

The technical drawing illustrates a bus stop shelter with various dimensions and accessibility features:

- Dimensions:**
 - 143: Height from ground level to the top edge of the roof.
 - 145: Distance between two vertical support posts.
 - 236: Total width of the shelter structure.
- Accessibility Features:**
 - A ramp with a slope indicator (triangle) leads up to the shelter platform.
 - Two wheelchair symbols are shown on the platform floor, indicating designated seating areas.
 - A small square symbol with a diagonal line is located near the entrance.
- Orientation and Flow:**
 - Arrows indicate the direction of pedestrian flow towards and away from the shelter.
 - An arrow points towards the bus lane, which is labeled "BUS LANE".
- Other Details:**
 - A dashed line indicates the boundary between the sidewalk and the road.
 - A solid line represents the curb or edge of the road.
