Scott –

I wanted to reach out to you quickly about this item.

It was our intent to supplement the record to address some of the items raised in the Staff Report, etc. Unfortunately there was not sufficient time to do this. As you know, between the last hearing and this hearing several major events have taken place in the South Florida Market (Ultra, F1, concerts, etc.) and my client has been involved in all of them. As a result we could not supplement the record.

We would like to continue this request until the June Agenda. I know that this continuance is at the discretion of the Board and I will be in attendance at the ZBA hearing tonight to request the continuance. I just wanted to make you aware of this prior to the occurrence of the meeting.

Thanks,

Rod
