Who We Are

We are Sandra and Mirko, along with our son William. In December 2024, we relocated from Germany to Pompano Beach to begin a new chapter as a family.

Sandra previously served as a public sector employee with the German pension insurance system, while Mirko owned and operated successful businesses in advertising, marketing, and property management for many years.

Our son William was born in Germany and moved with us to Florida at the age of nine months.

We fell in love with the Bahama Beach Club and became its proud owners in December 2024. Since then, we have been gradually enhancing the outdoor areas and interiors, carefully preserving the unique charm of old Florida while updating the property to meet modern standards.

The Bahama Beach Club is proudly operated as a family-run business, and we are personally committed to maintaining its quality and welcoming atmosphere.

Why Bahama Beach Club Pompano

As Florida residents who love the local lifestyle, we spent a long time searching for a property that truly embodies the spirit of Florida—and we found it in the Bahama Beach Club. Our goal is to preserve the charm and appeal of classic "Old Florida" style, which is sadly becoming increasingly rare.

The property enjoys a prime location—just a short walk from the beach and the vibrant Fisher Family Pier area—yet it remains tucked away in a peaceful neighborhood, ideal for true relaxation.

Originally built in 1957, our charming apartment complex reflects the timeless character of Florida's mid-century style. It has witnessed many stories over the decades, from the days when road cruisers filled the streets and the sounds of Elvis Presley, Johnny Cash, Chuck Berry, and Buddy Holly filled the air.

We are committed to maintaining that nostalgic charm while gradually modernizing the interiors with a tasteful nautical touch that meets today's comfort standards.

Our Vision

We aim to become one of the top-rated apartment complexes in the area—clean, modern, and service-oriented—while staying true to the authentic Florida aesthetic.

The positive feedback we've received over the past six months tells us we're on the right path:

Had a lovely stay with a few of my friends! The location was perfect around block from the beach and short walk to downtown with beachfront restaurant and the pier. The unit was sparkling clean, kitchen bathroom and bed. The haven left a complimentary welcome basket full of snacks, local recommendations, wine and more! The pool was clean and they provided complimentary beach chairs and umbrellas. Plenty of towels and utilities in kitchen. Every amenity was here! Neighborhood felt very safe and everyone so friendly. 10/10 could not recommend more! Price is also great! Host and husband were on site ready to help with anything they could, answering questions, holding onto our luggage for early check in or late check out room is great if you are staying for a longer time period!

Sandra and her husband were very kind and accommodating to our needs. They were helpful and had great suggestions. We will definitely recommend this place to our friends!

We're also proud to attract strong bookings even during the off-season.

The Bahama Beach Club is the cornerstone of our business, but our ambition is to grow further, explore new ideas, and expand into additional business areas.

Why Pompano Beach

Before relocating to Florida, we conducted extensive research and explored various areas including Hollywood, Fort Lauderdale, and Pompano Beach. Choosing Pompano was the right decision—we've never looked back and truly feel at home here.

Welcome to
Pompano Beach

We are active members of the Chamber of Commerce as well as the German American Business Chamber. Our son William attends a local Montessori preschool, and we are proud to live and work in this vibrant community as a family.

As a small, new part of Pompano Beach, we would be honored to contribute to the city's ongoing growth and development through our business and ideas.

As newcomers, it hasn't been easy navigating a foreign country, language, and legal system. It has required a great deal of time, energy, and adaptability.

We would be sincerely grateful for your support in approving our application, helping us secure our foundation and continue contributing to the local community and economy.

Thank you

Sandra, Mirko & William Raatz
