

Pompano Beach Fire Rescue

FIRE ADMINISTRATION
MEMO # 22-A060

To: Mark Berman, City Attorney
From: Chad Brocato, Fire Chief
Date: 06/08/22
Re: Resolution Request

I kindly request a Resolution for the City Commission to approve Pompano Beach Fire Rescue's Strategic Plan for 2023-2027.

The purpose of this request is to obtain Commission approval of our Strategic Plan as a required element of accreditation. If the plan is not adopted, it may negatively impact the chances of attaining accreditation through the Commission for Accrediting Ambulance Services (CAAS). There would also be a negative impact to our existing Commission for Fire Accreditation International (CFAI), which requires ongoing communications between the governing body and accredited agency, including but not limited to annual planning.

This Resolution is requested to be added to the July 12, 2022 City Commission's agenda.
