MEMORANDUM NO. 24-13

DATE: December 6, 2023

TO: Gregory P. Harrison, City Manager

VIA: A. Randolph Brown, Utilities Director

FROM: Mondy Claude, Utilities Business Operations Analyst

SUBJECT: Amendment 1 to SRF WW06247 Non-Sewer Area C

October 25, 2022, City Officials approved Resolution 2023-12 authorizing the Utilities Department to accept the State of Florida Department of Environmental Protection Revolving Loan for WW062470 in the amount of \$2,882,108. The expected completion of the project on the loan was February 2024. However due to some redesigning setbacks in the Lift station, an extension was granted via Amendment 1, with a new completion date of August 2025.

Recommendation

Since there have been no changes to the loan amount or projects associated to this loan, the Utilities Department recommend that the Mayor sign this amendment which reflects a modification to simplify the language of the SRF standard loan agreement and a new completion date of August 2025.
