FROM: Fernand Thony, GO Bond Director 

RE: FEC Agreements for Dixie Highway Streetscape Improvements Project

Please prepare a resolution approving and authorizing the proper City officials to execute two agreements, including an at-grade crossing license agreement and a synchronization agreement between the City of Pompano Beach and Florida East Coast Railway (FEC) in the amount of \$ 2,645,847.86. The resolution is necessary to pay FEC for the necessary improvements to the at-grade crossing infrastructure to improve pedestrian safety, update interconnection between intersection signalization and tracks warning devices and regulate overall vehicular traffic on Atlantic Boulevard.

These improvements are time sensitive since fabrication of the track segments, overhead trusses, signals, gates, panels and other appurtenances are highly specialized and long lead items requiring several months.

Staff is seeking to place the item on the October 14, 2025 City Commission Agenda Item.
