broward County.

Nonprofit Program/Seminar/Workshop

Describe the program/event succinctly: City of Pompano sponsorship will be able to serve at least 50 of our youth who are from/reside in Pompano. FLITE Center will specifically target this portion of the population that we serve in order to help them attain and retain employment, housing or continue their education. FLITE Center will recruit youth from Pompano to our GED program or link them to post secondary education. FLITE Center serves over 1200 Broward County youth that often face the most difficult struggles transitioning to adulthood successfully. Our youth represent the majority of the aging out foster care population, survivors of human trafficking, displaced LGBT youth and youth who are homeless as defined by HUD definitions 1 thru 4. The drop-in center model calls for triage services to be available at any given time and avoids a duplication of service as our Resource Navigator works to link the youth with the many other organizations we partner with.

Elaborate on your program/event objectives. How do you plan on using the funding to solve the problem?

Funding from the City of Pompano Beach will be able to fill any of the gaps we currently have for our Pompano Beach residents who come to us for services. These gaps vary greatly and having the ability to close the gap for our youth would impact them greatly.

What are the outcomes of your program/event?

1. Assist 200 youth secure safe, affordable housing.?
2. Provide each youth entering FLITE TIL Housing with household supplies and donated furniture for their new home.?
3. Provide a minimum of 100 youth with educational support by way of FLITE's GED program, linkage to post-secondary education, connecting youth to childcare options (when necessary) and referring youth to either in-house (at FLITE Center) or in-home parenting skills development services.?
4. Provide 90% of youth entering TIL Housing with FLITE, 8-12 weeks of planned life skills classes that will help prepare them for aging out of foster care and for successfully maintaining the housing that has been carefully arranged for them.?
5. Assist a minimum of 140 youth in obtaining employment opportunities.?
6. Provide resource coordination for 100% of youth who demonstrate the need or request assistance.

Our services stretch beyond the age of 18 per Florida Statute that extends the age of care for youth who have been part of the foster care/dependency system. Not only do we serve the youth transitioning care, but our impact reaches to their children, who would face the same instability and system involvement as their parents once faced if not for the direct supports we provide and help coordinate system wide.

Additional Information

What are your organization's credentials? Tell us why your organization does it better than anyone else.

The FLITE Center serves an average of 1,200 youth per year, totaling over 12,000 visits to the center annually. As the first One Stop Resource Center for the TIL youth in the State, there has been statewide recognition of the model and multiple agencies looking to replicate FLITE. The FLITE Center has been cited as a "Best Practice" by the Center for Strategic Philanthropy, and received awards for Florida's Children First, Legal Aid, and the 2012 Bank Atlantic Non-Profit of the Year, Innovation. Most recently, FLITE Center is proud to be winners of the 211-Broward Non-Profit "Rising Star" Award for 2018, an award given to each year to an agency younger than 10 years old that is having such an immense impact despite its size and years of existence. FLITE is also a finalist for Hands On Broward's Youth Impact Awards.

Any other information you wish to share?

The FLITE Center was developed through a collaborative effort to exist as the central hub that coordinates services for youth aging out of foster care throughout the entire county. FLITE has evolved to serve its partners even better by filling in the gaps they cannot and by offering youth more comprehensive supports than ever before. This undertaking has brought to light the immense need for more resources and has demonstrated the value we bring in our ability to serve any youth transitioning through our system of care alongside our partners. Without funding, the emergency support we are able to provide our partners and our youth would not be possible. Although FLITE Center would continue to serve youth and agencies in the best way possible, the need would continue to outgrow our capacity. Without continued support, our youth would become part of the homeless population and for those who are currently homeless, the possibility to gain safe, stable housing may never occur. Our GED program is also tailored specifically to support youth who have emerged from the dependency system. Without this caring learning environment, many would not graduate with their GED at all and never take the next steps toward post-secondary education. FLITE Center is continuously evolving programming in order best serve our youth during these times.

Youth transitioning out of Broward County's dependency system are significantly affected by the instability that accompanies long periods of out-of-home placement during childhood and adolescence. While they may be considered legal adults, many of them have not fully developed the essential life skills or maturity they will need to function productively in the adult world. The experiences of these youth place them at a high risk for unemployment, poor educational outcomes, health issues, early parenthood, long-term dependency on public assistance, increased rates of incarceration, and homelessness. Coupled with our current pandemic, these factors can lead to disastrous results for our county's transitioning population.

As we are already serving one of the most delicate populations in Broward County, the COVID-19 pandemic will hit the youth we serve the hardest. We have started a pantry with funding from United Way and will continue to fundraise for this effort for as long as our youth need our help. Within the first two weeks of starting the pantry, we have served over 800 youth with basic necessities, including baby formula, pampers, wipes, groceries and other emergency assistance. We are taking referrals and assessing each case individually. We conduct no-touch food distributions from the center and providing no touch deliveries to the youth's homes as needed. This pandemic is just hitting Broward County and the worst is yet to come so we need your help to prepare our youth for the challenges ahead. With no family support and no savings, youth and agencies will be relying on FLITE Center to help with the resources needed to overcome immediate hurdles and coordinate long-term recovery plans.
