Good evening,

I submitted an email regarding the other property associated with this rezoning issue and would like to express my concern with the proposed rezoning of 2620 NE 19 Street to a community transitional residence. The rezoning of their other property was denied and I hope that the same will happen with this property. The Connor Estates neighborhood is a family neighborhood with all ages, we do not want a community transitional residence in our neighborhood. Luminous care has violated FARR by not reporting medical emergencies and police calls that have occurred at 2620 NE 19 Street. Please consider my request as a long time resident of this neighborhood.

Thank you,

Julie Bacigalupi
