

CITY OF POMPANO BEACH
Broward County, Florida

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF POMPANO BEACH, FLORIDA, APPROVING AND AUTHORIZING THE CITY MANAGER OR HIS DESIGNEE TO SUBMIT AN APPLICATION TO THE FLORIDA INLAND NAVIGATION DISTRICT WATERWAYS ASSISTANCE PROGRAM FOR REPLACEMENT OF THE DOCK AND SEAWALL AT ALSDORF PARK; PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Pompano Beach is interested in carrying out the following described project, "Project," for the enjoyment of the citizenry of Pompano Beach and the State of Florida:

Project Title: Alsdorf Park Dock and Seawall Replacement

Total Estimated Cost: \$950,000.00

Brief Description of Project: The Alsdorf Park seawall was originally built in the late 1970's and has gone through numerous repairs throughout its life-cycle. In 2018, a seawall study was updated and found the Alsdorf Park seawall and dock to be in failing condition. Alsdorf Park receives high boat and foot traffic and the impact from the waterways have caused the dock and seawall to deteriorate. The City plans to demolish the existing dock and seawall located east of the most eastern boat ramp along the Caliban Canal to the Intracoastal waterway and build a new seawall and dock. The new seawall and dock will be built to the new 2035 County recommended code height of 4' NAVD, or greater, to help combat sea level rise. In 2019, the City did temporary repairs to the dock to make sure it was safe for pedestrian and boat traffic until the above-mentioned project is implemented.

And, Florida Inland Navigation District's financial assistance is required for the said project; now, therefore,

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF POMPANO BEACH, FLORIDA:

SECTION 1. That the Alsdorf Park Dock and Seawall Replacement project described above is hereby approved.

SECTION 2. That the City makes application to the Florida Inland Navigation District in the amount of Four Hundred Seventy-Five Thousand Dollars and 00/100 (\$475,000.00), 50% of the actual cost of the project on behalf of said City of Pompano Beach.

SECTION 3. That the City commission certifies to the following:

A. That it will accept the terms and conditions set forth in FIND Rule 66B-2 F.A.C. and which will be a part of the Project Agreement for any assistance awarded under the attached proposal.

B. That it is in complete accord with the attached proposal and that it will carry out the Program in the manner described in the proposal and any plans and specifications attached thereto unless prior approval for any change has been received from the District.

C. That it has the ability and intention to finance its share of the cost of the project, and that the project will be operated and maintained at the expense of said City of Pompano Beach for public use.

D. That it will not discriminate against any person on the basis of race, color or national origin in the use of any property or facility acquired or developed pursuant to this proposal, and shall comply with the terms and intent of the Title VI of the Civil Rights Act of 1964, P.L. 88-352 (1964) and design and construct all facilities to comply fully with statutes

relating to accessibility by handicapped persons as well as other federal, state and local laws, rules and requirements.

E. That it will maintain adequate financial records on the proposed project to substantiate claims for reimbursement.

F. That it will make available to FIND if requested, a post-audit of expenses incurred on the project prior to, or in conjunction with, request for the final 10% of the funding agreed to by FIND.

SECTION 4. This Resolution shall become effective upon passage.

PASSED AND ADOPTED this _____ day of _____, 2020.
