1. 9-11 Memorial Update

Mr. Davis asked about the status of the artist for this project.

The Call to Artists was posted March 1, 2018 with a deadline of April 5, 2018. Forty-three (43) applicants submitted proposals. The Subcommittee met on April 24th to review applications. The Subcommittee made a motion to recommend artist Scape Martinez for the project with two (2) alternate artists: Cherie Saleeby (1st alternate); Asha Hanna (2nd alternate). This recommendation was brought to the PAC at the April 26th Meeting. The PAC recommended approval of Scape Martinez as the artist. Staff instructed Mr. Martinez to create a final proposal for inclusion in the contract documents. Mr. Martinez has not met deadlines and has not submitted the required final proposal in order to proceed with the project. Staff is recommending PAC review the two alternates and select one as the recommended artist.

MOTION by Toby Aycock and seconded by Mimi Botscheller to move on to the alternate artist, Cherie Saleeby, for the 9-11 Memorial project. Motion passed unanimously.
