Dear,  
Mr. Rex Hardin  
Mayor  
Pompano Beach, FL

Dear Rex,

Since my return to the office of Mayor of Golfo Aranci, I have considered it important to establish with the city of Pompano Beach that bond that our communities hope to establish as soon as possible.

During this winter, the discussions between us have been assiduous and I believe the time has come to proceed to the definition of the twinning. We have repeatedly emphasized how fundamental it is for both communities to establish relationships that can especially concern the exchange of our young people. In a world of increasingly less distant communities, it is essential that our young people can move reciprocally between Golfo Aranci and Pompano to enrich themselves and better face the future. In addition, given the opportunities that will present themselves, important benefits can be reaped for local businesses and for the communities of our municipalities.

Our City Council will proceed to decide favorably on the twinning by the end of March and I will be in Florida at the beginning of April. On that occasion, I will visit Pompano and we could celebrate the twinning ceremony with the official signing of the documents between us.

Golfo Aranci is ready to host you in the coming months to hold the same ceremony here too.

I am at your disposal for an online meeting to define every detail.

Best regards.

Giuseppe Fasolino  
Mayor of Golfo Aranci
