MEMORANDUM NO. 21 – 28

DATE: June 2, 2021

TO: Gregory P. Harrison, City Manager

Via: A. Randolph Brown, Utilities Director

FROM: Shana Coombs-Gordon, Utility Compliance & Efficiency Manager

SUBJECT: \$500,000 Reuse Grant Amended Agreement Execution with SFWMD

The Utilities Department received a grant from the South Florida Water Management District (SFWMD) in 2019 to install reuse services north from NE 16th Street to NE 24th Street and east from NE 23th Avenue to the Cul-De-Sac extremities bordering the Intra-coastal Waterway.

City Commission approved the grant through resolution number 2020-115 that was passed and adopted on January 28, 2020. The project for which this grant funding is to be utilized experienced delays attributed to COVID-19.

The current agreement will expire on June 30, 2021. In an effort to secure this funding source, we are requesting the approval and execution of amendment number one. The only changes are the deliverable due dates along with the term of the agreement. The term was extended by an additional year to provide us with adequate time for project completion, which is June 30, 2022.
