1. APPLICANT INFORMATION

A. Name, title, address, telephone, facsimile number, and e-mail of the applicant.

Fran Esposito
Broward Partnership for The Homeless, INC
920 NW 7th Avenue
Fort Lauderdale, FL 33311-7229
954-799-3990
fesposito@bphi.org

B. Name, title, address, telephone, facsimile number, and e-mail of the agent.

Dodie Keith KEITH & Associates 301 E. Atlantic Blvd. Pompano Beach, FL 33060 954-788-3400 dkeith@KEITHteam.com

C. Name, title, address, telephone, facsimile number, and e-mail of the property owner.

Larry Mahoney
Broward County Board of County Commissioners
115 S. Andrews Avenue
Fort Lauderdale, FL 33301
965-357-7357
Imahoney@broward.org

D. Applicant's rationale for the amendment. The Planning Council requests a condensed version for inclusion in the staff report (about two paragraphs). Planning Council staff may accept greater than two paragraphs, if submitted in an electronic format.

Response: The Broward Partnership for the Homeless, Inc. ("BPHI") is planning to develop 138 affordable residential units on the area in which the currently green space abutting the north homeless assistance center (HAC) at 1700 Blount Road. Affordable housing supply and homelesssness continue to be issues in the City of Pompano Beach and throughout the country. BPHI proposes to develop this 138 unit residential apartment building which will provide individuals and families with affordable housing for very low and low income individuals. This project provides permenant housing targeted for those who were homeless or at risk of becoming homeless and can work with a dedicated case manager to stabilize their unique situations. Broward Partnership prides itself with being a good neighbor and believes

that the proposed addition of affordable residential apartments at this location would be a natural location providing the next level of assistance. The project will be managed by an experienced professional management company with extensive in operating similar affordable housing developments.

The request is to change the City of Pompano Beach Land Use from Industrial to Commercial. Once the land use designation becomes commercial, the property would be available for affordable flex units under the City's comprehesive plan and Broward County policy 2.16.3. The ultimate intent of the local land use plan amendment is to allow for the 138 unit affordable residential development.

The proposed use of affordable residential apartments is suitable to the use of the area. The site will provide within a short travel distance many potetial employers. Current trends in land use is to provide housing in proximity to employment base. Providing affodable housing opportunities furthers the goals of Broward Partnership and the goals, objectives and policies of the City of Pompano Beach.

The Land Use Plan Amendment if the first step in the process. Rezoning, flex allocation and plat note delegation will all be necessary prior to the final site plan approval.

2. AMENDMENT SITE DESCRIPTION

A. Concise written description of the general boundaries and gross acreage (as defined by BCLUP) of the proposed amendment.

Response: The site is located North of Dr. Martin Luther King Jr. Blvd on the east side of Blount Road. The site has 500 feet of road frontage and is 583 feet deep. The site is approximately 6.7 net acres and gross acreage is approximately 7.0 acres.

B. Sealed Survey, including legal description of the proposed to be amended.

Response: The entire amendment site is Parcel E of Broward County Plat NO.2 as recorded in Plat Book 159 Page 16. See Exhibit **A** for survey and legal description.

C. Map at a scale clearly indicating the amendment's location, boundaries, and proposed land uses.

Response: A map clearly indicating the amendment's location, boundaries is provided as **Exhibit B**.

3. EXISTING AND PROPOSED USES

A. Current and proposed local and Broward County Land Use Plan designation(s) for the amendment site. If multiple land use designations, describe gross acreage within each designation. For Activity Center amendments, the proposed text indicating the maximum residential and nonresidential uses must be included.

Response: See **Exhibit C** for Current Land use Plan Designation.

	Broward County	City of Pompano Beach
Current	Commerce	Industrial
Proposed	Commerce	Commercial

B. Indicate if the flexibility provisions of the Broward County Land Use Plan have been used for adjacent areas

Response: No flex has been used by adjacent areas.

C. Existing use of amendment site and adjacent areas.

Response: Amendment site is developed with Broward County Homeless Assistance Center in the front portion of the parcel.

Adjacent Properties: North: Distribution Center

South: Broward County Bridge & Highway Building/yard

East: Distribution Center West: Distribution Center

D. Proposed use of the amendment site including proposed square footage (for analytical purposes only) for each non-residential use and/or dwelling unit count. For Activity Center amendments, also provide each existing non-residential use square footage and existing dwelling unit count within the amendment area.

Response: The amendment site currently has 49,073 square feet of Homeless Assistance Center which will remain. The proposed amendment is to allow development of 138 residential affordable units on the rear of the site utilizing the Commercial land use and allocation of flexibility units.

PROPOSED USES

Type of Use	Square footage
Commercial 7 acres	1,829,520 SF*

- *Based on City of Pompano Future Land Use Element Policy 01.7.17.
- **E.** Maximum allowable development per local government adopted and certified municipal land use plans under existing designation for the site, including square footage/floor area ratio/lot coverage/height limitations/ for each non-residential use and/or dwelling unit count.

EXISTING POMPNO ADOPTED ENTITLEMENTS

Land Use Category	Lot Coverage	Height
Industrial	65%	45 Ft
Commercial	60%	105 Ft

^{*}Based on City of Pompano Future Land Use Element Policy 01.7.17.

NET CHANGE IN ENTITLEMENTS BY LAND USE CATEGORY

Type of Land Use	Allowed	Proposed	Net Change
Commercial	1,829,520 SF	1,829,520 SF	+1,829,520 SF
Industrial	792,792 SF	0 SF	-792,792 SF
			+1,036,728 SF

4. ANALYSIS OF PUBLIC FACILITIES

The items below must be addressed to determine the impact of an amendment on existing and planned public facilities and services. Provide calculations for each public facility and/or service. If more than one amendment is submitted, calculations must be prepared on an individual and cumulative basis.

A. Potable Water Analysis

1. Provide the potable water level of service per the adopted and certified local land use plan, indicating the adoption date of the 10 Year Water Supply Facilities Plan.

Response: The level of service for potable water service is 112 gallons per person per day, adopted in April 2020.

2. Identify the potable water facility serving the area in which the amendment is located including the current plant capacity, current and committed demand on the plant and planned plant capacity expansions, including year and funding sources. Identify the well field serving the area in which the amendment is located including the South Florida Water Management District (SFWMD) permitted withdrawal and expiration date of the SFWMD permit.

Response: The facility servicing the project is Water Treatment Plat 2A. The current plant capacity is 40 MGD and the current demand is 14.40 MGD. There are no planned expansions. The wellfield serving the area is 2A/NRW, with a permitted withdrawal of 19.2 MGD with an expiration date of 10/19/2040.

3. Identify the net impact on potable water demand, based on adopted level of service, resulting from the proposed amendment. Provide calculations, including anticipated demand per square foot or dwelling unit.

Response: The potable water demand as illustrated below compares the existing Industrial Land Use to the proposed Commercial amendment. The net estimated demand decrease from the current land use with the 138 residential units is 1,155 GPD, and the decrease in demand by 56,467 GPD by the proposed commercial designation.

Portable Water Demand

Current Land Use Designation: Industrial					
Development Intensity	Generation Rate	Demand			
792,792	26 GPD/ 1,000 SF	20,613 GPD			
Proposed Land Use Plan Desig	nation: Commercial				
Development Intensity	Generation Rate	Demand			
182,952 SF Commercial	37 GPD/1,000 SF	6,769 GPD			
1,646,568 SF Office	42 GPD/ 1,000 SF	69,156 GPD			
		TOTAL: 75,925 GPD			
		NET CHANGE: +55,312 GPD			
Proposed Residential Units					
Development Intensity	Generation Rate	Demand			
138 Residential Units	141 GPD/Day/Unit	19,458 GPD			
NET CHANGE: -1,155 GPD					
Source: Guidelines determining ability to provide portable water and wastewater (BC-2012)					

4. Correspondence from potable water provider verifying the information submitted as part of the application on items 1-3 above. Correspondence must contain name, position and contact information of party providing verification.

Response: The letter from the potable water provider will be included in **Exhibit D**.

B. Sanitary Sewer Analysis

1. Provide the sanitary sewer level of service per the adopted and certified local land use plan.

Response: The level of service is 78.4 gallons per capita per day, adopted April 2020

2. Identify the sanitary sewer facility serving the area in which the amendment is located including the current plant capacity, current and committed demand on the plant and planned plant capacity expansions, including year and funding source.

Response: The site is served by the Broward County North Regional Wastewater Treatment Plant. The current plant capacity is 95 MGD and the current demand is 67.2 MGD. There are no planned capacity expansions.

3. Identify the net impact on sanitary sewer demand, based on the adopted level of service, resulting from the proposed amendment. Provide calculations, including anticipated demand per square foot or dwelling unit.

Response: The sanitary sewer demand as illustrated below compares the Commercial land use to the Industrial amendment. The net estimated demand decrease from the current land use with the 138 residential units is 2,849 GPD, and a decrease in demand by 47,671 GPD by the proposed commercial designation.

Sanitary Sewer Demand

Current Land Use Designation: Industrial					
Development Intensity	Generation Rate	Demand			
792,792	21 GPD/ 1,000 SF	16,649 GPD			
Proposed Land Use Plan Designat	ion: Commercial				
Development Intensity	Generation Rate	Demand			
182,952 SF Commercial	30 GPD/1,000 SF	5,488 GPD			
1,646,568 SF Office	34 GPD/1,000 SF 55,983 GPD				
		TOTAL: 61,471 GPD			
	NET	CHANGE: +44,822 GPD			
Proposed Residential Units					
Development Intensity	Generation Rate	Demand			
138 Residential Units	100 GPD/Day/Unit	13,800 GPD			
	NE1	CHANGE: -2,849 GPD			

4. Correspondence from sanitary sewer provider verifying the information submitted as part of the application on items 1-3 above. Correspondence must contain name, position and contact information of party providing verification. Response: The letter from the sanitary sewer provider will be included in Exhibit E.

C. Solid Waste Analysis

1. Provide the solid waste level of service per the adopted and certified local land use plan.

Response: The following level of service standards are provided in the City of Pompano Solid Waste Element:

Residential 8.9 lbs. per unit per day

Industrial/Commercial

Factory/Warehouse 2 lbs per 100 sq.ft. per day
Office Building 1 lbs. per 100 sq.ft. per day
Retail 4 lbs. per 100 sq.ft. per day
Supermarket 9 lbs. per 100 sq.ft. per day
Restaurant 2 lbs. per meal per day
Drug store 5 lbs. per 100 sq.ft. per day
Hotel/Motel 3 lbs. per room per day

Institution

Grade School 10 lbs. per room per day plus 1/4 lb. per student per day Middle/High School 8 lbs. per room per day 1/4 lb. per student per day Hospital 8 lbs. per bed per day Nursing Home 3 lbs. per person per day

Source: City of Pompano Beach Comprehensive Plan 2010, Solid Waste Element

2. Identify the solid waste facilities serving the service area in which the amendment is located including the landfill/plant capacity, current and committed demand on the landfill/plant capacity and planned landfill/plant capacity.

Response: The City contracts with Waste Management, Inc., to collect and dispose of solid waste material and garbage within the City. The majority of material collected within the city is transported to the Monarch Hill Landfill. The facility is projected to have capacity through 2030 with a remining capacity of 19 million cubic yards and an average annual consumption of 1.5 million cubic yards.

3. Identify the net impact on solid waste demand, based on the adopted level of service, resulting from the proposed amendment. Provide calculations, including anticipated demand per square foot or dwelling unit.

Response: The solid waste demand as illustrated below compares the Commercial land use to the Industrial amendment. The net estimated demand increase from the current land use is 7,928 Lbs/day. The 138 residential units decrease the generation significantly from both existing and proposed.

Solid Waste Demand

Current Land Use Designation: Industrial					
Development Intensity	Generation Rate	Demand			
792,792	2 Lbs./100 SF/Day	15,856 Lbs/Day			
Proposed Land Use Plan Design	nation: Commercial				
Development Intensity	Generation Rate	Demand			
182,952 SF Commercial	4 Lbs/100 SF/Day	7,318			
1,646,568 SF Office	1 Lbs/100 SF/Day	16,466			
		TOTAL: 23,784			
		NET CHANGE: +7,928 Lbs/Day			
Proposed Residential Units					
Development Intensity	Generation Rate	Demand			
138 Residential Units	8.9 Lbs/Unit/Day	1,228 Lbs/Day			
		NET CHANGE: -14,628 Lbs/Day			

4. Correspondence from the solid waste provider verifying the information submitted as part of the application on items 1-3 above. Correspondence must contain name, position and contact information of party providing verification.

Response: The letter from the solid waste provider will be included in Exhibit **F.**

D. **Drainage Analysis**

1. Provide the drainage level of service per the adopted and certified local land use plan.

The city has adopted the following LOS standards for Drainage:

- 10-year 24-hour storm for minimum crown of road
- 25-year 72 hour for allowable discharge
- 100-year 72 hour for minimum finish floor
- 2. Identify the drainage district and drainage systems serving the amendment area.

Response: The site elevation depicted on the Broward County 100-year Flood Map 2060 is 13.50' NAVD. The site is in zone AH(13) and the Finished Floor elevation will be 14 feet. The site is located within the limits of the Broward County Water Control District #3.

Application is being made for a CLOMA (Conditional Letter of Map Amendment) in which FEMA will conditionally remove the building from the flood zone, and it is expected that the letter will be within 30-45 days. Once the building has been constructed, we will file for a LOMAR-F (Letter of Map Revision, based on fill) which will permanently remove the building from the flood zone.

3. Identify any planned drainage improvements, including year, funding sources and other relevant information.

Response: There are no existing or planned connections to the district's drainage system and no planned improvements to the district's facilities. The additional development on the site will require relocation of the drainage requirements of the existing facilities. There are currently conversations with the county which owns the adjacent site to reroute the drainage requirements from existing retention area on the amendment site to the adjacent county property. The relocation will provide retention storage as well as water quality. Detailed plans will be provided and permitted as part of the site development applications.

4. Indicate if a Surface Water Management Plan has been approved by, or an application submitted to, the SFWMD and/or any independent drainage district, for the amendment site.

Identify the permit number(s), or application number(s) if the project is pending, for the amendment site. If an amendment site is not required to obtain a SFWMD permit, provide documentation of same.

Response: The site is presently licensed under Broward County License no. SWM2001-012 and SFWMD ERP no. 06-03120-P. Copies of the permits are

included in **Exhibit G**. The existing permits will be modified to accommodate the relocated drainage and the proposed site development as part of the permit process. Negotiations are underway with Broward County to provide drainage requirements.

3. If the area in which the amendment is located does not meet the adopted level of service and there are no improvements planned (by the unit of local government or drainage authority) to address the deficiencies, provide an engineering analysis which demonstrates how the site will be drained and the impact on the surrounding properties. The information should include the wet season water level for the amendment site, design storm elevation, natural and proposed land elevation, one-hundred-year flood elevation, acreage of proposed water management retention area, elevations for buildings, roads and years, storage and runoff calculations for the design storm and estimated time for flood waters to recede to the natural land elevation.

Response: No drainage issues have been identified on the site. The property will be designed to meet all applicable governmental drainage standards. Application has been submitted for a LOMA-F to bring the site out of the floodplain. The application has been approved by the city floodplain manager and is in **Exhibit G**.

4. Correspondence from local drainage district verifying the information submitted as part of the application on items 1-5 above. Correspondence must contain name, position and contact information of party providing verification.

Response: The letter from the local drainage district will be included in Exhibit G.

E. Recreation and Open Space Analysis

1. Provide the recreation level of service per the adopted and certified local land use plan.

Response: The City's level of service standard for parks is 5 acres per 1,000 residents.

2. For the amendments which will result in an increased demand for "community parks" acreage, as required by the Broward County Land Use Plan, an up-to-date inventory of municipal community parks inventory must be submitted.

Response: See **Exhibit H** for inventory of parks provided by City of Pompano Beach. In addition to city provided parks, the site will incorporate recreational amenities for the residents.

3. Identify the net impact on demand for "community parks" acreage, as defined by the Broward County Land Use Plan, resulting from this amendment.

Response: Based on updated information of 2.49 people per unit, the 138 units will generate 344 people increasing the build out population to 177,054, See **Exhibit H** for inventory of parks and calculations.

4. Identify the projected "community parks" acreage needs based on the local government's projected buildout population.

Response: See **Exhibit H** for inventory of parks and calculations.

5. As applicable, describe how the local government and/or applicant are addressing Broward County Land Use Plan Policies 2.5.4 and 2.5.5. (a. through e.) regarding the provision of open space.

Response: Proposed amendment does not result in loss of open space.

F. Traffic Circulation Analysis

Please be advised, if required, that the Planning Council staff will request from the Broward Metropolitan Planning Organization (MPO), as per Policy 2.14.6 of the BCLUP, an analysis of the impacts of the amendment to the regional transportation network. The MPO will charge a separate cost-recovery fee directly to applicants for technical assistance requested by the Planning Council for the preparation and review of the land use plan amendment transportation analysis. Please contact the MPO for additional information regarding this fee.

 Identify the roadways impacted by the proposed amendment and indicate the number of lanes, current traffic volumes, adopted level of service and current level of service for each roadway.

Response: Major roadways serving the amendment site include:

- Hammondville Rd (E of NW 31st Ave-FTPK)
- Hammondville Rd (E of Powerline)

- Hammondville Rd (E of I-95)
- Copans Rd (E of Blount Rd)
- Copans Rd (E of Powerline Rd)
- Copans Rd (E of Military Trail)
- Lyons Rd (N of Copans Rd)
- Lyons Rd (N of Coconut Creek Pkwy)
- Florida's Turnpike (N of Atlantic Blvd)
- Florida's Turnpike (N of Coconut Creek Pkwy)
- NW 31st Ave (N of Atlantic Blvd)
- Blount Rd (N of Dr. Martin Luther King Jr. Blvd)
- Blount Rd (N of Copans Rd)
- Powerline Rd (N of Atlantic Blvd)
- Powerline Rd (N of Copans Rd)
- Andrews Ave (N of Atlantic Blvd)

The level of service standards maintained by Broward County and the City of Pompano Beach are summarized below in Table 1.

Broward County

The amendment site is located within the Northeast Transportation Concurrency District which is subject to the provisions of the Broward County Transportation Concurrency System (TOCS). Therefore, the level of service standard determined by the Broward County Development Review Services was considered for this analysis. The level of service standard for all roadways within the impact area is LOS D for long range planning purposes.

City of Pompano Beach

The City of Pompano Beach recognizes the County's level of service (LOS) D standards in its adopted Comprehensive Plan. In addition, the level of service standard, corresponding service volumes, existing (2019) peak hour volume and existing (2019) level of service for the surrounding roadway network are summarized in Table 1.

Table 1: Existing 2019 Conditions LOS Analysis					
		Facility	Maximu	2019	
Roadway	Segment		m Service Volume	Peak Hour Volume	2019 LOS
Hammon dville Rd	E of NW 31 st Ave- FTPK	4 Lanes	2920	2518	D
Hammon dville Rd	E of Powerline	4 Lanes	2920	2185	D
Hammon dville Rd	E of I-95	4 Lanes	2920	3040	Е

Powerline Rd	N of Copans Rd	6 Lanes	5390	3468	С
Andrews Ave	N of Atlantic Blvd	4 Lanes	3401	1511	С

 Identify the projected level of service for the roadways impacted by the proposed amendment for the long-range planning horizons. Please utilize average daily and P.M. peak hour traffic volumes per Broward County Metropolitan Planning Organization plans and projections.

Response: The projected level of service for the short-term (i.e., 2024) planning horizon was determined using linear interpolation of the currently available 2019 peak hour volumes and the long-term (2040) currently available peak hour volumes to obtain the short-term peak hour volume. Once the interpolated value was obtained, FDOT's 2020 *Quality/Level of Service Handbook* was used to find the appropriate level of service standard. The level of service for the short-term planning horizon is summarized in Table 2.

Long-term (2040) projected level of service was determined using 2040 traffic volume forecasts obtained from the Broward Country Metropolitan Planning Organization (MPO). The level of service for the long-term planning horizon is summarized in Table 3.

Table 2: Short-Term 2024 Conditions LOS Analysis						
Roadway	Segment	Facility Type	Maximu m Service Volume	Growth Rate	2024 Peak Hour Volume	2024 LOS

3. Planning Council staff will analyze traffic impacts resulting from the amendment. The applicant may provide a traffic impact analysis for this amendment – calculate anticipated average daily and pm peak hour traffic generation for the existing and proposed land use designations. If the amendment reflects a net increase in traffic generation, identify access points to/from the amendment site and provide a distribution of the additional traffic on the impacted roadway network for the longrange planning horizon.

Response: The trip generation potential for the amendment site was calculated using rates reported by the Institute of Transportation Engineers (ITE) *Trip Generation Manual*, 11th Edition. The existing land use allows for a maximum of 183,501 SF Commercial use, 1,651,509 square feet of office use.

The existing and proposed development's peak hour trips were estimated using the Institute of Transportation Engineers (ITE) Trip Generation Manual 11th Edition. The following ITE Land Use Codes (LUCs) were used for P.M. peak hour periods:

LUC 130 (Industrial Park)

LUC 223 (Affordable Housing – Income Limits)

LUC 710 (General Office Building)

LUC 820 (Shopping Center >150K)

The trip generation results of the existing and proposed land use trip generation calculations are summarized in Tables 4 and 5.

Table 4 – Trip Generation – Existing Land Use Designation

Land Use	ITE Code	PM Rate	PM Trips
Industrial Park (792,792 SF)	130	0.34/1,000 SF	270
Total	270		

Source: ITE *Trip Generation Manual*, 11th Edition.

Table 5 – Trip Generation - Proposed Amendment Land Use Designation

Land Use	ITE Code	PM Rate	PM Trips
General Office Building (1,646,568 SF)	710	1.44/1,000 SF	2371
Commercial (182,952 SF)	820 (>150K)	3.40/1000 SF	622
Total	2993

4. Provide any transportation studies relating to this amendment, as desired.

Response: Supplemental transportation studies relating to this amendment are not provided.

G. Mass Transit Analysis

1. Identify the mass transit modes, existing and planned mass transit routes and scheduled service (headway) serving the amendment area within one-quarter of a mile.

Response: The Blue Route Community Bus stops at the site on Blount Road. The route goes to the Northeast Transit Center located just north of Atlantic Blvd. at Dixie Hwy and Dr. Martin Luther King Boulevard. Route frequency currently is 3 times a day. Discussions are underway to increase the frequency once project is completed. Broward County Transit service is also available on Copans Road (Route 83) and NW 31 Ave (Route 60), both of which also go to the Northeast Transit Center.

2. Describe how the proposed amendment furthers or supports mass transit use.

Response: There is a Community Bus stop directly in front of the site.

Response: The mass transit verification letter from Broward County Transit is in **Exhibit I**.

H. Public Education Analysis

Please be advised that the Planning Council staff will request from The School Board of Broward County (SBBC), as per Policy 2.15.2 of the BCLUP, an analysis of the impacts of the amendment on public education facilities. Per SBBC Policy 1161, the applicant will be subject to a fee for the analysis and review of the land use plan amendment application. The applicant should contact the SBBC to facilitate this review and determine the associated fees.

1. Public School Impact Application

Response: The School Board of Broward County has reviewed the project and the availability report is attached, see **Exhibit J**.

2. The associated fee in the form of a check made payable to the SBBC.

Response: Fee and application have been made.

5. ANALYSIS OF NATURAL AND HISTORIC RESOURCES

Indicate if the site contains, is located adjacent to or has the potential to impact any of the natural and historic resource(s) listed below, and if so, how they will be protected or mitigated. Planning Council staff will request additional information from Broward County regarding the amendment's impact on natural and historic resources.

A. Historic sites or districts on the National Register of Historic Places or locally designated historic sites.

Response: Site has been researched and not listed on any historic sites or districts.

B. Archaeological sites listed on the Florida Master Site File.

Response: Site was reviewed by the State Division of Historical Resources and that the site is not listed on the Florida Master Site File (**Exhibit K**). Site has been developed and no indication any of archaeological findings.

C. Wetlands.

Response: No wetlands are located within the subject property or identified on jurisdictional maps.

D. Local Areas of Particular Concern as identified within the Broward County Land Use Plan.

Response: The subject property is not within an area designated as a Local Area of Particular Concern.

E. Priority Planning Area map and Broward County Land Use Plan Policy 2.21.1 regarding sea level rise.

Response: The site is not within a Priority Planning Area for sea level rise.

F. "Endangered" or "threatened species" or "species of special concern" or "commercially exploited" as per the Florida Fish and Wildlife Conservation Commission (fauna), the U.S. Fish and Wildlife Service (flora and fauna), or the Florida Department of Agriculture and Consumer Services (fauna). If yes, identify the species and show the habitat location on a map.

Response: The subject property is developed, as well as surrounding areas. On site investigation was made and there has been no evidence of any endangered, threatened or species of special concern associated with the subject parcel. See **Exhibit L**.

G. Plants listed in the Regulated Plant Index for protection by the Florida Department of Agriculture and Consumer Services.

Response: The subject property is developed as well as surrounding areas. There has been no evidence to date of any plant species listed on the index being located on the subject property.

H. Wellfields – indicate whether the amendment is located within a wellfield protection zone of influence as defined by Broward County Code, Chapter 27, Article 13 "Wellfield Protection." If so, specify the affected zone and any provisions which will be made to protect the wellfield.

Response: The amendment site is not located within Wellfield Protection Zone.

I. Soils – describe whether the amendment will require the alteration of soil conditions or topography. If so, describe what management practices will be used to protect or mitigate the area's natural features.

Response: Soil is suitable for development. Best management practices required by the water management design engineering standards will be followed.

J. Indicate if the amendment site fronts the ocean or would impact access to public beaches. If so, describe how public beach access will be addressed.

Response: Not Applicable

6. AFFORDABLE HOUSING

Describe how the local government is addressing Broward County Land Use Plan Policy 2.16.2 consistent with Article 5 of this Document.

Response: The proposed project meets several of the policy strategies which help provide a supply of affordable housing.

- a. programs and policies involving mechanisms such as, but not limited to, impact fees, in-lieu fees, and/or public funds, in which the municipality, and/or Broward County, and/or other appropriate agencies/entities (including, but not limited to, major employers), provide for the construction or supply of affordable housing;
- g. use of appropriate existing public lands, or public land-banking, to facilitate an affordable housing supply;
- h. programs and policies to facilitate the development and use of municipal and/or Broward County affordable housing density bonus provisions

7. LAND USE COMPATABILITY

Describe how the amendment is consistent with existing and planned future land uses in the area (including adjacent municipalities and/or county jurisdictions). Identify specific land development code provisions or other measures that have or will be utilized to ensure land use compatibility.

Response: The amendment site is surrounded by both government facilities and major corporations in an industrial setting. Amending the land use to a commercial designation would allow provision of flex units that would enable a portion of the site to be developed as affordable residential. Placing affordable residences in an area of job concentration is sound planning practices. The site will be developed with generous buffers to mitigate adjacent uses. During the review of the site plan appropriate setbacks and buffers will be provided in coordination with staff review. Infrastructure is available to the site and any negative impacts will be addressed.

8. HURRICANE EVACUATION ANALYSIS

(Required for those land use plan amendments located in a hurricane evacuation zone as identified by the Broward County Emergency Management Division).

Provide a hurricane evacuation analysis based on the proposed amendment, considering the number of permanent and seasonal residential dwelling units (including special residential facilities) requiring evacuation, availability of hurricane shelter spaces, and evacuation routes and clearance times. The hurricane evacuation analysis shall be based on the best available data/modeling techniques as identified by the Broward County Emergency Management Division.

Response: Site is not within a Hurricane Evaluation Zone

9. REDEVELOPMENT ANALYSIS

Indicate if the amendment is located in an identified redevelopment area (i.e., Community Redevelopment Agency, Community Development Block Grant). If so, describe how the amendment will facilitate redevelopment and promote approved redevelopment plans.

Response: Site is not part of a redevelopment area.

10.INTERGOVERNMENTAL COORDINATION

Indicate whether the proposed amendment site is adjacent to other local governments. If so, please provide additional copies for the notification and/or review by adjacent local governments.

Response: Site is not immediately adjacent to another local government.

11. PUBLIC OUTREACH

Describe how the applicant and/or local government notified and coordinated with adjacent property owners, master association, homeowner associations etc.

Response: Notices will be sent in accordance with code provisions to adjacent owners and publicly advertised.

12. CONSISTENCY WITH GOALS, OBJECTIVES AND POLICIES WITH THE CITY OF POMPANO BEACH LAND USE PLAN

The subject property is located on the east side of NW 30th Avenue (Blount Road) between MLK and Copans Road. The Platted parcel E is developed with existing HAC facilities fronting Blount Road. The existing infrastructure has adequate capacity to accommodate water, sewer drainage and solid waste demands. The amendment supports the Goals, Objectives and Policies of the City's Comprehensive Plan listed below.

Policy 01.01.02

Review all proposals for development or redevelopment and base the approval of same on he continued maintenance of all adopted Level of Service Standards.

Policy 01.01.03

Phase development concurrent with the availability or phasing of infrastructure, potable water, wastewater, transportation, solid waste, schools and drainage capacity.

Policy 01.01.05

Review proposals for new development to identify the cumulative impacts of the proposed development on public services and facilities.

Policy 01.01.11

Require that all future land use map amendments ensure the availability of potable water supplies and water supply facilities, and reuse where available.

Policy 01.01.15

The city will continue to differentiate on the adopted Future Land Use and Zoning Maps. The commercial and industrial land use categories and zoning designations which are consistent with but more specific than the County's Commerce land use category in regard to intensity, permitted uses and compatibility with adjacent and surrounding land uses.

Policy 01.14.01

The City shall emphasize re-development and infill, which concentrates the growth and intensifies the land uses consistent with the ability of existing urban services and infrastructure in order to conserve natural and man-made resources.

Objective 03.01.00

The City should provide, through the undertaking or support of public and private development efforts, sufficient housing units through the long range planning horizon to meet the anticipated population through 2040. Provision of these units shall be based on the need for adequate and affordable housing for all segments of the existing and future population including those households with very-low, low and moderate income and those special housing needs, including homelessness.

Policy 03.01.04

The City shall continue to cooperate with other local governments concerning providing affordable housing for very-low, low, and moderate income households and the homeless.

13. ADDITIONAL SUPPORTING DOCUMENTS

None

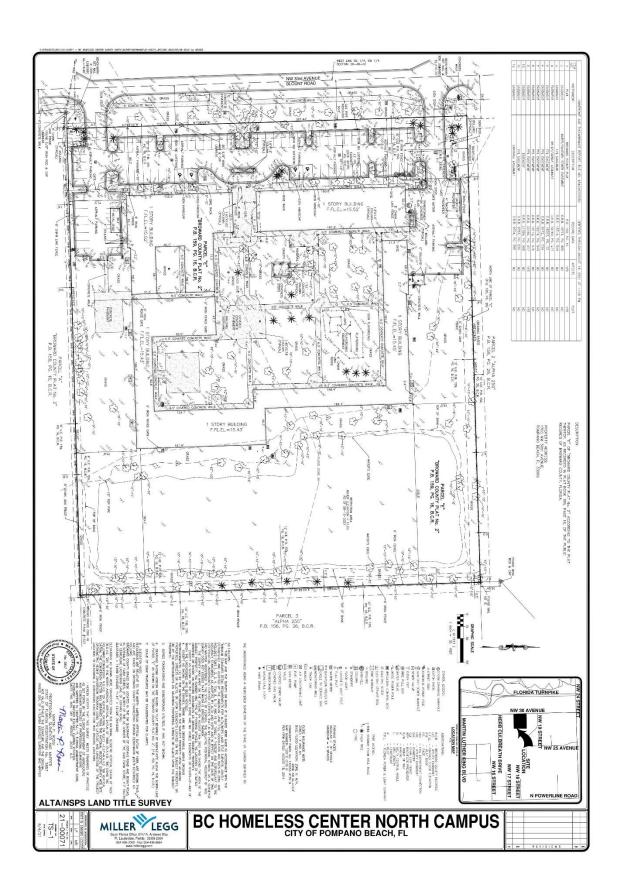

14. PLAN AMENDMENT COPIES

Electronically submitted to the City of Pompano Beach.

Luigi Pace Government Affairs Lpace@wm.com Waste Management

July 20, 2022

Mr. Juan Chapa Keith 301 E Atlantic Blvd. Pompano Beach, FL 33060

RE: Solid Waste Capacity 1700 SW 30th Ave. Pompano Beach

Dear Mr. Chapa,

I have reviewed the information you sent me regarding the land use amendment for the proposed project in Pompano Beach. Waste Management owns and operates Monarch Hill landfill located at 2700 Wiles Road, Pompano Beach, FL 33073. The landfill has estimated capacity of 8 years at current demand.

Accordingly, we believe that there is adequate volume space to safely accommodate the anticipated waste generated by the proposed project.

If you should have any additional, questions please do not hesitate in giving me a call.

Thank you,

Luigi Pace Government Affairs Manager

South Florida Water Management District BEG. PERMIT NUMBER_ 06-03130-P APPLICATION NO. 001114-4

Form #0941

DATE ISSUED: January 2, 2001

PERMITTEE: BROWARD COUNTY

115 SOUTH ANDREWS AVE, RM 212 FT. LAUDEKDALE, FL 33301

PROJECT DESCRIPTION: A SURFACE WATER MANAGEMENT SYSTEM SERVING 6.69 ACRE(S) OF INSTITUTIONAL DEVELOPMENT KNOWN AS NORTH HOMELESS ASSISTANCE

SEC 28 TWP 48S RGE 42E PROJECT LOCATION: BROWARD COUNTY,

PERMIT DURATION: Five years from the date issued to complete construction of the surface water management system as authorized herein. See attached Rule 40E-4.321...Florida Administrative Code.

This is to notify you of the District's agency action concerning Notice of Intent for Permit Application No. 001114-4, dated November 14, 2000. This action is taken pursuant to Rule 40E-1.603 and Chapter 40E-40, Florida Administrative Code (F.A.C.).

Based on the information provided. District rules have been adhered to and an Environmental Resource General Permit is in effect for this project subject to:

- Not receiving a filed request for a Chapter 120, Florida Statutes, administrative hearing,
- the attached General Conditions.
- 3. the attached 7 Special Conditions, and
- the attached 5 Exhibit(s).

Should you object to these conditions, please refer to the attached "Notice of Rights" which addresses the procedures to be followed if you desire a public hearing or other review of the proposed agency action. Please contact this office if you have any questions concerning this matter. If we do not hear from you in accordance with the "Notice of Rights," we will assume that you concur with the District's action action.

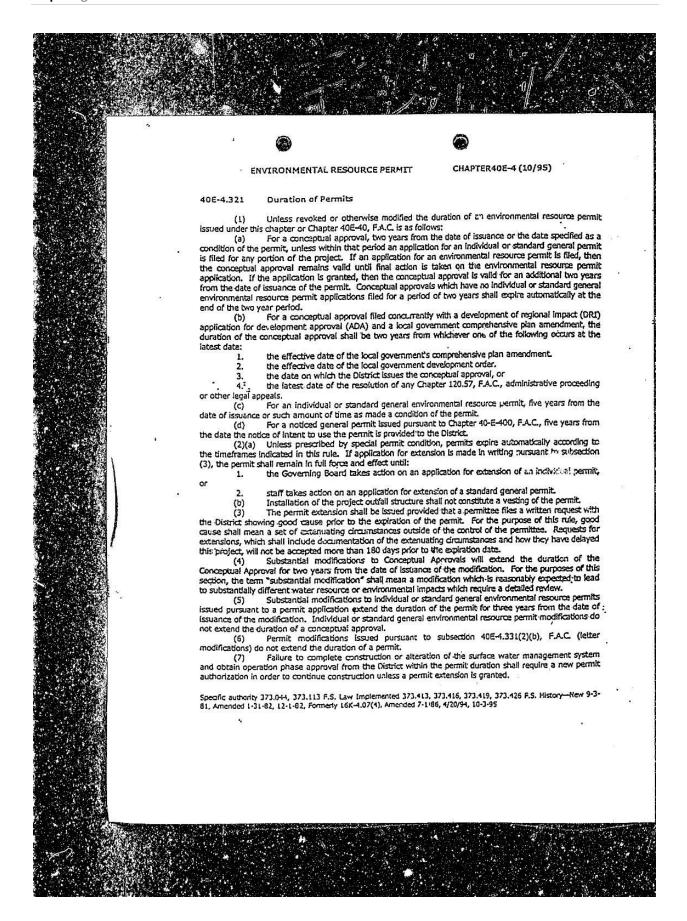

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a "Notice of Rights" has been mailed to the Permittee (and the persons listed in the attached distribution list) no later than $5:00~\rm p.m.$ on this 2nd day of January, 2001, in accordance with Section 120.60(3), Florida Statutes.

BY: thony Director - Surface Water Management Palm Beach Service Center

Certified Mail No.7000 0600 0025 9430 2143

Enclosures

NOTICE OF RIGHTS

Section 120.569(1), Fla. Stat. (1999), requires that "each notice shall inform the recipient of any administrative hearing or judicial review that is available under this section, s. 120.57, or s. 120.68; shall indicate the procedure which must be followed to obtain the hearing or judicial review, and shall state the time limits which apply." Please note that this Notice of Rights is not intended to provide legal advice. Not all the legal proceedings detailed below may be an applicable or appropriate remedy. You may wish to consult an attorney regarding your legal rights.

Petition for Administrative Proceedings

- 1. A person whose substantial interests are affected by the South Florida Water Management District's (SFWMD) action has the right to request an administrative hearing on that action. The affected person may request either a formal or an informal hearing, as set forth below. A point of entry into administrative proceedings is governed by Rules 28-106.111 and 40E-1.511, Fla. Admin. Code, (also published as an exception to the Uniform Rules of Procedure as Rule 40E-0.109), as set forth below. Petitions are deemed filed upon receipt of the original documents by the SFVMD Clerk.
- a. <u>Formal Administrative Hearing</u>: If a genuine Issue(s) of material fact is in dispute, the affected person seeking a formal hearing on a SFWMD decision which does or may determine their substantial interests shall file a petition for hearing pursuant to Sections 120.569 and 120.57(1), Fla. Stat. or for mediation pursuant to Section 120.573, Fla. Stat. within 21 days, except as provided in subsections c. and d. below, of either written notice through mail or posting or publication of notice that the SFWMD has or intends to take final agency action. Petitilons must substantially comply with the requirements of Rule 28-106.201(2), Fla. Admin. Code, a copy of the which is attached to this Notice of Rights.
- b. Informal Administrative Hearing: If there are no issues of material fact in dispute, the affected person seeking an informal hearing on a SFWMD decision which does or may determine their substantial interests shall file a petition for hearing pursuant to Sections 120.569 and 120.57(2), Fla. Stat. or for mediation pursuant to Section 120.573, Fla. Stat. within 21 days, except as provided in subsections c. and d. below, of either written notice through mail or posting or publication of notice that the SFWMD has or intends to take final agency action. Petitions must substantially comply with the requirements of Rule 28-106.301(2), Fla. Admin. Code, a copy of the which is attached-to this Notice of Rights.
- C. Administrative Complaint and Order: If a Respondent objects to a SFWMD Administrative Complaint and Order, pursuant to Section 373.119, Fla. Stat. (1997), the person named in the Administrative Complaint and Order may ... a petition for a hearing no later than 14 days after the date such order is served, Petitions must substantially comply with the requirements of either subsection a. or b. above.

- d. <u>State Lands Environmental Resource Permit:</u> Pursuant to Section 373.427, Fla. Stat., and Rule 40E-1.511(3), Fla. Admin. Code (also published as an exception to the Uniform Rules of Procedure as Rule 40E-0.109(2)(c)), a petition objecting to the SFWMD's agency action regarding consolidated applications for Environmental Resource Permits and Use of Sovereign Submerged Lands (SLERPs), must be filed within 14 days of the notice of consolidated intent to grant or deny the SLERP. Petitions must substantially comply with the requirements of either subsection a. or b. above.
- e. <u>Emergency Authorization and Order.</u>
 A person whose substantial interests are affected by a SFWMD Emergency Authorization and Order, has a right to file a petition under Sections 120.569, 120.57(1), and 120.57(2), Fla. Stat., as provided in subsections a. and b. above. However, the person, or the agent of the person responsible for causing or contributing to the emergency conditions shall take whatever action necessary to cause immediate compliance with the terms of the Emergency Authorization and Order.
- f. Order for Emergency Action: A person whose substantial interests are affected by a SFWMD Order for Emergency Action has a right to file a petition pursuant to Rules 28-107.005 and 40E-1.611, Fla. Admin. Code, copies of which are attached to this Notice of Rights, and Section 373.119(3), Fla. Stat., for a hearing on the Order. Any subsequent agency action or proposed agency action to initiate a formal revocation proceeding shall be separately noticed pursuant to section g. below.
- g. <u>Permit Suspension</u>, <u>Revocation</u>, <u>Annulment</u>, and <u>Withdrawal</u>; If the SFWMD issues an administrative complaint to suspend, revoke, annul, or withdraw a permit, the permittee may request a hearing to be conducted in accordance with Sections 120.569 and 120.57, Fla. Stat., within 21 days of either written notice through mail or posting or publication of notice that the SFWMD has or intends to take final agency action. Petitions must substantially comply with the requirements of Rule 28-107.004(3), Fla. Admin. Code, a copy of the which is attached to this Notice of Rights.
- Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the SFWMD's final action may be different from the position taken by it previously. Persons whose substantial interests may be affected by

Revised August, 2000

an, such final decision of the SFWMD shall have, pursuant to Rule 40E-1.511(2), Fla. Admin. Code (also published as an exception to the Uniform Rules of Procedure as Rule 40E-0.109(2)(c)), an additional 21 days from the date of receipt of notice of said decision to request an administrative hearing. However, the scope of the administrative hearing shall be limited to the substantial deviation.

- Pursuant to Rule 40E-1.511(4), Fia. Admin. Code, substantially affected persons entitled to a hearing pursuant to Section 120.57(1), Fia. Stat., ma, waive their right to such a hearing and request an informal hearing before the Governing Board pursuant to Section 120.57(2), Fia. Stat., which may be granted at the option of the Governing Board.
- 4. Pursuant to Rule 28-106.111(3), Fla. Admin. Code, persons may file with the SFWMD a request for extension of time for filing a petition. The SFWMD, for good cause shown, may grant the extension. The request for extension must contain a certificate that the petitioner has consulted with all other parties, if any, concerning the extension and that the SFWMD and all other parties agree to the extension.

CIRCUIT COURT

- 5. Pursuant to Section 373.617, Fla. Stat., any substantially affected person who claims that final agency action of the SFWMD relating to permit decisions constitutes an unconstitutional taking of property without just compensation may seek judicial review of the action in circuit court by filing a civil action in the circuit court in the judicial circuit in which the affected property is located within 90 days of the rendering of the SFWMD's final agency action.
- 6. Pursuant to Section 403.412, Fia. Stat., any citizen of Florida may bring an action for injunctive relief against the SFWMD to compel the SFWMD to enforce the laws of Chapter 373, Fia. Stat., and Title 40E, Fia. Admin. Code. The complaining party must file with the SFWMD Clerk a verified complaint setting forth the facts upon which the complaining party is affected. If the SFVMD does not take appropriate action on the complaint within 30 days of receipt, the complaining party may then file a civil suit for injunctive relief in the 15th Judicial Circuit in and for Palm Beach County or circuit court in the county where the cause of action allegedly occurred.
- 7. Pursuant to Section 373.433, Fla. Stat., a private citizen of Florida may file suit in circuit court to require the abatement of any stomwater management system, darn, impoundment, reservoir, appurtenant work or works that violate the provisions of Chapter 373, Fla. Stat.

DISTRICT COURT OF APPEAL

8. Pursuant to Section 120.68, Fla. Stat., a party who is adversely affected by final SFWMD action may seek judicial review of the SFWMD's final decision by filing a notice of appeal pursuant to Florida Rute of Appellate Procedure 9.110 in the Fourth District Court of Appeal or in the appellate district where a party resides and filing a second copy of the notice with the SFWMD Clerk within 30 days of rendering of the final SFWMD action.

LAND AND WATER ADJUDICATORY COMMISSION

 A party to a "proceeding below" may seek review by the Land and Water Adjudicatory Commission (FLAWAC) of SFWMD's final agency action to determine if such action is consistent with the provisions and purposes of Chapter 373, Fla. Stat. Pursuant to Section 373.114, Fla. Stat., and Rules 42-2.013 and 42-2.0132, Fla. Admin. Code, a request for review of (a) an order or rule of the SFWMD must be filed with FLAWAC within 20 days after rendition of the order or adoption of the rule sought to be reviewed; (b) an order of the Department of Environmental Protection (DEP) requiring amendment or repeal of a SFWMD rule must be filed with FLAWAC within 30 days of rendition of the DEP's order, and (c) a SFWMD order entered pursuant to a formal administrative hearing under Section 120.57(1), Fla. Stat., must be filed no later than 20 days after rendition of the SFWMD's final order. Simultaneous with filing, a copy of the request for review must be served on the DEP Secretary, any person named in the SFWMD or DEP final order, and all parties to the proceeding below. A copy of Rule 42-2.013, Fla. Admin. Code is attached to this Notice of Rights.

PRIVATE PROPERTY RIGHTS PROTECTION ACT

10. A properly owner who alleges a specific action of the SFWMD has inordinately burdened an existing use of the real property, or a vested right to a specific use of the real property, may file a claim in the circuit court where the real property is located within 1 year of the SFWMD action pursuant to the procedures set forth in Subsection 70.001(4)(a), Fla. Stat.

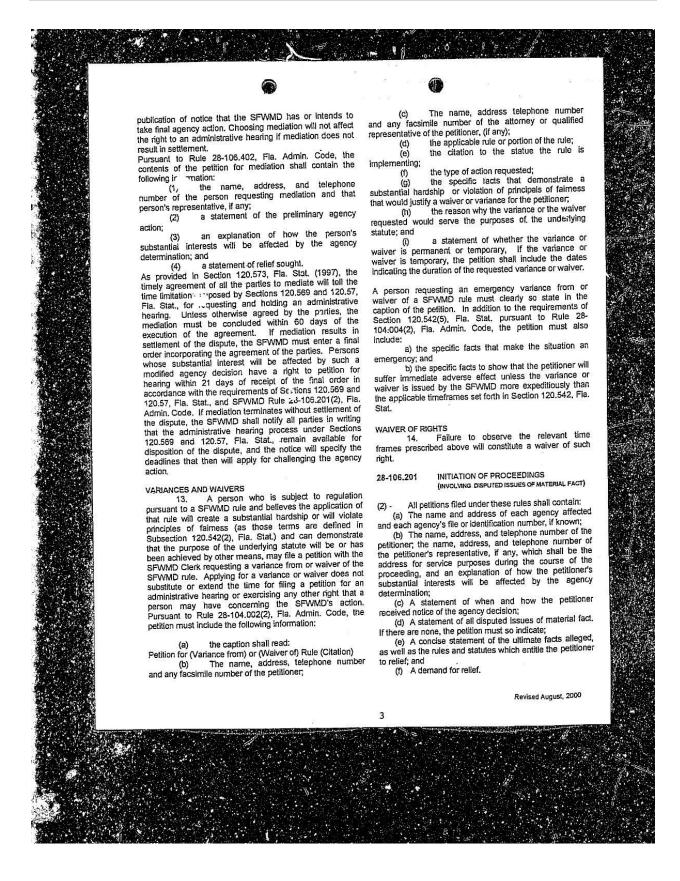

LAND USE AND ENVIRONMENTAL DISPUTE RESOLUTION

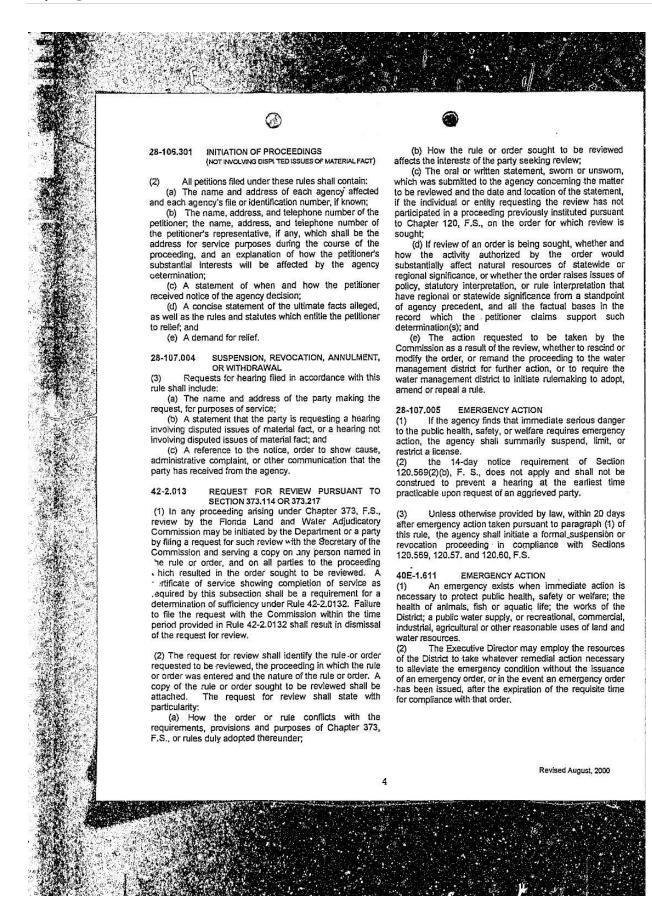

11. A property owner who alieges that a SFWMD development order (as that term is defined in Section 70.51(2)(a), Fla. Stat. to include permits) or SFWMD enforcement action is unreasonable, or unfairly burdens the use of the real property, may file a request for relief with the SFWMD within 30 days of receipt of the SFWMD's order or notice of agency action pursuant to the procedures set forth in Subsections 70.51(4) and (6), Fla. Stat.

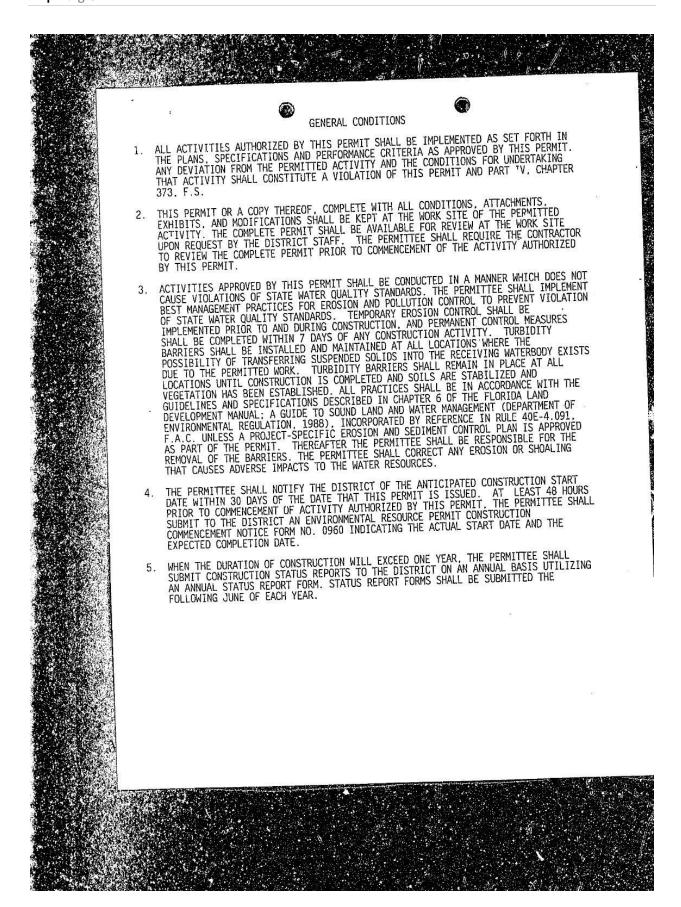

MEDIATION

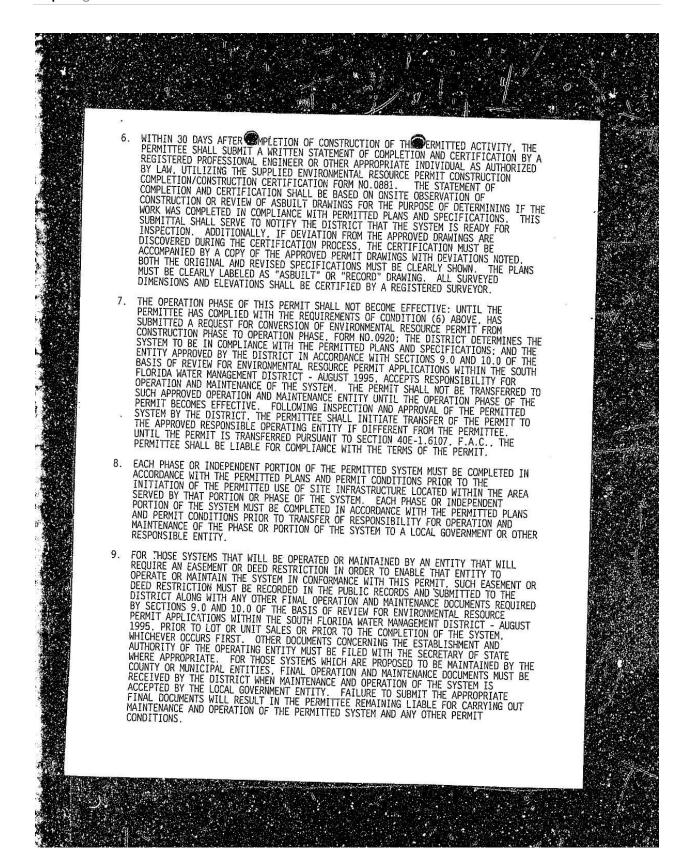

12. A person whose substantial interests are, or may be, affected by the SFWMD's action may choose mediation as an alternative remedy under Section 120.573, Fla. Stat. Pursuant to Rule 28-106.111(2), Fla. Admin. Code, the petition for mediation shall be filed within 21 days of either written notice through mail or posting or

Revised August, 2000

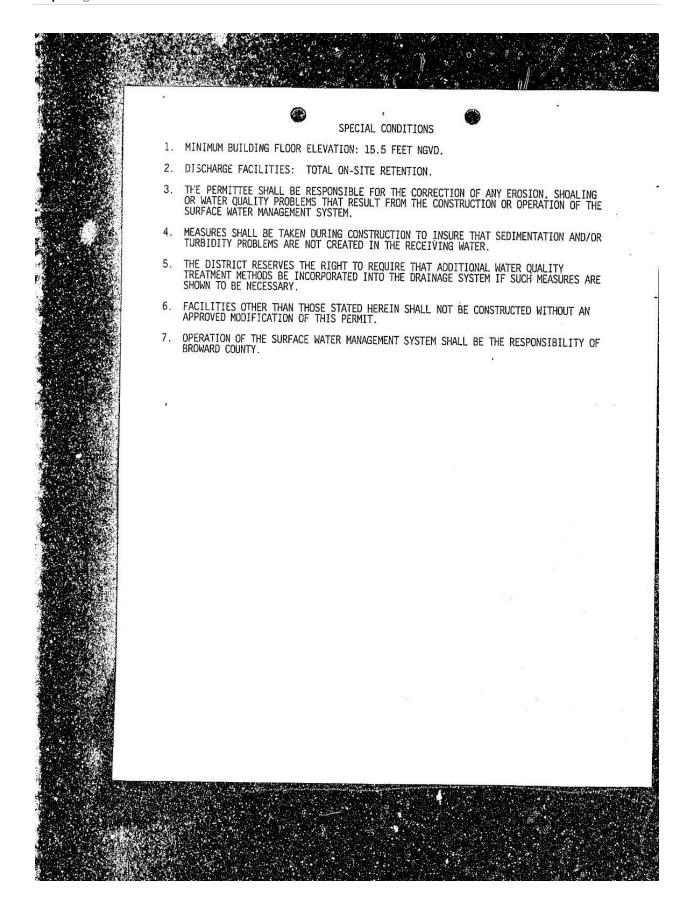

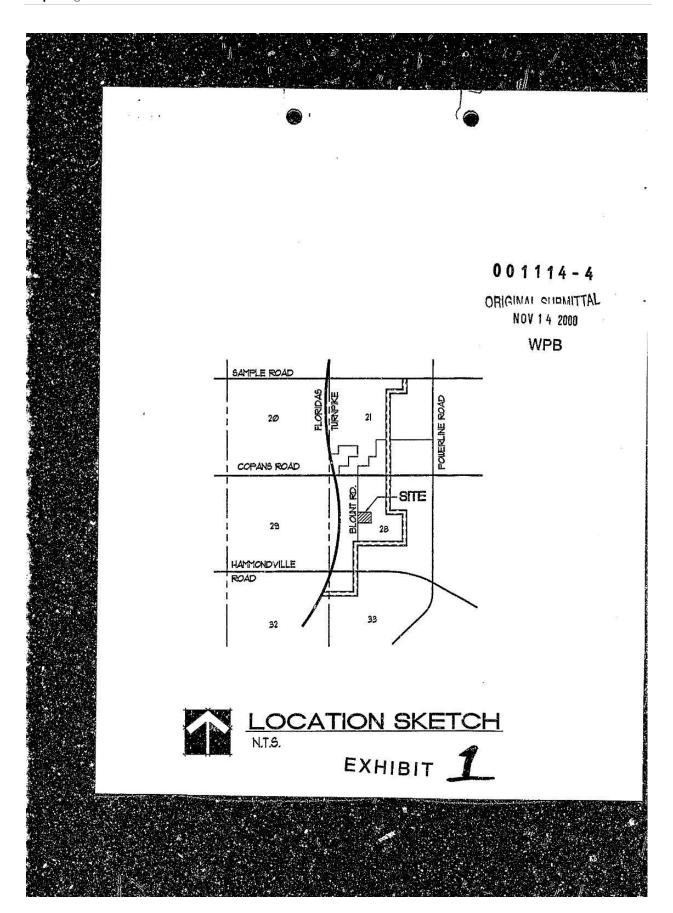

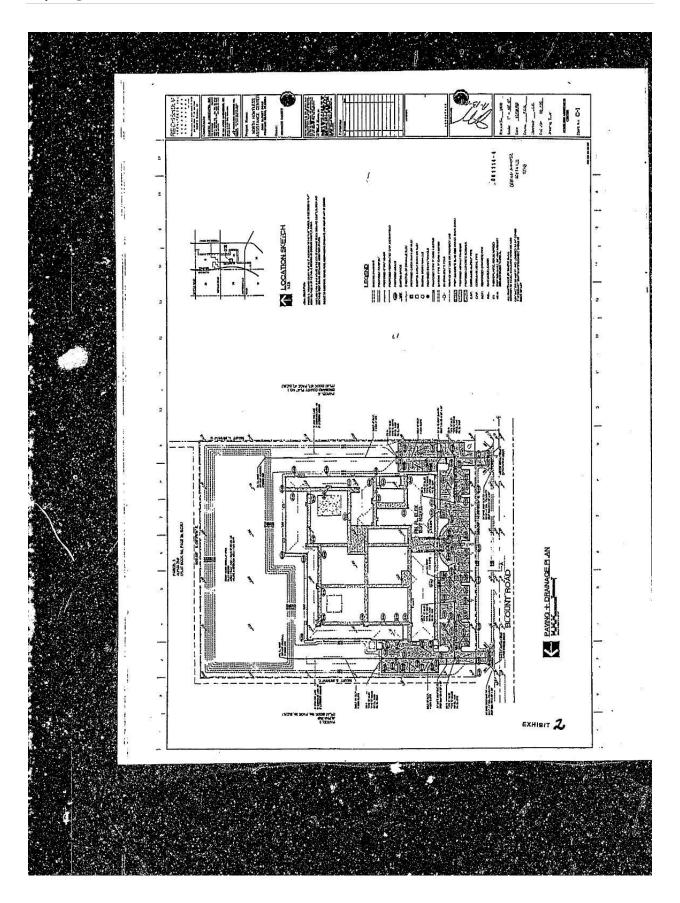

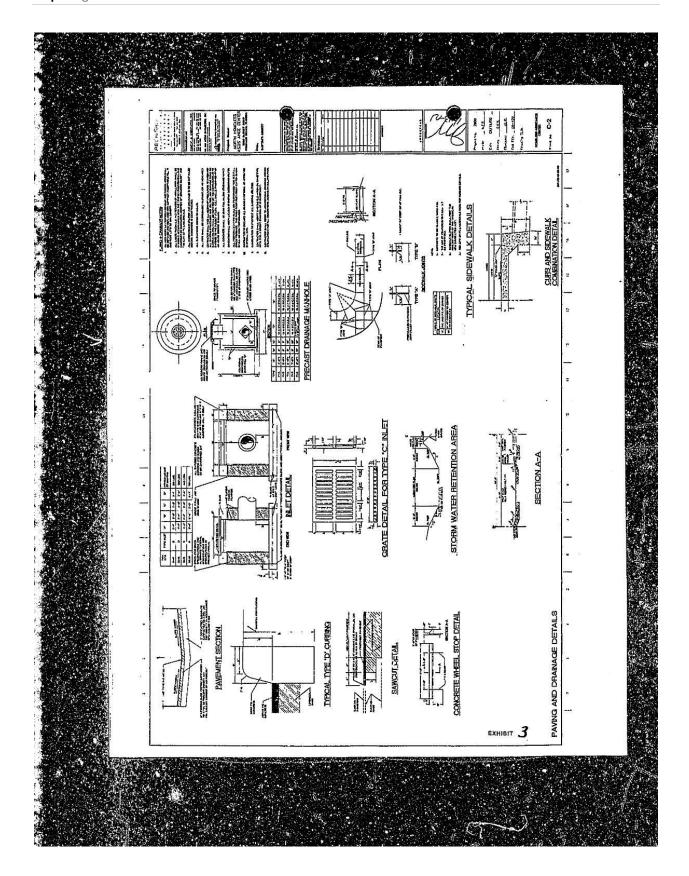

- 10. SHOULD ANY OTHER REGULARY AGENCY REQUIRE CHANGES TO THE PERMITTED SYSTEM, THE PERMITTEE SHALL NOTIFY THE DISTRICT IN WRITING OF THE CHANGES PRIOR TO IMPLEMENTATION SO THAT A DETERMINATION CAN BE MADE WHETHER A PERMIT MODIFICATION IS REQUIRED.
- 11. THIS PERMIT DOES NOT ELIMINATE THE NECESSITY TO OBTAIN ANY REQUIRED FEDERAL, STATE. LOCAL AND SPECIAL DISTRICT AUTHORIZATIONS PRIOR TO THE START OF ANY STATE. LOCAL AND SPECIAL DISTRICT AUTHORIZATIONS PRIOR TO THE START OF ANY ACTIVITY APPROVED BY THIS PERMIT. THIS PERMIT DOES NOT CONVEY TO THE PERMITTEE OR CREATE IN THE PERMITTEE ANY PROPERTY RIGHT, OR ANY INTEREST IN REAL PROPERTY, NOR DOES IT AUTHORIZE ANY ENTRANCE UPON OR ACTIVITIES ON PROPERTY WHICH IS NOT OWNED OR CONTROLLED BY THE PERMITTEE, OR CONVEY ANY RIGHTS OR PRIVILEGES OTHER THAN THOSE SPECIFIED IN THE PERMIT AND CHAPTER 40E-4 OR CHAPTER 40E-40, F.A.C.
- 12. THE PERMITTEE IS HEREBY ADVISED THAT SECTION 253.77, F.S. STATES THAT A PERSON MAY NOT COMMENCE ANY EXCAVATION, CONSTRUCTION, OR OTHER ACTIVITY INVOLVING THE USE OF SOVEREIGN OR CTHER LANDS OF THE STATE. THE TITLE TO WHICH IS VESTED IN THE BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND WITHOUT OBTAINING THE REQUIRED LEASE, LICENSE, EASEMENT, OR OTHER FORM OF CONSENT AUTHORIZING THE PROPOSED USE. THEREFORE, THE PERMITTEE IS RESPONSIBLE FOR OBTAINING ANY NECESSARY AUTHORIZATIONS FROM THE BOARD OF TRUSTEES PRIOR TO COMMENCING ACTIVITY ON SOVEREIGNTY LANDS OR OTHER STATE-OWNED LANDS.
- 13. THE PERMITTEE MUST OBTAIN A WATER USE PERMIT PRIOR TO CONSTRUCTION DEWATERING, UNLESS THE WORK QUALIFIES FOR A GENERAL PERMIT PURSUANT TO SUBSECTION 40E-20.302(4), F.A.C., ALSO KNOWN AS THE "NO NOTICE" RULE.
- 14. THE PERMITTEE SHALL HOLD AND SAVE THE DISTRICT HARMLESS FROM ANY AND ALL.

 DAMAGES. CLAIMS. OR LIABILITIES WHICH MAY ARISE BY REASON OF THE CONSTRUCTION, ALTERATION, OPERATION, MAINTENANCE, REMOVAL, ABANDONMENT OR USE OF ANY SYSTEM AUTHORIZED BY THE PERMIT.
- 15. ANY DELINEATION OF THE EXTENT OF A WETLAND OR OTHER SURFACE WATER SUBMITTED AS PART OF THE PERMIT APPLICATION, INCLUDING PLANS OR OTHER SUPPORTING DOCUMENTATION, SHALL NOT BE CONSIDERED BINDING UNLESS A SPECIFIC CONDITION OF THIS PERMIT OR A FORMAL DETERMINATION UNDER SECTION 373.421(2), F.S., PROVIDES OTHERWISE.
- 16. THE PERMITTEE SHALL NOTIFY THE DISTRICT IN WRITING WITHIN 30 DAYS OF ANY SALE, CONVEYANCE, OR OTHER TRANSFER OF OWNERSHIP OR CONTROL OF A PERMITTED SYSTEM OR THE REAL PROPERTY ON WHICH THE PERMITTED SYSTEM IS LOCATED. ALL TRANSFERS OF OWNERSHIP OR TRANSFERS OF A PERMIT ARE SUBJECT TO THE REQUIREMENTS OF RULES 40E-1.6105 AND 40E-1.6107, F.A.C. THE PERMITTEE TRANSFERRING THE PERMIT SHALL REMAIN LIABLE FOR CORRECTIVE ACTIONS THAT MAY BE REQUIRED AS A RESULT OF ANY VIOLATIONS PRIOR TO THE SALE, CONVEYANCE OR OTHER TRANSFER OF THE SYSTEM.
- 17. UPON REASONABLE NOTICE TO THE PERMITTEE, DISTRICT AUTHORIZED STAFF WITH PROPER IDENTIFICATION SHALL HAVE PERMISSION TO ENTER, INSPECT, SAMPLE AND TEST THE SYSTEM TO INSURE CONFORMITY WITH THE PLANS AND SPECIFICATIONS APPROVED BY THE PERMIT.
- 18. IF HISTORICAL OR ARCHAEOLOGICAL ARTIFACTS ARE DISCOVERED AT ANY TIME ON THE PROJECT SITE. THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE APPROPRIATE DISTRICT SERVICE CENTER.
- 19. THE PERMITTEE SHALL IMMEDIATELY NOTIFY THE DISTRICT IN WRITING OF ANY PREVIOUSLY SUBMITTED INFORMATION THAT IS LATER DISCOVERED TO BE INACCURATE.

PERMIT SUMMARY SHEET

APPLICATION NUMBER: 001114-4

LOCATION: BROWARD COUNTY, S28/T48S/R42E

OWNER: BROWARD COUNTY

PROJECT AREA: 6.69 ACRES DRAINAGE AREA:

6.69 ACRES

PROJECT USE: INSTITUTIONAL

FACILITIES:

1. PROPOSED: This application is for the construction and operation of a surface water management system to serve a 6.69 acre institional development known as North Homeless Assistance Center. The

proposed surface water maragement system will consist of inlets, culverts, swales, and a dry retention area which will provide water quality treatment and storage. No offsite discharge is proposed.

PROJECT LIVEL:

DRAINAGE BASIN: C-14 EAST

RECEIVING BODY: ON SITE RETENTION

WATER QUALITY:

Water quality treatment will be provided within the onsite dry retention pond.

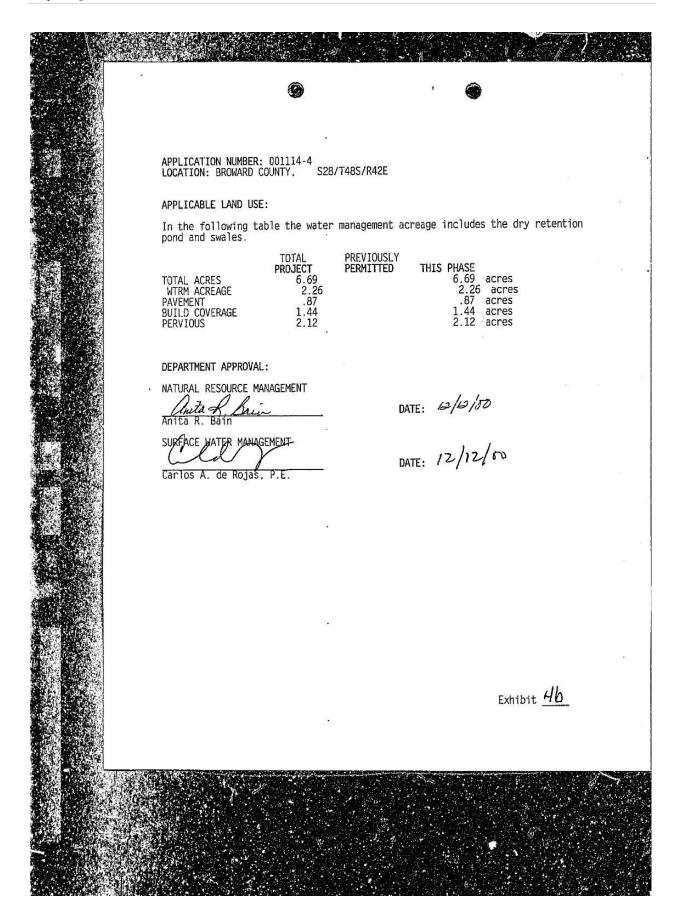

ENVIRONMENTAL ASSES LENT:

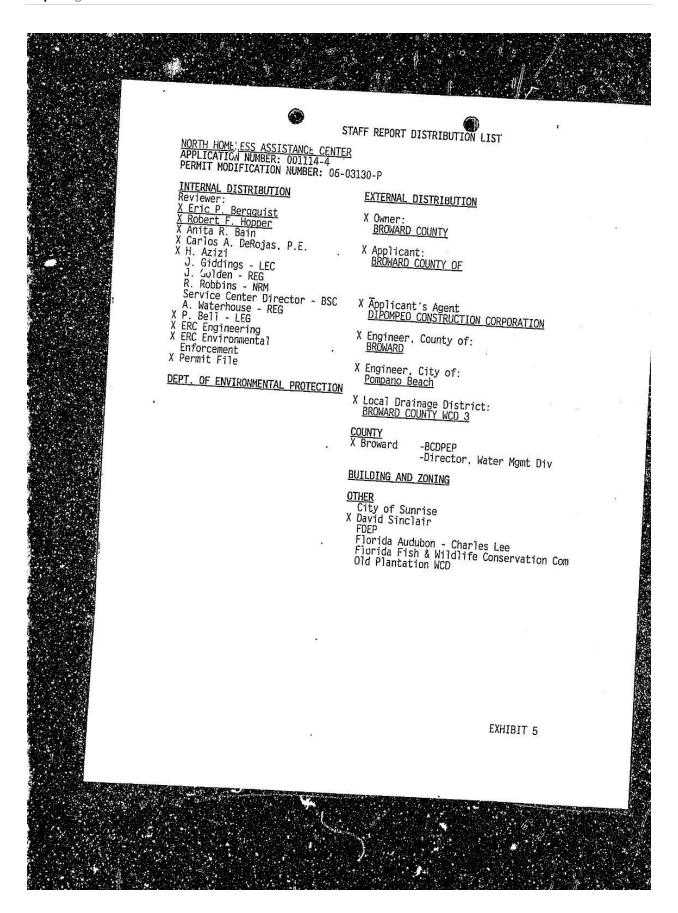

ENVIRONMENTAL SUMMARY:

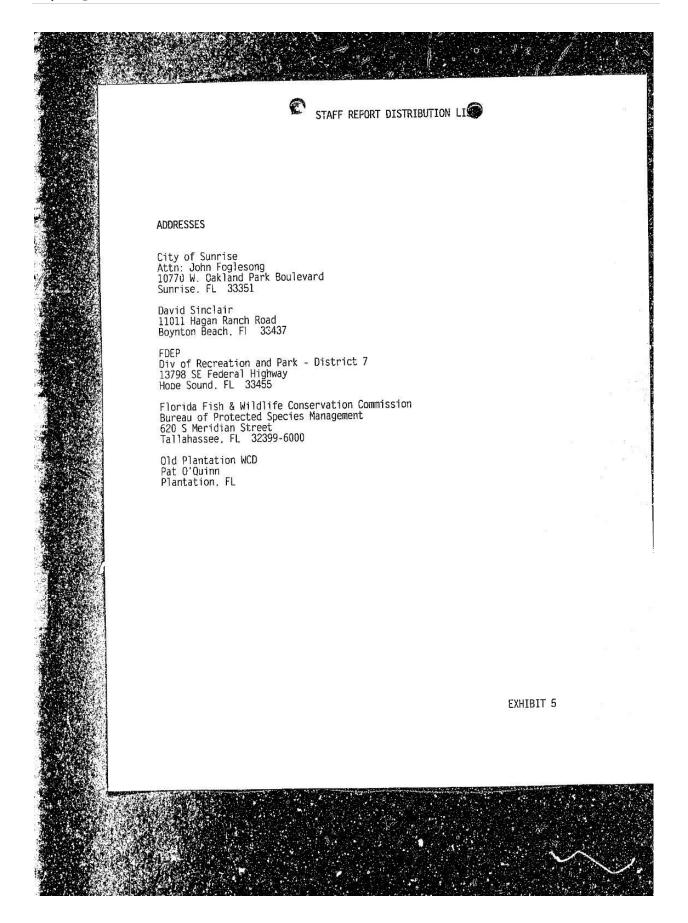

The project site consists of a 6.7 acre upland parcel in the City of Pompano Beach, Broward County, Florida. The surrounding land use consists of roadways, cleared parcels, and commercial development. The applicant proposes to construct a surface water management system for a county homeless assistance center and associated parking. There are no wetlands present on site and no wetland protection or mitigation requirements for this parcel.

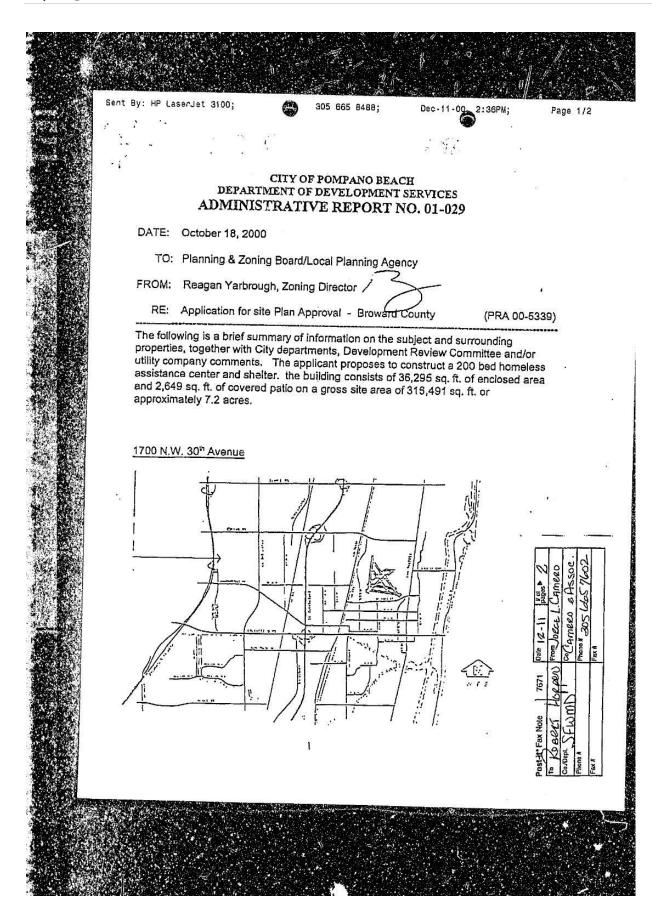

The proposed activities have been reviewed for potential secondary and curulative impacts and to determine if the project is contrary to the public interest. Based on the proposed project design, the District has determined that the project will not cause adverse secondary or cumulative impacts to the water resources and is not contrary to the public interest.

Exhibit Ha

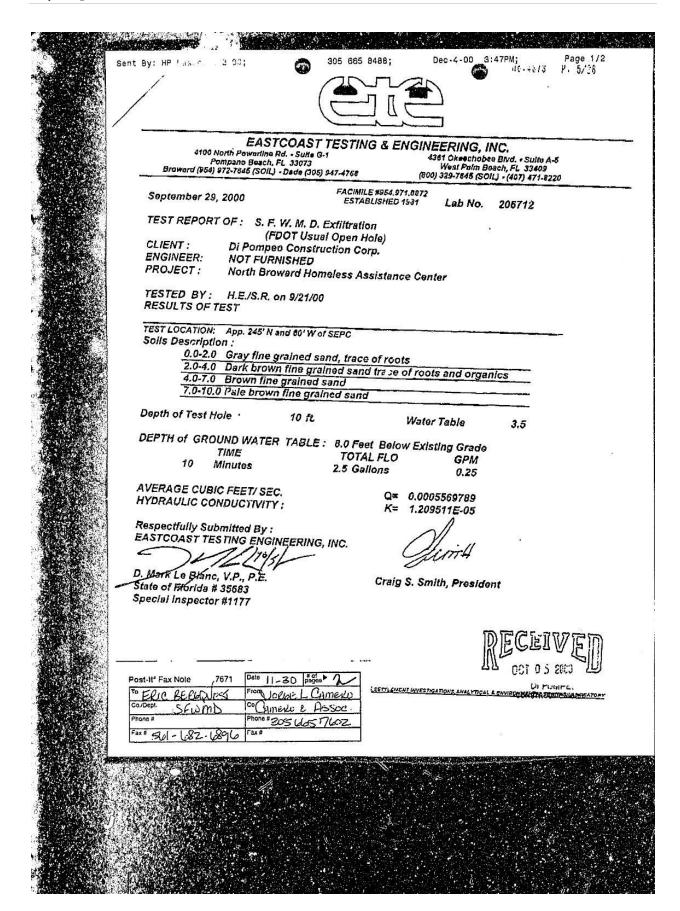

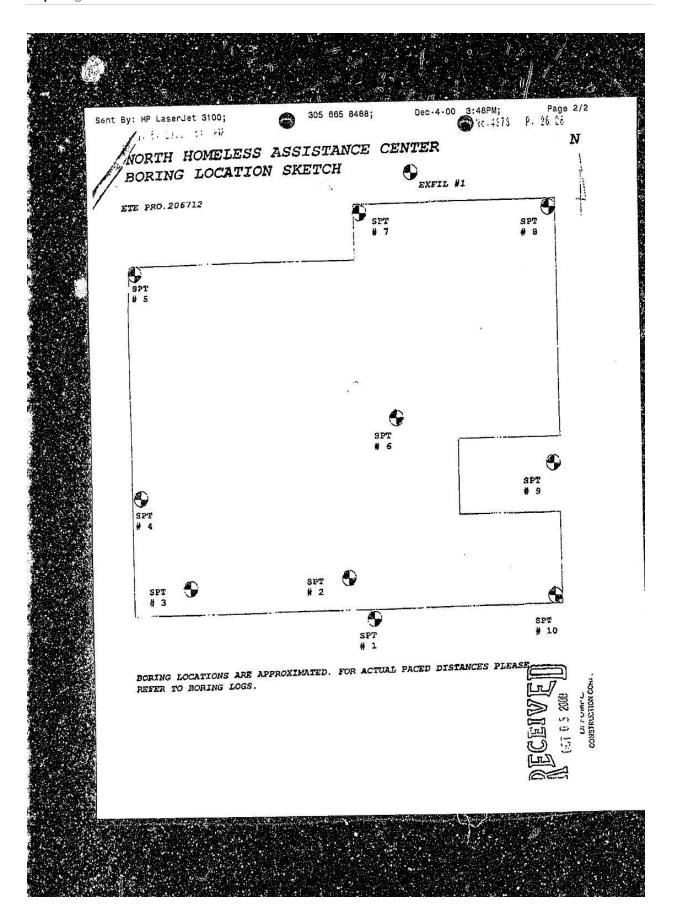

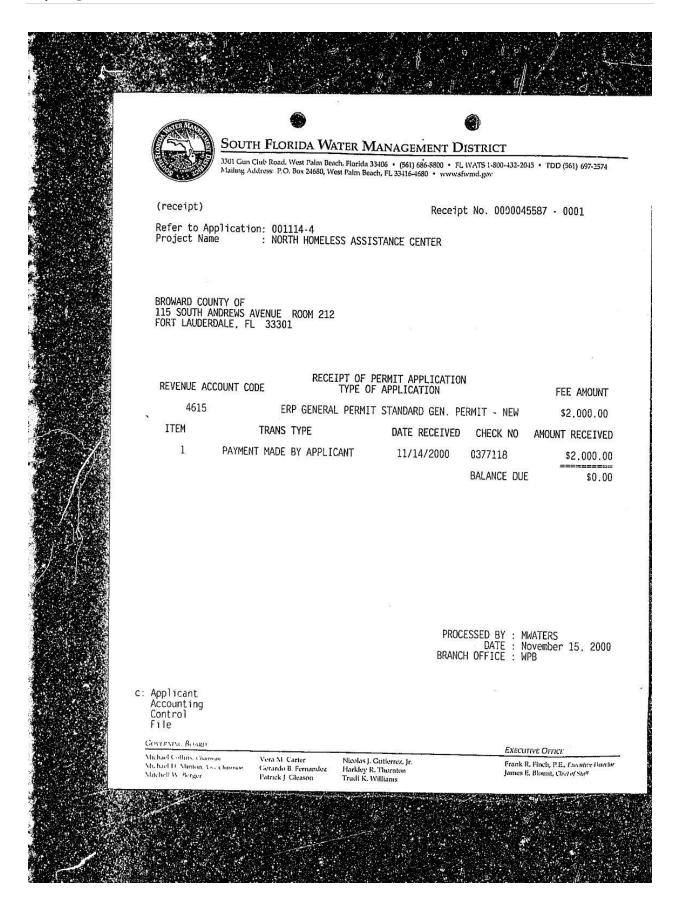

305 665 8488; ZONING DEPARTMENT RECOMMENDATION This application was reviewed at a DRC meeting held on 9/6/00 and has been revised to substantially comply with departments comments. Zoning Department staff recommends approval subject tot he following conditions: 1) Applicant must be granted Special Exception approval from the Zoning Board of Appeals for the proposed use. 2) Provide updated surveys with building permit sets. 3) Correct the site data relative to the canopy and lot coverage. 4) Correct parking space size to 10' x 20' as required by code. 5) Photometric plan shall be corrected to insure light spillage will not exceed 3.0 footcandles at property lines. 6) Correct light pole and tree island conflicts. 7) Provide an irrigation plan for the entire property to meet code requirements.

The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the needed data, and completing and submitting the form. This collection is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed on this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing this burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 1800 South Bell Street, Arlington, VA 20598-3005, Paperwork Reduction Project (1660-0015). NOTE: Do not send your completed form to this address.

This form must be completed for requests involving the existing or proposed placement of fill (complete Section A) OR to provide acknowledgment of this request to remove a property from the SFHA which was previously located within the regulatory floodway (complete Section B).

This form must be completed and signed by the official responsible for floodplain management in the community. The six digit NFIP community number and the subject property address must appear in the spaces provided below. Incomplete submissions will result in processing delays. Please refer to the MT-1 instructions for additional information about this form.

Community Number: 120055 Property Name or Address: 1700 NW 30 Avenue

A. REQUESTS INVOLVING THE PLACEMENT OF FILL

As the community official responsible for floodplain management, I hereby acknowledge that we have received and reviewed this Letter of Map Revision Based on Fill (LOMR-F) or Conditional LOMR-F request. Based upon the community's review, we find the completed or proposed project meets or is designed to meet all of the community floodplain management requirements, including the requirement that no fill be placed in the regulatory floodway, and that all necessary Federal, State, and local permits have been, or in the case of a Conditional LOMR-F, will be obtained. For Conditional LOMR-F requests, the applicant has or will document Endangered Species Act (ESA) compliance to FEMA prior to issuance of the Conditional LOMR-F determination. For LOMR-F requests, I acknowledge that compliance with Sections 9 and 10 of the ESA has been achieved independently of FEMA's process. Section 9 of the ESA prohibits anyone from "taking" or harming an endangered species. If an action might harm an endangered species, a permit is required from U.S. Fish and Wildlife Service or National Marine Fisheries Service under Section 10 of the ESA. For actions authorized, funded, or being carried out by Federal or State agencies, documentation from the agency showing its compliance with Section 7(a)(2) of the ESA will be submitted. In addition, we have determined that the land and any existing or proposed structures to be removed from the SFHA are or will be reasonably safe from flooding as defined in 44CFR 65.2(c), and that we have available upon request by DHS-FEMA, all analyses and documentation used to make this determination. For LOMR-F requests, we understand that this request is being forwarded to DHS-FEMA for a possible map revision.

Notes:

- a. Property on Dr. Martin Luther King Jr. Blvd. acquired October 1998 from Sara Harry
 @ \$75,000 for 0.813 acres.
- b. Liberty Park property acquired from School Board October 1999 @ \$35,000 for 1.13 acres.
- c. Avondale Park site acquired from Gerry Gorman December 1999 @ \$210,000 for 2.5927 acres.
- d. Cresthaven Park acquired by annexation effective September 2000 for 1.43 acres
- e. Cresthaven Elementary School acquired by annexation effective September 2000 for 2.3 acres.
- f. Removed CRA Plat Park 2.3 acres.
- g. Added Canal Pointe Park of 10.744 acres, acquired
- h. Added Hunters Manor, 8.26 acres, acquired July 21, 2000 from Hunter-8 & Landco IV for \$423,915.14
- Removed Carver Homes Park of 17.2 acres after Land Use Plan amendment, passed July 24, 2001, Ordinance 2001-77.
- Added Cresthaven Park (1.4 acres) and Cresthaven Elementary School (2.3 acres) after Land Use Plan amendment passed January 22, 2002 Ordinance 2002-31.
- k. Added 8.3 acres Hunter's Manor Park purchased through Broward County Safe Parks and Land Preservation Bond Program and removed old Hunters Manor Park (8.3 acres).
- Northwest Multi-Purpose Center 13,526 sq.ft on 2.92 acres, southwest corner of NW 6th Avenue and Dr. Martin Luther King Jr., Blvd.
- m. Southwest Multi-Purpose 13,503 sq.ft. on 3.46 acres, SW 36th Avenue and W. Palm Aire Dr.
- n. Canal Pointe Park, new acreage, 12.39 acres
- Old Water Tower site at Flagler and SW 8th Street, Coscan, developer of Cypress Grove Townhouses, landscaped site into a park, 0.23 acres
- Community Park revised acreage from 67.0 to 71.08 acres based upon Pompano Beach Air Park and Recreational Facilities Plat
- q. Highlands Park, 1650 NE 50th Court, 2.87 acres, added after annexation of Pompano Highlands.
- r. Unnamed Park at NE 42nd Court & NE 15th Avenue, 2.29 acres, added after annexation of Pompano Highlands.
- North Pompano Park, 4400 NE 18th Avenue, 20.45 acres, added after annexation of Pompano Highlands.
- Norcrest Elementary School, 3951 NE 16th Avenue, 6.20 acres, added after annexation of Pompano Highlands.
- Crystal Lake Middle School, 3551 NE 3rd Avenue, 3.16 acres, added after annexation of Leisureville, Loch Lomond, Kendall Green.
- Palm View Elementary School, 2601 NE 1st Avenue, , added after annexation of Leisurevile, Loch Lomond, Kendall Green.
- w. Broward County Environmental Land, Crystal Lake Sand Pine Scrub Park, 24.25 acres
- x. Broward County Environmental Land, The Jungle in Pompano Highlands, 38.70 acres
- y. 220 East Atlantic Park, Atlantic Blvd and Cypress Road, 0.94 acres
- z. Cypress Run Alternative School, 5.5 acres
- aa. The city purchased property in Palm Aire containing 4.92 acres at a cost of \$750,000 by Resolution 2009-148 approved on March 24, 2009.
- bb. Added the 3.2 acres in Oceanside Park which was missing from the inventory. This was discovered when the 3.37 acres of that 6.56 acre parcel was converted to CF for Fire Station #11 from the Public Beach acreage on October 26, 2010.
- cc. Added the 1.8 acres for Canine Corner on October 13, 2010.
- dd. Updated park names, added missing parks (Annie Adderly Park, Sanders Park, Lovely Park, NE 16th Street Park, removed duplicate listings, December 2012.
- ee. Removed 5.41 acres from Beach Park for land use plan amendment on Pier Parking Lot converting it to Commercial land use, January 2014.

Juan Chapa Planning Intern **KEITH** 301 E Atlantic Boulevard Pompano Beach, FL 33060

RE: City of Pompano Beach 1700 NW 30 Ave, Pompano Beach Land Use Plan Amendment

Dear Mr. Chapa:

Broward County Transit (BCT) has reviewed your correspondence dated June 23, 2022. regarding the City of Pompano Beach 1700 NW 30 Ave, Pompano Beach Land Use Plan Amendment (LUPA) of the property located in the City of Pompano Beach for current and planned transit service. The transit service provided within a quarter mile of the amendment site is limited to the Pompano Beach Community Shuttle Blue Route. Please refer to the following table for detailed information.

COMMUNITY SHUTTLE ROUTE	DAYS OF SERVICE	SERVICE SPAN A.M. – P.M	SERVICE FREQUENCY
Pompano Beach Blue Route	Weekday	9:05a-5:02p	70 minutes

BCT can accommodate additional transit demand, as described in the Mass Transit Analysis, with planned fixed route bus service to the amendment site.

As part of the 30 year, one-cent surtax for transportation, BCT will be implementing fixed route bus improvements, including shorter headways and increased span of service on weekdays and weekends. The development of subject property will support the utilization of mass transit by increasing the employment opportunities along an existing transit route. The proposed development will provide safe circulation routes for pedestrians and bicycles including transit connectivity between existing sidewalks and proposed future bus stops.

Please be advised that the needs of any existing or future bus stops located adjacent or within the amendment site will be addressed during the project's development review process.

The benchmark enrollment count taken on the first Monday following Labor ay is used to apply individual charter school enrollment impacts against school facility review processes.

School Capacity Availability Determination - Prepared by the Facility Planning and Real Estate Department - The School Board of Broward County, Florida

Comments

Staff reviewed the application for 138 (two or more bedroom) midrise units, which are anticipated to generate 11 (3 elementary, 3 middle and 5 high school) students.

Please be advised that this application was reviewed utilizing 2021/22 school year data because the current school year (2022/23) data will not be available until updates are made utilizing the Benchmark Day Enrollment Count. The school Concurrency Service Areas (CSA) impacted by the project in the 2021/22 school year include harles Drew Elementary, Crystal Lake Middle and Coconut Creek High Schools. Based on the Public School Concurrency Planning Document (PSCPD), all three schools re currently operating below the Level of Service Standard (LOS), which is established as the higher of: 100% gross capacity or 110% permanent Florida Inventory of school Houses (FISH) capacity. These schools are expected to maintain their status through 2023/24. These projections incorporate the cumulative students anticipated om this project and approved and vested developments anticipated to be built within the next three years (2021/22- 2023/24). Additionally, the FISH capacity for the npacted schools reflects compliance with the class size constitutional amendment.

)ata regarding the charter schools located within a two-mile radius of the site in the 2021/22 school year are depicted above. Students returning, attending or anticipated to ttend charter schools are factored into the five-year student enrollment projections for District schools. Enrollment projections are adjusted for all elementary, middle and igh schools impacted by a charter school until the charter school reaches full enrollment status.

o ensure maximum utilization of the impacted CSA, the Board may utilize school boundary changes to accommodate students generated from developments in the county. Capital Improvements scheduled in the currently Adopted District Educational Facilities Plan (DEFP), Fiscal Years 2020/21 to 2024/25 regarding pertinent npacted schools are included above.

his application satisfies public school concurrency on the basis that there is adequate school capacity anticipated to be available to support the project as proposed. This reliminary determination shall be valid for 180 days for a maximum of 138 (two or more bedroom) midrise units and conditioned upon final approval by the applicable overnmental body. As such, this Preliminary School Capacity Availability Determination (SCAD) Letter will expire on February 14, 2023. This preliminary school oncurrency determination shall be deemed to be void unless prior to the referenced expiration of the preliminary SCAD, notification of final approval to the District has een provided and/or an extension of this preliminary SCAD has been requested in writing and granted by the School District. Please be advised that expiration of the CAD will require a submission of a new application and fee for a new public school concurrency determination. Upon the District's receipt of sufficient evidence of final pproval which shall minimally specify the number, type and bedroom mix for the approved residential units, the District will issue and provide a final SCAD letter for the pproved units, which shall ratify and commence the vesting period for the approved residential project.

lease be advised that if a change is proposed to the development, which increases the number of students generated by the project, the additional students will not be onsidered vested for public school concurrency.

School Capacity Availability Determination - Prepared by the Facility Planning and Real Estate Department - The School Board of Broward County, Florida

		EXHIBIT L		
	Threatened	& Endangered Speci	es Survey	
BPHI – LAND USE AN	MENDMENT – Septemb	er 29, 2022		

September 7, 2022

Mr. Timothy Gray, PSM, CFM Project Surveyor II, Associate KEITH & Associates 301 E Atlantic Blvd Pompano Beach, FL 33060

RE: Broward Partnership for the Homeless
Threatened & Endangered Species Survey
TCG Project No. 22-0074

Dear Mr. Gray:

The Chappell Group, Inc. (TCG) performed a Threatened and Endangered Species Survey for the above referenced project. The project area consisted of the eastern portion of the ±6.7-acre property (Folio No. 484228250050) located at 1700 NW 30th Avenue in Section 28, Township 48, Range 42, in the City of Pompano Beach, Broward County, Florida. The property consisted of an existing homeless shelter with associated parking lot and retention area.

The purpose of this letter is to provide information on the identification of any endangered, threatened, or listed species of special concern observed on the property at the time of the inspection and/or the evidence of foraging or nesting of endangered, threatened, or listed species on the site. Three (3) qualified biologists from TCG conducted an on-site visual investigation of the subject site for indications of endangered, threatened, or listed species on September 7th, 2022. The investigation consisted of traversing the site to provide an overlapping field of view to determine if threatened or endangered species and/or threatened or endangered species habitat was located on the site (Figure 1). To conduct the assessment, numerous line and meandering transects were conducted throughout the site to ensure complete visual coverage.

Observed vegetation on-site consisted of native species, invasive species, trees and groundcovers common to disturbed uplands and retention areas. Species observed included but were not limited to torpedo grass (*Panicum repens*), Brazilian pepper (*Schinus terebinthifolia*), royal poinciana (*Delonix regia*), cocoplum (*Chrysobalanus icaco*), bald cypress (*Taxodium distichum*), willow trees (*Salix caroliniana*), and muscadine (*Vitis rotundifolia*).

The USDA-NCSS, SSURGO and STATSGO Digital Soil Survey was also reviewed to determine the soil characteristics of the subject parcel. The survey revealed the subject

Environmental Consultants | Marina & Wetland Permitting | Mitigation Design & Monitoring | T & E Species Surveys | Tree Surveys/Appraisals

parcel consists of Immokalee fine sand which is poorly drained and is classified as a hydric soil by the U.S.D.A. Natural Resource Conservation Source (NRCS). Sandy soils are typically the most desired soil type for listed species such as gopher tortoise (Gopherus polyphemus), burrowing owl (Athene cunicularia), and the eastern indigo snake (Drymarchon couperi) due to their underground nesting and foraging habits.

Given the nature of the disturbed soils and vegetation observed onsite and the absence of direct evidence related to endangered, threatened, or listed species, use of the subject by such species would not be anticipated. The wildlife observed on site during the investigation was limited to a mockingbird (*Mimus polyglottos*).

Based on the site investigation, the location of the parcel, and the type of soil and vegetation observed, it was determined that no listed, endangered, or threatened species or evidence of nesting or foraging of these types of species existed on the property at the time of the inspection. The subject parcel is in an area surrounded by existing commercial, residential properties, and roadways/highways; and therefore, provides little habitat support for the potential use by endangered, threatened, or listed species. There is no proposed action which has the potential for a "Take" of threatened and endangered species present at the development site as a result of the project. A "Take," meaning to harass, harm, pursue, hunt, shoot, wound, kill, trap, capture, or collect, or attempt to engage in any such conduct, will not occur to threatened and endangered species present in the county as a result of this project.

This letter and the information contained herein is based on the existing site conditions observed at the time of the survey inspection. If you have any further questions or comments, please feel free to contact my office at (954) 782-1908 or via email at jena@thechappellgroup.com.

Sincerely,

THE CHAPPELL GROUP, INC.
