WHEREAS, the City of Pompano Beach is interested in carrying out the following described project, "Project," for the enjoyment of the citizenry of Pompano Beach and the State of Florida:

**Project Title:** City of Pompano Beach Public Access Dock

**Total Estimated Cost:** \$200,000.00

**Brief Description of Project:** The proposed project consists of the installation of a 160' x 8' floating dock with associated pilings and ramp. The project will provide access to the waterway for a portion of the community that currently has no public access to the Cypress Creek Canal via small recreational vessels, kayaks and paddleboards. The proposed project will meet the demand to have four to five vessels utilize the dock at a time. In addition, the raising of the McNab bridge and the corridor revitalization of McNab Road is anticipated to increase the number of residents and visitors utilizing this portion of the Cypress Creek Canal.

And, Florida Inland Navigation District's financial assistance is required for the said project; now, therefore,
