

To the authorities of the City of Pompano Beach,

I have been informed of the 42 luxury condominiums project Entourage-in-the-Sun to be built on N. Riverside Drive in Pompano Beach and asked to give my opinion on it.

I am sure that this great project, added to the already existing or upcoming other projects of high reputation banners, like for instance, the Ritz-Carlton Residences, will contribute to attract new investors and make Pompano Beach, the pearl of South Florida.

Congratulations to the Developers of this beautiful project and to the City of Pompano Beach to make our environment always more and more enjoyable for families and peaceful environment especially with the wonderful Pier that the City has built and which has become a major attraction for permanent residents as well as for visitors.
