RE: Pompano Beach Community Bus Recommended Modifications to Blue and Red Routes

Mayor, Vice Mayor and City Commissioners,

The purpose of this memo is to allow you to review the proposed changes associated with the Blue and Red Community Bus Program Routes. The Budget Office has received several requests from our residents and businesses to modify both the Blue and Red Routes. In order to better serve their transportation needs, the City and Broward County Transit (BCT) worked together to evaluate both routes and provide recommendations. There is no financial impact associated with the recommended changes. Attached you will find the existing maps and the proposed maps where the modifications described below are illustrated:

➤ **Blue Route** modifications include:

1. Festival Flea Market and the loop road-segment from NW 6th Avenue to NW 15th Street back to MLK Blvd. will be eliminated from the Blue Route and will be added to the Red Route.
2. Saint Joseph Manor, an assisted living facility, located at 1220 NW 6th Avenue will be added to both routes.
3. Tri-Rail Station will be added to the Blue Route.
4. Blount Road will be served at 4:42 p.m.
5. Hours of operation will change from 8:40 a.m. - 4:37 p.m. to 9:05 a.m. - 5:02 p.m.

➤ **Red Route** modifications include:

1. Festival Flea Market and the loop road-segment from NW 6th Avenue to NW 15th Street back to MLK Blvd., were eliminated from the Blue Route and they are added to the Red Route.
2. Oak Clubhouse Building and Parking Lot of Building #52 on Palm Aire Blvd. North stops will be eliminated from the proposed Red Route.
3. Westbound MLK Blvd. from NW 7th Ave to NW 13th Avenue will not be covered on the proposed Red Route. This segment-street is mostly industrial with commercial buildings and no records of ridership from the data collection sheet. However, eastbound direction will be covered as shown on the map.
4. Serving Isle Casino as a bus stop.
5. Hours of operation will remain the same from 9:00 a.m. - 4:57 p.m.

If the Commission gives consent to the proposed changes, then the City will need to first hold a public meeting to garner feedback from our residents and businesses. After holding the public meeting, the City will then need to hold a public hearing to adopt the proposed changes. Please note that, date, time and location for both the public meeting and hearing have yet to be set, that will be coordinated with BCT, and the Commission will be properly notified.

If you have any questions, please feel free to contact me at (954) 786-4065.
