Director of Economic Development

A public-private partnership
between the City of Pompano
Beach and the business
community to promote economic
development.

March 12, 2025

The Pompano Beach Economic Development Council is in support of the FSER. A motion was made at the meeting on February 24, 2025 by Whitney Rawls and seconded by Chris Metzger. The Council vote was unanimous with two abstentions, Paul Fisher and Kerri-Ann Worley

The Pompano Beach Economic Development Council recognizes the significant impact that the establishment of a Freestanding Emergency Room (FSER) can have on our community's healthcare infrastructure, economic growth, and quality of life. As an organization dedicated to advancing the economic well-being of our region, we fully support the development of the FSER.
