Report

I. Introduction

I have been retained to identify and appraise all trees on Ultimate Sports Park, Apollo Park Expansion, 212 NW 16th Street, Pompano Beach, Fl.

II. Property Involved

The property involved is known as 212 NW 16th Street, Pompano Beach, Fl. I arrived on site 5-18-2020. This is an old abandoned BMX track.

III. Data Collection

The property/trees were evaluated by site visit to determine environmental conditions. This appraisal is based on value of subject as per ISA Rule Chapter 14_40. Base price for plants and trees was attained using the Plant Finder by Betrock information Systems.

IV. Limiting Conditions

This Report includes only the listed trees/palms on this property. We did not evaluate and make no evaluation or conclusions regarding any other part of the landscape or other items of this property.

V. Discussion

The value of each tree/palm/plant that can be replaced from nursery stock was arrived at by calculating an average wholesale unit price using the "Betrock's Plant Finder, Wholesale Guide to Foliage and Ornamental Plants" as per ISA Rule Chapter 14_40.

VI. Conclusions and Recommendations

Please see attached excel spreadsheet, Survey with tree locations, and pictures below. The total appraised value is \$56,942.11
